Buttars, a duly registered Utah land surveyor, on or about August 13, 1965, and,

WHEREAS, the former declarant, GARDEN VILLA DEVELOPMENT COMPANY, did sell the fee title to the individual apartment home units contained in said condominium project, together with an undivided ownership interest in the common areas and facilities appurtenant to each of said apartment home units, to various purchasers, subject to the covenants, conditions, and restrictions herein reserved to be kept and observed,

NOW THEREFORE, for such purposes, declarant hereby makes the following Amendment to the Amended Declaration, containing the covenants, conditions, and restrictions relating to the property admitted to said condominium project. These covenants, conditions, and restrictions, herein provided, shall constitute covenants to run with the land hereby admitted to the condominium project and may be enforced by any unit owner and his successors in interest, and shall be binding upon the declarant and its successors and assigns, and upon all subsequent owners and encumbrancers of all or any part of the condominium project, and upon their grantees, successors, heirs, executors, administrators, devisees, and/or assigns, which shall hereafter be subject:

1. Declarant hereby intends that the above described property and apartment home buildings and other improvements constructed and to be constructed thereon, together with all appurtenances thereto, are to be subject to the provisions of the Utah Condominium Ownership Act, Utah Code Anno. Sec. 57-8-1 et. seq. (1953), as amended, as a condominium project, to be known as GARDEN APARTMENTS. This Amendment to the Amended Declaration is submitted in accordance with the terms and provisions of said Act, and all words, terms and phrases used herein shall be construed and defined the same as are used and defined in said Act, to the extent applicable and unless another meaning is clear and obvious.

2. The condominium project shall consist of fourteen (14) apartment home buildings, swimming pool, tennis court, garden shelter, and carports as shown by the Amended Record of Survey Map and Exhibit "A" previously recorded herewith, constructed of brick, lumber, concrete, steel and glass, located upon the land described above. Apartment home buildings designated as numbers 1, 5, 7, 8, 9, 10, 11, 12, 13, and 14 shall be two-story buildings and apartment home buildings numbers 2, 3, 4, and 6 shall be one-story only. Apartment home buildings number 3 (apts. 1 and 5), number 8 (apts. 7, 8, and 9) and numbers 7, 9, 10, 12, 13, 14 shall have basements.

3. To establish a plan of condominium ownership for said condominium project, the condominium project is hereby divided into the apartment units described in Amended Exhibit "A" attached hereto and by reference made a part hereof, which apartment units, together with their appurtenant undivided interests in the common areas and facilities and limited common areas and facilities shall constitute separate fee simple estates for all purposes provided by the said Act.

4. The common areas and facilities, as defined in Utah Code Anno. Sec. 57-8-3 (1953), as amended, and/or as shown on the Amended Record of Survey Map, are hereby set aside for the use and benefit of the respective unit owners in accordance with and for all purposes provided by the Utah Condominium Ownership Act; provided, however, that patios, carports, storage spaces and balconies obviously intended for use by particular units as shown on the Amended Record of Survey Map are hereby declared to be limited common areas and facilities for use by such particular unit or units as indicated on said amended record of survey map to the exclusion of other units.

5. The owner or owners of each apartment unit shall own an undivided

interest in the common areas and facilities in the percentages based on square footage of each unit as set forth in Amended Exhibit "A" attached hereto and made a part hereof. Of the total value of the entire condominium project, each of the apartment units represent the undivided percentage thereof expressed in Amended Exhibit "A" for all purposes of the Utah Condominium Ownership Act.

6. The undivided ownership interest in the common areas and facilities appurtenant to each apartment unit as set forth in paragraph numbered 5 above shall be and remain appurtenant to such unit from and after the filing of this Amendment to the Amended Declaration and said interest may not thereafter be altered without the consent of all of the unit owners, and shall not be separated from such apartment units or be separately conveyed therefrom and each such undivided interest shall be deemed to be conveyed or encumbered with the apartment unit to which it is appurtenant even though the description in the instrument of conveyance or encumbrance may refer only to the fee simple title to the apartment unit itself.

7. Unit owners shall not, without the written consent of the management committee, occupy or use the apartment home, or permit the same or any part thereof to be occupied or used for any purpose other than as a private single-family dwelling, and shall not permit or suffer anything to be done or kept in the apartment which will interfere with the rights of other unit owners, or annoy such owners by unreasonable noises or otherwise.

8. Unit owners shall not permit or suffer anything to be done or kept in the apartments which will jeopardize the soundness or safety of the property, reduce its value or impair any easement or hereditament, without in every case the unanimous written consent of all the other unit owners being first obtained. If, by reason of the occupancy or use of an apartment, the rate of fire insurance on the project shall be increased, the owner thereof shall become personally liable for the additional insurance premiums upon all policies covering said condominium project, and the management committee shall have the right to collect the same from said owner as additional assessments for the apartment.

9. In the event any portion of the common areas and facilities encroaches upon any of the apartment units, a valid easement shall exist for such encroachment, and for the maintenance of same, so long as such encroachment exists. In the event the condominium project is partially or totally destroyed, and then rebuilt, minor encroachments will be permitted as required, upon the apartment units, and easements for such encroachments, and for the maintenance of same shall exist for such period of time as may be reasonably required for the reconstruction or repair of said premises. The management committee under the direction of GARDEN APARTMENTS shall have, and is hereby given the authority to grant such easements over and across the common areas and facilities as shall be determined by said committee to effect reasonable repairs, improvements, or maintenance in the interests of the unit owners.

10. The condominium project including the common areas and facilities appurtenant thereto shall be managed, operated, and maintained by a management committee as allowed by the Utah Condominium Ownership Act and provided in the By-Laws promulgated pursuant thereto as the same may be amended from time to

time. Said management committee shall have authority to levy and enforce collection of assessments for common expenses proportionately in regard to common area ownership interest of each unit owner, create necessary reserves, operate and manage the condominium project by and through the authority of GARDEN APARTMENTS, a Utah Corporation, said corporation being primarily responsible for the operation, management and maintenance of the condominium project; provided, however, that said management committee may engage the services of a manager and enter into management contracts, with the consent of a majority percent of the common area ownership interest.

11. Any lien of the owners' association for common expense assessments becoming payable on or after the date of recordation of the first mortgage, shall be subordinate to the first mortgage on the unit. Such a lien shall not be affected by any sale or transfer of a unit, except that a sale or transfer of a unit pursuant to a foreclosure of a first mortgage shall extinguish a subordinate lien for common expense assessments which became payable prior to such sale or transfer. However, any such sale or transfer pursuant to a foreclosure shall not relieve the purchaser or transferee from liability for, nor the unit so sold or transferred, from the lien of any common expense assessments thereafter becoming due.

12. All agreements and determinations respecting the condominium project lawfully made and entered into by the management committee shall be binding upon all of the unit owners and upon their successors and assigns.

13. Each unit owner, tenant, and/or occupant of an apartment unit shall comply with all covenants, conditions, and restrictions in this Amendment to the Amended Declaration, adopted and recorded By-Laws, the Utah Condominium

Ownership Act, and any other rules or regulations established by the management committee with respect to the occupancy or use of the respective apartments. Failure to comply shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the manager or management committed on behalf of the unit owners, or in a proper case, by an aggrieved unit owner.

14. Each unit owner shall be entitled to the exclusive ownership and possession of and right of ingress to and egress from his unit. Any unit may be held and owned by more than one person as joint tenants, or as tenants in common, or in any other real property tenancy relationship recognized under the laws of the state of Utah. Further, each unit, together with its undivided interest in the common areas and facilities, shall, for all purposes, constitute real property and may be individually conveyed, leased and encumbered and may be inherited or devised by will and be subject to all types of juridic acts inter vivos or mortis causa as if it were sole and entirely independent of all other units, and the separate units shall have the same incidents as real property, and the corresponding individual titles and interests shall be recordable.

15. In the event the condominium project is destroyed or damaged to the extent of seventy-five per cent (75%) or less of the value thereof, the management committee, under the direction of GARDEN APARTMENTS, shall be responsible for repairing, rebuilding, and/or restoring the same to the condition it was in immediately prior to such destruction or damage and the committee shall, in this connection, be entitled to use the proceeds of any and all insurance policies which it may have had in force on said premises as of the date of such destruction or damage.

16. In the event the condominium project is destroyed or damaged to the extent of more than seventy-five per cent (75%) of the value thereof, the unit owners shall, at a meeting duly and regularly called by the committee for that purpose, determine whether or not said premises should be rebuilt, repaired or disposed of. Unless unit owners owning at least 67 percent of the common area ownership interest agree to the withdrawal of the condominium project from the provisions of the Utah Condominium Ownership Act and to its subsequent disposal, the premises shall be repaired, rebuilt or restored to the same condition they were in immediately prior to said destruction or damage. In the event the cost of such repair, rebuilding or restoration shall exceed the amount realized by the committee from the proceeds of any insurance policy or policies as above provided, all of the unit owners shall contribute to such additional cost in the same percentage as their undivided interests in the common areas and facilities as set forth in Amended Exhibit "A".

The determination, under this paragraph and paragraph 13 above, of the extent of any damage to the project shall be made by a group of three (3) AIA appraisers who shall be selected by the committee for that purpose. In the event all of said appraisers cannot agree on the extent of the damage or destruction to the project, the decision of any two with respect thereto shall be conclusive.

17. The management committee shall at all times keep the condominium project covered by fire, extended coverage, and liability insurance in its name as trustee for the unit owners, or in the name or names of such person or persons, or corporation, and in such amounts as the committee may from time to time determine to be proper, necessary and adequate. The management committee

shall also ensure that fidelity bonds are maintained as necessary to comply with state law and federal financing agencies.

18. Individual unit owners will be and are hereby encouraged to carry, at their own cost and expense, such additional insurance coverage on their respective apartment units and upon such personal property as may be located therein, as they shall deem to be necessary and adequate; provided, however, that no unit owner shall be entitled to exercise his right to maintain insurance coverage on an apartment of which he is the owner in such a way as to decrease the amount which the committee may realize under any insurance policy which the committee may have in force on the project at any particular time.

19. The Owners' Association, through the Management Committee, shall be required to make available to unit owners, prospective unit owners, lenders and the holders and insurers of the first mortgage on any unit, current copies of this Declaration, By-Laws, other rules, books, records, and financial statements governing and applying to GARDEN APARTMENTS. Further, upon written request from any agency or corporation which has an interest or prospective interest in GARDEN APARTMENTS, audited financial statements for the immediately preceding fiscal year shall be prepared and made available to them.

The words "to make available" above shall at least mean available for inspection upon request during normal business hours or under other reasonable circumstances.

20. Except as otherwise provided by law or the By-Laws, the unit owners shall have the right to amend this Amendment to the Amended Declaration upon the approval and consent of 67 percent of the common area ownership interests of the unit owners, which consent and approval shall be by duly executed and recorded instruments.

21. Coran L. Cluff , whose address is 2217 North 200 East, Provo, Utah, is hereby designated as the person to receive process in connection with the project for all purposes provide by the Utah Condominium Ownership Act; provided, however, that the management committee shall have the right to appoint a successor or substitute process agent. Such successor or substitute process agent shall be designated and appointed by an instrument duly executed and filed in the office of the County Recorder of Utah County, State of Utah.

22. The provisions of this Amendment to the Amended Declaration shall be in addition and supplemental to the provisions of the Utah Condominium Ownership Act, as the same now exists or may be amended. If any provisions of this Amendment to the Amended Declaration is determined to be invalid, the remaining provisions thereof shall remain in full force and effect and shall not be affected thereby.

23. This Amendment to the Amended Declaration shall take effect upon recording as provided by the Utah Condominium Ownership Act.
