B. The Master Association desires to amend the Declaration to implement the payment of a “Reinvestment Fee” as defined and further set forth below.

C. By affirmative vote of more than 67% of the Member votes of the Deer Crest Master Association, Inc., and the consent of the Class C Member, this Amendment to Master Declaration has been approved and shall become effective upon recordation.

AMENDMENT:

1. Section 11.6 of the Declaration is hereby deleted and replaced in its entirety as follows:

11.6 Reinvestment Fees and Use of Funds Collected by the Master Association. Upon each Transfer (defined below) of any Residential Lot or Residential Unit, a reinvestment fee based on the "Purchase Price" (defined below) of such Lot or Unit shall be paid to the Master Association for the benefit of the Master Association (a "Reinvestment Fee"), which funds shall be dedicated to benefitting the common areas within the Property or used for Master Association expenses, including without limitation common planning, facilities and infrastructure, obligations arising from an environmental covenant, community programming, resort facilities, open space, recreation amenities, charitable purposes or other Master Association expenses. The initial Reinvestment Fee shall be 1% of the Purchase Price (defined below) of the subject property, which percentage may be reasonably adjusted by the Board from time to time; provided, however, that in the event the subject property is a Residential Lot or Residential Unit that pays a reduced percentage of dues either through Neighborhood Association or directly to the Master Association, the Reinvestment Fee shall be calculated using the same percentage as the percentage of dues assessed against that Lot or Residential Unit. This Reinvestment Fee covenant shall run with the land for the benefit of the Master Association. Pursuant to Utah Code Annotated Section 57-1-46, the obligation to pay a Reinvestment Fee will be effective immediately upon recordation of the Notice of Reinvestment Fee in substantially the form attached hereto as Exhibit A in the official records of the Wasatch and Summit County Recorders. In addition to the restrictions placed on the use of Reinvestment Fees as set forth above, all funds collected by the Master Association, including Reinvestment Fees, assessments, reserves and contributions to the Master Association paid by Owners, if any, shall be held by the Master Association in a fiduciary capacity to be expended in their entirety for non-for-profit purposes of the Master Association in managing, maintaining, caring for, preserving and architecturally controlling the Property and for other permitted purposes as set forth in this Master Declaration. No part of said funds shall inure to the benefit of any Member (other than as a result of the Master Association managing, maintaining, caring for, preserving and architecturally controlling the Property and other than as a result of expenditures made for other permitted purposes as set forth in this Master Declaration).

a. For purposes of this Section 11.6, "Transfer" means, whether in one transaction or in a series of related transactions, any conveyance, assignment, lease, or other transfer of beneficial ownership of a Lot or Unit within Deer Crest including but not limited to (1) the conveyance of fee simple title to any such property; (2) the transfer of more than fifty percent (50%) of the outstanding shares of the voting stock of a corporation which, directly or indirectly, owns any portion of such property, and (3) the transfer of more than fifty percent (50%) of the interest in net profits or net losses of any partnership, joint venture, limited liability company, or other business entity which, directly or indirectly, owns any portion of the such property. The Board shall use its reasonable judgment to (i) determine whether to exercise the Association's powers to impose a Reinvestment Fee in circumstances where a transfer not expressly defined herein is used to circumvent the imposition of a Reinvestment Fee, or (ii) waive application of a Reinvestment Fee to a Transfer expressly defined herein but where the Board reasonably determines that a Reinvestment Fee is not applicable under the specific circumstances of the transaction in question.

b. Exclusions. Notwithstanding the foregoing, a "Transfer" shall not include any of the following excluded events, except to the extent that any such exclusion is used for the purpose of avoiding the Reinvestment Fee:

(i) Any Transfer to the United States, or any agency or instrumentality thereof, the State of Utah, any county, city, municipality, district, or other political subdivision of the State of Utah.

(ii) Any Transfer to the Association.

(iii) Any intra-family Transfer, whether outright or in trust, that is for the benefit of the Transferor or the Transferor's relatives (including the Transferor's spouse), but only if there is no more than nominal consideration for the Transfer. For the purposes of this exclusion, the relatives of a Transferor shall include all lineal descendants of any grandparent of the Transferor, and the spouses of the descendants. Any person's stepchildren and adopted children shall be recognized as descendants of that person for all purposes of this exclusion.

(iv) Any Transfer arising solely from the termination of a joint tenancy or the partition of a Parcel held under common ownership or in connection with a divorce, except to the extent that additional consideration is paid in connection therewith.

(v) Any Transfer or change of interest for estate planning purposes or by reason of death, whether provided for in a will, trust, or decree of distribution, or by reason of the dissolution or winding up of any business entity.

(vi) The transfer of any commercial or other non-residential Lot or Unit, including any hotel; provided that the exclusion does not apply to any Units within such properties.

(vii) Any Transfer to secure a debt or other obligation or to release a Parcel that is security for a debt or other obligation, including Transfers in connection with foreclosure of a deed of trust or mortgage or Transfers in connection with a deed given in lieu of foreclosure.

(viii) The Transfer of a Parcel to an organization that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code, as amended, provided that the Association specifically approves such exemption in each particular case.

(ix) Any Transfer to an affiliated party, where "affiliated party" means any entity that controls, is controlled by, or is under common control with the Transferor, including control through voting interests, management agreements, or other arrangements resulting in effective control over the management of the affairs of such entity.

(x) Any Transfer of an unimproved Residential Lot by the Declarant or its affiliates, and any initial Transfer of a Residential Unit within a Development Parcel.

(xi) The conveyance, lease, assignment or transfer of any interest in any of the Common Areas.

c. For purposes of this Section 11.6, "Purchase Price" means the gross purchase price of the property that is the subject of the Transfer prior to any adjustments or credits to any party, commissions or closing costs. The gross purchase price shall include all amounts paid by the Transferee without regard to any allocations of cost or value between the Transferor and Transferee for any reason or purpose (for example, an allocation for personal property). The Association may require either the Transferor or Transferee to submit verification of the Purchase Price.

d. Payment of Reinvestment Fee. The Reinvestment Fee shall be payable by the buyer at closing of the Transfer, and each Reinvestment Fee not paid at that time shall accrue interest until fully paid at 5% (five percent) per annum over the rate of interest announced from time to time by Wells Fargo Bank, as its "prime rate" for commercial loans. Such interest shall be payable on demand, and if unpaid, shall be compounded monthly at the rate so calculated as of thirty (30) days after the date of the Transfer, and all accruing interest shall become a part of the Reinvestment Fee due and owing to the Association. Any delay by the Association in issuing a collection notice for a Reinvestment Fee shall not relieve the Transferee of its obligation to timely pay the assessment or impair the right of the Association to collect such Reinvestment Fee. A Reinvestment Fee shall constitute a lien against the property that is the subject of the Transfer and shall be enforceable by the Association and collectible by the Association as set forth in this Declaration.

2. The undersigned hereby ratify this Amendment and acknowledge that the provisions hereof shall modify and amend the Declaration. This instrument shall run with and bind and benefit the property subject thereto.

This Amendment to Master Declaration of Covenants, Conditions and Restrictions, and Reservation of Easements for Deer Crest was approved by the membership of the Master Association during the meeting held December 27, 2020 at the hour of 5:00 p.m.

THIS AMENDMENT TO MASTER DECLARATION is executed as of the date first stated above.
