14. Management Committee Meetings. The Management Committee shall meet at regular intervals.

15. Status and General Authority of Management Committee. Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated in subparagraphs (a) through (j) below, constitute a legal entity capable of dealing in its Committee name. The Management Committee shall have, and is hereby granted, the following authority and powers:

Affairs (VA).

16. Delegation of Management Responsibilities: The Management Committee may delegate some of its management responsibilities to either a professional management company, an experienced on-site manager, an independent contractor, through service contracts, or any combination thereof. The Manager may be an employee or an independent contractor. The termination provision of any such contract must not require a termination penalty or any advance notice of any more than sixty (60) days, and no such contract or agreement shall be for a term greater than one (1) year. The Management Committee may also employ general laborers, grounds crew, maintenance, bookkeeping, administrative and clerical personnel as necessary to perform its management responsibilities. Provided, however, any management contract may be terminated for cause on thirty (30) days notice in accordance with Title 38, Code of Federal Regulations, Section 36.4360a (f), as it may be amended from time to time.

19. Capital Improvements. All expenses for capital improvements shall be governed by and subject to the following conditions, limitations and restrictions:

a) Committee Discretion/Expenditure Limit. Any capital improvement to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Management Committee alone (the "Capital Improvement Ceiling").

b) Owner Approval/Expenditure Limit. Any capital improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest in the Common Area.

c) Owner Approval/Changing the Nature of the Project. Any capital improvement which would materially alter the nature of the Project (e.g., changing the roofing materials, the construction of the external Building surfaces, color scheme, etc.) must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the undivided ownership interest in the Common Areas.

20. Operation, Maintenance and Alterations. Each Unit, the Limited Common Area and the Common Area shall be maintained, repaired and replaced in accordance with the following covenants, conditions and restrictions:

a) Clean, Safe, Sanitary and Attractive Condition. The Units, Limited Common

Area and Common Area shall be maintained in a usable, clean, functional, safe, sanitary, attractive and good condition, consistent with Community Standards.

b) Landscaping. All landscaping in the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by Declarant and in accordance with Community Standards. Specific written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Committee from time to time. All landscaping shall be maintained in a neat and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be neatly trimmed. In a word, all landscaping shall be tasteful, so as not to affect adversely the value or use of any other Unit, or to detract from the uniform design and appearance of the Project.

c) Area of Common Responsibility. Unless otherwise expressly noted, the Association shall maintain, repair and replace all of the Common Area and Facilities; the Association shall also repair and replace all Limited Common Area improvements (the "Area of Common Responsibility")

d) Area of Personal Responsibility. Each Owner shall maintain, repair and replace his Unit, including without limitation all individual services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, fixtures, glass, windows and window systems, doors and door systems, garage doors and garage door systems, patios, balconies and decks, subject to the approval of the Management Committee as to construction materials, quality of construction and installation. Each Unit Owner shall also be responsible for maintaining and keeping his Unit and Limited Common Area clean, attractive, tidy, uncluttered, safe, sanitary and functional condition, so as not to detract from the health, safety or uniform appearance or design of the Project, and in a manner consistent with Community Standards.

e) Neglect. If (except in the case of an emergency) after written notice and a hearing, the Committee determines that any Owner has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder; or that the need for maintenance, repair, or replacement of the Common Area is caused through the willful or negligent act of any Owner, his family, guests, lessees, or invitees, and it is not covered or paid by insurance, in whole or in part, then the Association may, but is not obligated to, provide such maintenance, repair or replacement at the Owner's sole cost and expense. Such costs shall be considered an Individual Assessment.

f) Alterations to the Common Area. The Declarant may make changes to the design and construction of the improvements located in or on the Common Areas without additional approval required, including without limitation the consent of the Management Committee or Members of the Association. Provided, however, no Owner or Resident may make any structural alterations to the Common Area (including the Limited Common Area) without the express prior written consent of the Management Committee.

g) Certain Work Prohibited. No Unit Owner shall do any work or make any

alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Unit Owners being first had and obtained.

21. Common Expenses. Each Owner shall pay his Assessments subject to and in accordance with the procedures set forth below.

a) Declarant. Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Units owned by it until such time as: (1) the physical structures are substantially completed; (2) certificates of permanent occupancy are issued and the Units are sold or rented; or (3) Declarant elects in writing to pay the Assessments, whichever first occurs.

b) Purpose of Common Area Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Committee.

c) Creation of Assessments. Since the Assessments shall pay for the common expenses of the Association, as shall be determined by the Management Committee from time to time, each Owner, by acceptance of a deed to a Unit, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed by the Committee.

d) Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Management Committee shall prepare and deliver to the Owners a proposed Budget which:

(1) Itemization. Shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. Shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and regulation of the Association, which estimate shall include but is not limited to expenses of management, grounds maintenance, taxes and special assessments, premiums for all insurance which the Committee is required or permitted to maintain, common lighting and heating, water charges, trash collection, sewer service charges, carpeting, painting, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, capital improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

e) Apportionment. The common profits, losses and voting rights of the Project shall be distributed among and the common expenses shall be charged equally to the Unit Owners.

f) Approval of Budget and Assessments. The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the percentage of ownership interest in the Common Areas. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Management Committee fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Common Area Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year.

g) Payment of Assessments. The Management Committee has the sole authority and discretion to determine how and when the annual Assessments are paid.

h) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Unit pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Unit; (2) the owner of record in the offices of the County Recorder of Utah County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

i) Equitable Changes. If the aggregate of all monthly payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Committee may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the percentage of ownership interest in the Common Area, not greater than fifteen (15%) percent of the Common Area Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

j) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Committee.

k) Reserve Account. The Committee shall establish and maintain a reserve account or accounts to pay for unexpected operating expenses and capital improvements.

l) Capital Improvement Table. The Committee shall establish and update at least annually a Capital Improvement Table which shall list each major capital improvement in the Project (e.g. roofs, roads, building exteriors, clubhouse, swimming pool, spa, basketball court and tot lot, etc.), each item's expected useful life, the present cost of replacement, the estimated cost to replace the item at the end of its useful life, the percentage and amount of the Common Area Assessment currently set aside in the reserve account to replace the item at the end of its useful life, and the amount of money currently set aside in the reserve account for the replacement of the item.

m) Acceleration. Assessments shall be paid in the manner and on dates fixed by the Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Common Area Assessment for delinquent Owners. If, however, the Common Area Assessment is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the committee, at its option and in its sole discretion, may elect to decelerate the obligation.

n) Statement of Assessments Due. Upon written request, the Committee shall furnish to any Owner a statement of Assessments due, if any, on his Unit. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

o) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled which insofar as it adversely affects the Association's lien for unpaid Assessments each Owner by accepting a deed or other document of conveyance to a Unit hereby waives..

p) Suspension of Right to Use Amenities for Non-Payment. At the discretion of the Management Committee, the right to use any amenities in the Project may be suspended for up to ninety (90) days if the Owner is in arrears on his obligation to pay Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

q) Suspension of Right to Vote for Non-Payment. At the discretion of the Committee, the right of an Owner to vote on issues concerning the Association may be suspended for up to ninety (90) days if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

22. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

a) Committee Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100th Dollars (\$500.00) per Unit in any one fiscal year (the "Special Assessment Limit"), the Committee may impose the special assessment without any additional approval.

b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Committee in its discretion may allow any special assessment to be paid in installments.

23. Benefit Assessments. If an Owner has the choice to accept or reject the benefit, then

the Management Committee shall have the power and authority to assess an Owner in a particular area as follows:

- a) Benefit only To Specific Unit. If the expense benefits less than all of the Units, then those Units benefitted may be specifically assessed, and the specific assessment shall be equitably apportioned among those Units according to the benefit received.
- b) Unequal or Disproportionate Benefit. If the expense benefits all Units, but does not provide an equal benefit to all Units, then all Units shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Units according to the benefit received.

Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

24. Individual Assessments. Individual Assessments shall be levied by the Committee against a Unit and its Owner to reimburse the Association for: (a) administrative costs and expenses incurred by the Committee in enforcing the Project Documents; (b) costs associated with the maintenance, repair or replacement of Common Area for which the Unit Owner is responsible; (c) any other charge, fee, due, expense, or cost designated as an Individual Assessment in the Project Documents or by the Management Committee; and (d) attorneys' fees, interest, and other charges relating thereto as provided in this Declaration.

25. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

- a) Delinquent Assessments. Any Assessment not paid when due shall be deemed delinquent and a lien securing the obligation shall automatically attach to the Unit, regardless of whether a written notice is recorded.
- b) Late Fees and Accruing Interest. A late fee of twenty-five dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater, shall be assessed on all tardy payments. Default interest at the rate of one percent (1.0%) per month or twelve percent (12%) per annum shall accrue on all delinquent accounts.
- c) Lien. If any Unit Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Management Committee or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Unit in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

d) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

e) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

f) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Unit.

g) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or committee under this Declaration or the By Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

h) Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Assessments and Current Assessments.

i) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same.

j) Appointment of Trustee. If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

k) Attorney in Fact. Each Owner by accepting a deed to a Unit hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Unit, if the Unit is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

26. Liability of Management Committee. The Association shall indemnify every officer and member of the Committee against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Committee) to which he or she may be a party by reason of being or having been an officer or member of the Committee. The officers and members of the Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Committee free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Committee, or former officer or member of the Committee, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

27. Insurance. The Management Committee shall at all times purchase, maintain in force, and pay the premiums for, if reasonably available, insurance on the Common Areas satisfying at least the following requirements:

a) Property Insurance. Blanket property insurance using the standard "Special" or "All Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard "condominium" casualty policy. This additional coverage may be added by the Committee as it deems necessary in its best judgement and in its sole discretion.

b) Flood Insurance. If any part of the Project's improvements are in a Special Flood Hazard Area -- which is designated as A, AE, AH, AO, A1-30, A-99, V, VE, or V1-30 on a Flood Insurance Rate Map (FIRM) -- the Association shall obtain a "master" or "blanket" policy of flood insurance and provide for the premiums to be paid as a common expense. The policy should cover any common element buildings and any other common property. The Unit Owner may also be required to purchase an individual policy. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

c) Liability Insurance. A public liability policy covering the Common Area, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million (\$1,000,000) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000) Dollar limit per occurrence, if reasonably available, and a One Million (\$1,000,000) Dollar minimum property damage limit. If possible, the policy should be written on the comprehensive form and shall include non-owned and hired automobile liability protection.

e) Fidelity Bond. A separate fidelity bond in a reasonable amount to be determined by the Management Committee to cover all non-compensated officers as well as all employees for theft of Association funds, subject to the following:

(1) Agents. Furthermore, where the Committee or the Association has delegated some or all of the responsibility for the handling of funds to a management agent, such bonds are required for the management agent's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Committee or the Association.

(2) Amount of Coverage. The total amount of fidelity bond coverage required shall be based upon the Committee's best business judgement, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Committee, the Association, or the management agent as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Lots, plus reserve funds.

(3) Quality of Coverage. The bonds required shall meet the following additional requirements: (a) they shall name the Committee, the Owners Association, and the Property Manager as obligee; (b) if the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense; (c) the premiums on all bonds required herein for the Committee and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Committee or the Association as part of the Common Expenses; and (d) the bonds shall provide that they may not be canceled or substantially modified, including cancellation for nonpayment of premium, without at least ten days' prior written notice to the Committee and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee, and FNMA.

f) Earthquake Insurance shall not be required unless requested by at least Seventy five percent (75%) of the Members of the Association.

(2) The Insured. The name of the insured under each policy required to be maintained hereby shall be set forth therein substantially as follows: "Association of Unit Owners of DAYBREAK AT HARVEST HILLS, for the use and benefit of the individual Owners."

(3) Designated Representative. The Association may designate an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners.

(4) Beneficiary. In any policy covering the entire Project, each owner and his Mortgagee, if any, shall be beneficiaries of the policy in an amount equal to the Owner's percentage of undivided Ownership interest in the Common Areas and Facilities.

(5) Certificate of Insurance. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

(6) Mortgage Provisions. Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee.

(7) Miscellaneous Provisions. Each insurance policy shall contain at least the following additional miscellaneous items: (a) A waiver of the right of a subrogation against Owners individually; and (b) A provision that the insurance is not prejudiced by any act or neglect of any individual Owner.

(8) Prompt Repair. Each Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.

(9) Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any proceeds remaining thereafter shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This is a covenant for the benefit of the Association and any Mortgagee of a Unit, and may be enforced by them.

(10) Special Endorsements. Each policy shall also contain or provide those endorsements commonly purchased by other Associations in similarly situated first class subdivisions in the county, including but not limited to a guaranteed replacement cost endorsement under which the insurer agrees to replace the insurable property regardless of the cost and,; or a Replacement Cost Endorsement under which the insurer agrees to pay up to 100% of the property's insurable replacement cost, but no more, and, if the policy includes a coinsurance clause, an Agreed Amount Endorsement which waives the requirement for coinsurance; an Inflation Guard Endorsement when it can be obtained, a Building Ordinance or Law Endorsement, if the enforcement of any building, zoning or land-use law will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs, and increased costs of reconstruction; Steam Boiler and Machinery Coverage Endorsement if the Project has any central heating or cooling.

(11) Restrictions on Policies. No insurance policy shall be maintained where:

a. Individual Assessments Prohibited. Under the term of the carrier's charter, By-Laws, or policy, contributions may be required from, or assessments may be made against, an Owner, a borrower, a Mortgagee, the Management Committee, the Association, FNMA, or the designee of FNMA.

b. Payments Contingent. By the terms of the Declaration, By-Laws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

c. Mortgagee Limitation Provisions. The policy includes any limited clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Committee, the Association, an Owner, FNMA, or the borrowers) from collecting insurance proceeds.

(12) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Committee or Owners to obtain and maintain insurance coverage, in amounts and in such forms as the Management Committee or Association may deem appropriate from time to time.

(13) Deductible. The deductible on a claim made against the Association's Property Insurance Policy shall be paid for by the party who would be liable for the loss, damage, claim, or repair in the absence of insurance, and in the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. If a loss is caused by an act of God or nature or by an element, risk or peril beyond the control of the Unit Owner, then the Association shall be responsible for the deductible.

h) Adjusting Claims. The Management Committee has the authority to adjust claims and, if the claim may be filed with the Unit Owner's or renter's insurance carrier, may require from the prospective claimant's insurance company a formal notice of rejection and an unconditional

denial of the claim or its equivalent before submitting the claim to the Association's insurance company, particularly if (1) it risks cancellation of the Association's insurance, or (2) the problem occurred in the Unit, or (3) was caused by the claimant, or (4) the claim is legally or primarily the responsibility of the claimant, and (5) there is a substantial likelihood that the claim will be covered by the Owner's or renter's insurance company.

28. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

a) Definitions. Each of the following terms shall have the meaning indicated:

(1) "Substantial Destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof.

(3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.

(4) "Partial Condemnation" shall mean any other such taking by eminent domain or grant or conveyance in lieu thereof.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(6) "Partial Obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

(9) "Available Funds" shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee,

or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Unit in which they are interested.

b) Determination by Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

c) Restoration of the Project. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Units which have appurtenant at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

d) Notices of Destruction or Obsolescence. Within thirty (30) days after the Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

e) Excess Insurance. In the event insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

f) Inadequate Insurance. If the cost of Restoration exceeds Available Funds, the Management Committee may elect to make a special assessment in accordance with Article III, Section 21 above to pay for the deficiency.

g) Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Units will not be the subject of Restoration (even though the Project will continue as a condominium project) or is taken in a condemnation proceeding or pursuant to any

agreement in lieu thereof, the undivided Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Units.

h) Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, condominium Ownership under this Declaration and the Survey map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

i) Authority of Committee to Represent Owners in Condemnation or to Restore or Sell. The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

j) Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.

k) Restoration Power. The Committee, as attorney-in-fact for each Owner, shall have and is hereby granted full power and authority to restore or to sell the Project and each Unit therein whenever Restoration or sale, as the case may be, is undertaken as hereinabove provided.

l) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

m) Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Unit Owners who represent at least sixty-seven (67%) percent of the total allocated votes in the Association and by Eligible Mortgage holders who represent at least fifty-one (51%) percent of the votes of the Units that are subject to mortgages held by eligible holders.

The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by Eligible Mortgage holders that represent at least sixty-seven (67%) percent of the votes of the mortgaged Units. However, implied approval may be assumed when an Eligible Mortgage holder (except (where appropriate) the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA)) fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

29. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required percentages, subject to the following conditions:

a) Ninety-Day Limit. All necessary consents must be obtained prior to the expiration of ninety (90) days from the time the first written consent is obtained; and

b) Change In Ownership. Any change in Ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose.

30. Mortgagee Protection. The lien or claim against a Unit for unpaid Assessments levied by the Management Committee or by the Association pursuant to this Declaration or the Act shall be subordinate to any Mortgage recorded on or before the date such Assessments become due, subject to the following:

a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Unit for such unpaid Assessments shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Unit from liability for, nor such Unit the lien of any Assessments becoming due thereafter.

b) Books and Records Available for Inspection. The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, By-Laws, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Committee and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty

(30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than one (1) year.

e) Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Unit subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Committee or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

f) Approval of Proposed Action or Transaction. Any Mortgagee who receives, by certified or registered mail, a written request, with a return receipt requested, to approve any act, transaction or amendment to the Declaration, and who does not return a negative response within thirty (30) days shall be deemed to have approved such request; provided, however and anything to the contrary notwithstanding, so long as Declarant is in control of the owner's association, such action or transaction must be approved in writing by the Department of Veterans Affairs (VA) pursuant to CFR, Title 38, § 36.4357(b)(4) and, if any financing or the guaranty of any financing of a Unit is provided by the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), by such agencies.

31. Amendment. This Declaration may be amended as follows:

a) Amendments by Declarant Prior to First Sale. Except as provided elsewhere in this Declaration, prior to the conveyance of the first Unit to an Owner other than a Declarant, this Declaration and any amendments thereto may be amended or revoked by the execution by Declarant of an instrument amending or revoking the same.

b) Amendments by Declarant After First Sale. Except as provided elsewhere in

this Declaration, Declarant (without obtaining the approval of Owners, the Association, or existing Mortgagees) may unilaterally amend or modify this Declaration in the exercise of its rights set forth in this Declaration. Also, notwithstanding anything herein to the contrary, Declarant shall have the unilateral right (without obtaining the approval of the Owners, the Association, or existing Mortgagees) to amend this Declaration until the end of Period of Declarant's Control, if such amendment is required solely: (a) to comply with applicable law or to correct any error or inconsistency of the Declaration and if such amendment does not adversely affect the rights of any Owner or Mortgagee, or (b) to comply with the rules or guidelines, in effect from time to time, of any governmental or quasi-governmental entity or federal corporation guaranteeing or insuring mortgage loans or governing transactions involving mortgage instruments (including, without Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA), or any similar agency). If such amendment bears recitation that it is recorded based on such technical error or the requirements of any of the foregoing agencies, such amendment shall not require approval of any Owners or Mortgagees.

c) Consent of the Owners. The affirmative vote of at least sixty seven percent (67%) of the Owners shall be required and shall be sufficient to amend the Declaration or the Plat Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained; and

d) Protection of Declarant Rights. An amendment shall not terminate or decrease any unexpired development right, or Period of Declarant Control unless the Declarant approves or consents in writing.

e) Execution of Amendments. An amendment or revocation which only requires the execution of an instrument by Declarant as hereinabove provided shall be effective when executed by Declarant and when recorded in the office of the County Recorder of Utah County, Utah. An amendment which requires the affirmative written assent or vote of the Owners as hereinabove provided shall be effective when executed by the President and Secretary of the Association who shall certify that the amendment has been so approved and the Declarant if the Declarant's consent is also required, and when the amendment has been recorded in the office of the County Recorder of Utah County, Utah.

f) Consent of Eligible Mortgagee. The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project; and the consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Plat Map which establishes, provides for, governs, or regulates any of the following: (1) voting rights; (2) increases in assessments that raise the previously assessed amount by more than 25%, assessment liens, or the priority of assessment liens; (3) reductions in reserves for maintenance, repair, and replacement of the Common elements;

(4) insurance or fidelity bonds; (5) limitations and restrictions on the right to use of the Common Areas; (6) responsibility for maintenance and repairs; (7) expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project; (8) the boundaries of any Lot; (9) the percentages of ownership interest in the Common Areas; (10) convertibility of a Lot into Common Areas or Common Area into a Lot; (11) the imposition of any right of first refusal or similar restriction on the right of an Owner to sell, transfer, or otherwise convey his Lot; (12) express benefits or rights of Mortgagees, Eligible Mortgagees, or Eligible Insurers or Guarantors; and (13) the requirement that the Project be professionally managed rather than self managed. Any addition or amendment shall not be considered material for purposes of this Paragraph b) if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Plat Map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Map or the termination of the legal status of the Project. If such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

32. Declarant's Sales Program. Anything to the contrary notwithstanding, until Declarant has sold all Units owned by it, or the expiration of seven (7) years following the date on which the Declaration is filed for record in the Office of the Utah County Recorder, whichever first occurs, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay his portion of the Common Expenses or other Assessments, except as herein otherwise provided. Neither the Owners, the Association, nor the Management Committee shall interfere with the completion of improvements and sale of Declarant's Units, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant:

a) Sales Office and Model Units. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Units at any one time. Such office and/or models may be one or more of the Units owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property.

c) Common Area Use. Declarant shall have the right to use the Common Areas of the Project including but not limited to the right to use the Clubhouse as a sales office and in any other way necessary to facilitate sales.

d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in

connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the Event, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

33. Limitation on Improvements by Association. Until such time as the earlier of the following events occur: (a) all of the Additional Land has been added and the Declarant has sold or rented all of the Units, or (b) seven (7) years after the date of the sale of the first Unit in Phase I, or (c) such time as Declarant chooses, neither the Association nor the Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

34. Completion Obligation. Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

a) Units. Each Unit which an Owner has contracted to purchase, the Building within which such Unit is contained or is to be contained, and the appurtenant Limited Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be); and

b) Common Area. There shall be substantially completed and usable as part of the Common Areas all planned landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, and utility lines and conduits adjacent to the Unit or Building in which a Unit is located, and necessary for its use.

35. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

36. Mortgagee Approval. Until the termination of the Period of Declarant's Control, the Declarant shall not annex additional properties or amend the Declaration without the prior written consent (where appropriate) of the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA).

37. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select the Members of the Committee and may elect to transfer the management of the Project to a Committee elected by the Owners. Upon the termination

of the Period of Declarant's Control, or sooner if the Declarant so elects, Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of the Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Committee.

38. Working Capital Fund. A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Assessments for each Unit. Each Unit's share of the working capital fund shall be collected and transferred to the Management Committee at the time of closing of the sale of each Unit by Declarant. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Unit shall be paid to the Management Committee at the time such Unit is first occupied for residential purposes or a certificate of permanent occupancy is issued, whichever first occurs. With respect to each Unit for which the Declarant pays the contribution to the working capital fund, the Declarant shall be reimbursed for such contribution by the buyer of such Unit at the time of closing. The purpose of the working capital fund is to insure that the Management Committee will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses.

39. Separate Taxation. Each Unit and its percentage of undivided interest in the Common Areas and Facilities shall be considered to be a parcel and shall be subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither the Building or Buildings, the property nor any of the Common Areas and Facilities may be considered a parcel for tax purposes.

40. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof. In the event of any conflict, inconsistency, or incongruity between the provisions of this Declaration and the provisions of the restrictive covenants for the Harvest Hills subdivision, the latter shall in all respects govern and control.

41. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of this Declaration and

the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Unit in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

42. Enforcement and Right to Recover Attorney's Fees. Should the Association or Committee be required to take action to enforce the Declaration, By-Laws or any administrative rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorney's fee, which may arise or accrue.

43. Agent for Service of Process. The President of the Association is the person to receive service of process in the cases authorized by the Act and the office. The initial Registered Agent is Wayne H. Corbridge and the initial office of the Registered Agent is 758 South 400 East, #203, Orem, Utah 84097.

44. Master Association. Every person or entity who is a record owner of a fee or undivided fee interest in any Unit which is subject by covenants of record to assessment by the Association, shall also be a member of the Master Association. Such membership shall be subject to the terms and provisions of the Master Declaration and the Master Association Documents. Membership in the Master Association shall be appurtenant to and may not be separated from the ownership of any Unit. Ownership of such Unit shall be the sole qualification for membership in the Master Association. Membership in the Master Association shall be subject to the same provisions and limitations as to delegation and transfer as apply to Membership in the Association. In addition:

a. Voting Rights in Master Association. The voting rights of Owners in the Master Association shall be controlled and voted by the Association as determined by the Management Committee. The Association shall have one vote in the Master Association for each Unit in the Project; and

b. Easement of Enjoyment of Master Association Property and Master Association Limited Use Property. Every Member shall have a right and easement of enjoyment in and to any Master Association Property and any Master Association Limited Use Property as those terms are defined in the Master Declaration. Such easement shall be appurtenant to and shall pass with the title to every Unit, subject to the provisions of the Master Declaration and the Master Association Documents.

45. Expansion of the Project.

a) Reservation of Option to Expand. Declarant hereby reserves the option to expand the Project to include additional Units in the Project. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire seven (7) years from the date following the first conveyance of a Unit in Phase I to a Unit purchaser unless sooner terminated by Declarant's recorded Waiver of such

option, there being no other circumstances which will cause the option to expire prior to said seven (7) years. Such right may be exercised without first obtaining the consent or vote of Unit Owners and shall be limited only as herein specifically provided. Such Units shall be constructed on any or all portions of the Additional Property. The option to expand is subject to the provisions of Article I, Paragraph 32 hereof as to the parameters of the Period of Declarant's control.

b) Supplemental Declarations and Supplemental Maps. Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Utah County, Utah, no later than seven (7) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Units, together with supplemental Map or Maps containing the same information with respect to the new Units as was required on the Map with respect to the Phase I Units. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

c) Expansion of Definitions. In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Project as so expanded. The term "Property" shall mean the real property initially submitted under the Declaration, plus any Additional Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Units after such expansion shall be effective to transfer rights in the Project, with additional references to the Supplemental Declaration and the Supplemental Map. The recordation in the office of the Utah County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to then Owners of Units in the Project as it existed before such expansion the respective undivided interests in the new Common Areas added to the Project as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Unit in the Project as it existed, interest so acquired by the Owner of the Unit encumbering the new Common Areas added to the Project as a result of such expansion.

d) Declaration Operative on New Units. The new Units shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Units therein shall be subject to condominium ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the Utah County Recorder.

e) Right of Declarant to Adjust Ownership Interest in Common Areas. Each deed of a Unit shall be deemed to irrevocably reserve to the Declarant the power to appoint to Unit Owners, from time to time, the percentages in the Common Areas set forth in Supplemental or Declaration. The proportionate interest of each Unit Owner in the Common Areas after any expansion of the Project shall be an undivided interest of the Project as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental or Declarations recorded pursuant hereto and each deed of a Unit in the Project shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Units may contain clauses designed to accomplish a shifting of the Common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid

shifting of the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Areas may be effected more than seven (7) years after the effective date of the Declaration.

Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Project conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

f) Other Provisions Concerning Expansion. If the Project is expanded as hereinbefore contained, then it is further provided that:

(1) All or any part of the Additional Land may be added to the Project without any limitations whatsoever save and except that all additional Units created must be restricted to multi family residential housing limited to one family per Unit.

(2) Portions of the Additional Land may be added to the Project at different times without any limitations.

(3) Declarant shall have the right without further conveyance or documentation to build roads and access ways to the Additional Property through the easement areas as shown on the Map. The Association of Unit Owners shall not allow anything to be built upon or interfere with said easement areas.

(4) No assurances are made concerning:

a. The locations of any improvement that may be made on any portion of the Additional Land that may be added to the Project.

b. Type, kind or nature of improvement which may be created on any portion of the Additional Land, except that the common facilities, Buildings and Units will be comparable to the Phase I facilities on a per Unit basis and will be of a similar quality of materials and construction to Phase I and will be substantially completed prior to annexation.

c. Whether any Units created on any portion of the Additional Land will be substantially identical to those within the initial Project except that Units will be constructed of an equal or better quality of materials and construction than the Units in Phase I.

d. Type, size, or maximum number of Limited Common Areas which may be created within any portion of the Additional Land added to the Project.

(5) Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to: (i) the submission of any portion of the Additional Land to the provisions of the Act as Land under this Declaration; (ii) the creation, construction, or addition to the Project of any additional property; (iii) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or (iv) the taking of any particular action with respect to the Additional Land, the Project, or any Land.

(6) Assuming that only Phase 1 of the Project is completed, the minimum number of Units would be twelve (12) and the maximum percentage of ownership interest of each Unit would be 8.33%. Assuming all Phases in the Project are completed and all of the Additional Land is added to the Project (a) the maximum number of Units would be one hundred and eight (108); (b) there would be 10.73 acres approximately; (c) the maximum number of units per net acre would be about 0.09935; and (d) the minimum Percentage Interest of each Unit would be 0.9259%. Provided, however, the number of Units actually constructed and the actual undivided percentage of ownership interest of each Unit may actually be somewhere in between the numbers and percentages set forth above.

g) General Liability Insurance Policy for Expansion of Project. Pursuant to Title 38, CFR § 36.4360 (a) (5), which is incorporated herein by this reference, the Declarant shall purchase at its own expense and maintain a general liability insurance policy in the sum of not less than \$1 million to cover any liability which owners of previously sold units are exposed to as a consequence of further and future expansion of the project pursuant hereto.

46. Combination of Units. An owner of two or more adjoining units shall have the right upon approval of the management committee and the mortgagees of said units, to combine one or

more adjoining units or portions thereof and to alter or amend the declaration and map to reflect such combination.

a) Such amendments may be accomplished by the unit owner recording an amendment or amendments to this declaration, together with an amended map or maps containing the same information with respect to the altered units as required in the initial declaration and map with respect to the initial units. All costs and expenses required in such amendments shall be borne by the unit owner desiring such combination.

b) All such amendments to the declaration and map must be approved by attorneys employed by the management committee to insure the continuing legality of the declaration and the map. The cost of such review by the attorneys shall be borne by the person wishing to combine the units.

c) Any amendments of the declaration or map pursuant to this paragraph 20 shall reflect the changes occasioned by the alteration. Such changes shall include a change in the percentage of undivided interest in the common areas and facilities which are appurtenant to the units involved in the alterations. The remaining combined unit, if two or more units are totally combined, will acquire the total of the percentage of undivided interest in the common areas and facilities appurtenant to the units that are combined as set forth in Exhibit B. If a portion of one unit is combined with another, the resulting units shall acquire a proportionate percentage of the total undivided interest in the common areas and facilities of the units involved in the combination on the basis of area remaining in the respective, combined units. The percentage of undivided interest in the common areas and facilities appurtenant to all other units shall not be changed. All such amendments must, in all instances, be consented to by the management committee and also all other persons holding interest in the units affected. The consent of other unit owners need not be obtained to make such amendments or alterations valid, providing the percentages of undivided interest in the common areas and facilities of the other unit owners remain unchanged.

47. Fines. Each Owner and Resident is responsible for adhering to the Project Documents governing the Project. Pursuant to U.C.A., §57-8-37 (2001), a breach of these restrictive covenants and rules is subject to enforcement pursuant to the declaration and may include the imposition of a fine. Each Owner is also accountable and responsible for the behavior of his or her residents, tenants and/or guests. Fines levied against residents, tenants, and guests are the responsibility of the Owner. The Management Committee shall react to each material violation in the following manner:

a. Fines imposed are final unless appealed in writing to the Management Committee within thirty (30) days of written notification of the violation. If a request for a hearing is not submitted to the Management Committee within thirty (30) days, the right to a hearing is waived, and the fine imposed will stand. A request for a hearing to appeal should be sent in writing to the Manager or Secretary of the Association.

b. Before assessing a fine under Subsection (a), the Management Committee shall give notice to the homeowner of the violation and inform the owner that the fine will be imposed if the violation is not cured within the time provided in the declaration, bylaws, or rules, which shall

be at least forty-eight (48) hours.

c. A fine assessed under Subsection (a) shall:

- (1) be made only for a violation of a restrictive covenant, rule or regulation;
- (2) be in the amount specifically provided for in the declaration, bylaws, or association rules for that specific type of violation, not to exceed \$500.00; and
- (3) accrue interest and late fees as provided in the declaration, bylaws, or association rules.

d. Cumulative fines for a continuing violation may not exceed \$500.00 per month.

e. An Owner who is assessed a fine under Subsection (a) may request an informal hearing to protest or dispute the fine within thirty (30) days from the date the fine is assessed. The hearing shall be conducted in accordance with standards of due process adopted by the Management Committee. No finance charge, default interest, or late fees may accrue until after the hearing has been conducted and a final decision has been rendered.

f. An Owner may appeal a fine issued under Subsection (a) by initiating a civil action within one hundred and eighty (180) days after:

- (1) A hearing has been held and a final decision has been rendered by the management committee under Subsection (e); or
- (2) The time to request an informal hearing under Subsection (e) has expired without Owner making such a request.

g. A fine assessed under Subsection (a) which remains unpaid after the time for appeal has expired becomes a lien against the Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of common expenses under Section 25(c) above.

48. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Survey Map shall take effect upon its being filed for record in the office of the County Recorder of Utah County, Utah.

Executed the day and year first above written.

EXHIBIT "D"
BY-LAWS

The following are the By Laws of the DAYBREAK HOMEOWNERS ASSOCIATION.

ARTICLE I
PLAN OF UNIT OWNERSHIP AND INCORPORATION

1. Submission. These are the By-Laws referred to in the foregoing Declaration of Condominium of DAYBREAK AT HARVEST HILLS (the "Declaration"), which is located in Utah County, State of Utah. These By Laws shall govern the administration of the Project and the Association.

2. Organizational Form. If the Association is incorporated under the laws of the State of Utah, then these By-Laws shall also function and operate as the by-laws of the corporation.

3. Office and Registered Agent. The initial Registered Agent shall be Wayne H. Corbridge of 758 South 400 East, Orem, Utah 84097. However, after transfer of management and control of the Association is made by the Declarant to the members of the Association, the Registered Agent shall be the President of the Association and the Registered Office shall be the home of the President or such other place as shall be designated by him.

ARTICLE II
ASSOCIATION

1. Composition. The association of unit owners is a mandatory association consisting of all Owners.

2. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place as may be designated by the Management Committee from time to time and stated in the notice of meeting.

3. Notice of Meeting. It shall be the duty of the Secretary to hand deliver or mail to each owner at his last known address, by regular U.S. mail postage prepaid, a notice of (a) each annual meeting of the Association not less than ten (10) and not more than thirty (30) days in advance of such meeting. The notice shall state the purpose, day, date, time and place of the meetings. The mailing of a notice of meeting in the manner provided in this Section shall be considered service of notice.

4. Qualified Voters. An Owner shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Association if he is in full compliance with all of the terms, covenants, and conditions of the Project Documents, and shall have fully paid his share of the Common Expenses and all Assessments and/or Additional Charges due.

5. Delegate Voting for Master Association. Unless the Management Committee determines otherwise, the President shall be the Voting Delegate for the Master Association and the Vice President shall be the Alternate Delegate to the Master Association. The Management Committee may designate an officer or member of the Management Committee other than the President and Vice President to serve as the Voting Delegate and Alternative Delegate to the Master Association. A special meeting of the Members of the Association may be called for the purpose of obtaining instructions from such Members as to the manner Delegate shall vote on a Master Association matter. If a special meeting is called for the purpose of deciding how the Delegate shall vote, the vote of a majority of all of the Members represented at the meeting, in person or by proxy, shall control the Delegate's vote on that matter.

6. Proxies. The votes appertaining to any Unit may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Unit Owner, or in cases where the Owner is more than one person, by or on behalf of all such persons. Any proxy shall be void if it is not dated, if it purports to be revocable without notice, or if it is not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Unless it expressly states otherwise, a proxy shall terminate automatically (a) if the Owner attends the meeting in person, (b) it is revoked in writing and written notice of the revocation is given to the Secretary of the Association prior to the meeting, and (c) upon the adjournment of the first meeting held on or after the date of that proxy. Each proxy must be filed with the Secretary of the Association prior to the meeting. Only individual Owners or the legal representative of an institutional Owner may be proxies.

7. Quorum Voting. Fifty-one (51.0%) percent of the members of the Association shall constitute a quorum for the adoption of decisions. If however, such quorum shall not be present or represented at any meeting, the Owners entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting and reschedule for a time no earlier than two days after the set time for the original meeting. No notice of such rescheduled meeting shall be required except an oral announcement at the meeting to be rescheduled. Those Owners present, either in person or by proxy, at the rescheduled meeting shall constitute a quorum for the adoption of decisions. When a quorum is present at any meeting, the vote of the Owners representing a majority of the members of the Association in person or by proxy, shall decide any question brought before the meeting. If the Declaration requires a fixed percentage of Owners to approve any action, however, that percentage shall be required anything to the contrary notwithstanding.

8. Order of Business. The order of business at all meetings of the Association shall be as follows:

- a. Roll call;
- b. Proof of notice of meeting;
- c. Reading of minutes of proceeding meeting;
- d. Reports of officers;
- e. Report of special committees, if any;
- f. Election of inspectors of election, if applicable;
- g. Election of Committee Members, if applicable;

- h. Unfinished business; and
- i. New business.

9. Conduct of Meeting. The President shall, or in his absence the Vice-President, preside over all meetings of the Association; and the Secretary shall keep the minutes of the meeting as well as record of all transactions occurring thereat.

10. Open Meeting Policy. All Management Committee meetings shall be open to all voting members, but attendees other than members of the Management Committee may not participate in any discussion or deliberation unless a majority of a quorum requests that they be granted permission to speak. In such case, the President may limit the time any such individual may speak.

11. Action May Be Taken Without A Meeting. Any action to be taken at the meeting of the Management Committee or any action that be taken at a meeting of the Management Committee may be taken without a meeting if a consent in writing, setting for the action so taken, shall be signed by all the members of the Management Committee. An explanation of the action taken shall be posted at a prominent place or places within the common areas with three (3) days after the written consents of all of the members of the Management Committee have been obtained.

12. Executive Session. The Management Committee, with approval of a majority of a quorum, may adjourn a meeting and reconvene an executive session to discuss and vote upon personnel matters, litigation or threatened litigation in which the Association is or may become involved, and orders of business of a privileged, confidential, sensitive or similar nature. The nature of any and all business to be considered in an executive session shall first be announced in open session.

ARTICLE III MANAGEMENT COMMITTEE

1. Powers and Duties. The affairs and business of the Association shall be managed by the Management Committee consisting of three (3) or more Unit Owners. The Management Committee shall have all of the powers and duties necessary for the administration of the affairs of the Association in accordance with the provisions of the Declaration and may do all such acts and things necessary to operate and maintain the Project. The Committee shall have the power from time to time to adopt any Rules and Regulations deemed proper for the exercise of its management powers. The Committee may delegate its authority to a manager or managers. Subject to any limitations or provisions contained in the Declaration, the Committee shall be responsible for at least the following:

a) Preparation of an annual budget, in which there shall be established each Owner's share of the Common Expenses.

b) Establishing the Assessment of each Owner, the means and methods of collecting Assessments from the Owners, and the method of payment. Unless otherwise determined by the Committee, each Owner's common area fee may be payable in equal monthly installments, due and payable in advance on the first day of each month of each year. However, in the event an Owner

fails to make an installment payment in a timely manner or the Association deems itself insecure, then the entire annual Assessment may be accelerated by the Committee and shall thereafter be automatically due and payable without further notice. The Committee may subsequently elect to de-accelerate the obligation in whole or in part.

c) Providing for the operation, care, upkeep, replacement, maintenance, and regulation of the entire Common Areas and Facilities.

d) Designating, hiring, and dismissing the personnel necessary to operate and maintain the Project.

e) Collecting and depositing the Assessments.

f) Making, amending, and enforcing the Rules and Regulations.

g) Opening and closing of bank accounts for and in behalf of the Association, and designating the signatories required therefor.

h) Making, or contracting for the making of, repairs, additions, and improvements to, or alterations of, the Property and repairs to, and restoration of, the Property, in accordance with the Declaration and other provisions of the By-Laws, after damage or destruction by fire or other casualty.

i) Enforcing by legal means the Project Documents.

j) Purchasing and maintaining insurance.

k) Paying the cost of all services rendered to the Project and not billed directly to Owners or individual Units.

l) Keeping books and records with detailed accounts of the receipts and expenditures affecting the Property, and the administration of the Project, specifying the maintenance and repair expenses of the Common Areas and any other expenses incurred. Said documents, books, financial statements, and vouchers accrediting the entries thereupon shall be available for examination by the Owners, their duly authorized agents or attorneys, during general business hours on working days at the times and in the manner that shall be set and announced by the Committee for the general knowledge of the Owners. All books and records shall be kept in accordance with generally accepted accounting practices, and the same, upon a resolution approved by a majority of the Members of the Association, shall be formally Audited by an outside auditor employed by the Committee who shall not be a resident of the Project or an Owner therein. The cost of such Audit shall be a Common Expense. Copies of books and records, financial statements, reports, compilations, and Audits shall be supplied to any first mortgagee of any Unit in the Project who requests the same in writing from the Secretary. A mortgage holder, at its expense, may have an Audited financial statement prepared at any time.

m) Providing, where necessary, all water, electricity, and other necessary utility services for the Common Areas and such services to the Units, including but not limited to heating, as are not separately metered or charged to the Owners.

n) Paying any amount necessary to discharge any mechanic's or materialmen's lien or other encumbrance levied against the Property, or any part thereof, which may in the opinion of the Committee constitute a lien against the Property or against the Common Areas, rather than merely against the particular Unit. When one or more Owners are responsible for the existence of such a lien, they shall be jointly and severally liable for the cost of discharging it and any costs incurred by the Committee by reason of said lien or liens shall be specially assessed to said Owners and shall, until paid by said Owners, constitute a lien on the interest of said Owners in the Property which lien may be perfected and foreclosed in the manner provided in the Declaration.

o) Making emergency repairs.

p) At the sole expense and risk of the owner, impounding, immobilizing, towing or otherwise removing any motor vehicle parked, stored or standing in violation of the parking rules and regulations or in an unauthorized area.

q) Evicting non-Owner residents in material violation of the Project Documents.

r) Assigning or leasing overflow parking spaces to residents.

s) Establishing and collecting user fees.

t) Doing such other things and acts necessary to accomplish the foregoing and not inconsistent with the Declaration or By-Laws, or to do anything required by a proper resolution of the Management Committee or Association.

2. Composition of Management Committee. The Management Committee shall be composed of three (3) or more members.

3. Election and Term of Office of the Committee. The term of office of membership on the Management Committee shall be two (2) years. At the expiration of the member's term, a successor shall be elected.

4. First Meeting. The first meeting of the members of the Management Committee shall be immediately following the annual meeting of the Association or at such other time and place designated by the Committee.

5. Regular Meetings. Regular meetings of the Management Committee shall be held from time to time and at such time and place as shall be determined by a majority of the members of the Committee, but no less often than monthly.

6. Special Meetings. Special meetings of the Management Committee may be called by the President, Vice President or a majority of the members on at least forty-eight (48) hours' prior notice to each member. Such notice shall be given personally, by regular U.S. Mail postage prepaid, or by telephone, and such notice shall state the time, place and purpose of the meeting. Any meeting attended by all members of the Committee shall be valid for any and all purposes.

7. Waiver of Notice. Before or at any meeting of the Management Committee, any member may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member at any meeting of the Committee shall constitute a waiver of notice. If all the members are present at any meeting of the Committee, no notice shall be required and any business may be transacted at such meeting.

8. Committee's Quorum. At all meetings of the Management Committee, a majority of the members then in office shall constitute a quorum for the transaction of business, and the acts of the majority of all the Committee members present at a meeting at which a quorum is present shall be deemed to be the acts of the Committee. If, at any meeting of the Committee, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time but for no longer than two days. At any such rescheduled meeting, any business, which might have been transacted at the meeting as originally called, may be transacted without further notice.

9. Vacancies. Vacancies in the Management Committee caused by any reason other than removal of a member by a vote of the Association shall be filled by vote of the majority of the remaining members of the Committee at a special meeting of the Committee held for that purpose promptly after the occurrence of any such vacancy, even though the total members remaining may constitute less than a quorum of the committee; and each person so elected shall be a member for the remainder of the term of the member so replaced. A vacancy created by the removal of a member by a vote of the Association shall be filled by the election and vote of the Association.

10. Removal of Committee Member. A member of the Management Committee may be removed with or without cause, and his successor elected, at any duly called regular or special meeting of the Association at which a quorum of the Association is present, by an affirmative vote of a majority of the members of the Association. Any member whose removal has been proposed by the Owners shall be given at least thirty days notice of the calling of the meeting and the purpose thereof and an opportunity to be heard at the meeting. Any Committee Member who misses twenty-five percent (25%) or more of the Committee Meetings or who misses three (3) consecutive meetings, in any calendar year, shall be automatically removed from the Committee.

11. Conduct of Meetings. The President shall preside over all meetings of the Committee and the Secretary shall keep a Minute Book of the Committee recording therein all resolutions adopted by the Committee and a record of all transactions and proceedings occurring at such meetings.

12. Report of Committee. The Committee shall present at each annual meeting, and when

ARTICLE IV OFFICERS

1. Designation. The principal officers of the Association shall be a President, a Vice-President, a Secretary and a Treasurer, all of whom shall be elected by the Committee. The Committee may appoint assistant secretaries and such other officers as in its judgment may be necessary. The President, Secretary and Treasurer must be members of the Committee. The same person may hold two or more offices, except that the President shall not hold any other office.

2. Election of Officers. Any vacancy in an office shall be filled by the Committee at a regular meeting or special meeting called for such purpose.

The President shall be the chief executive officer; he shall preside at meetings of the Association and the Committee shall be an ex officio member of all committees; he shall have general and active management of the business of the Committee and shall see that all orders and resolutions of the Committee are carried into effect. He shall have all of the general powers and duties that are usually vested in or incident to the use of president of a corporation organized under the laws of the State of Utah.

5. Vice-President. The Vice-President shall, in the absence or disability of the President, perform the duties and exercise the powers of the President, and shall perform such other duties as the Committee or the President shall prescribe. If neither the President nor the Vice President is able to act, the Committee shall appoint a member of the Committee to do so on an interim basis.

The secretary shall attend all meetings of the Committee and all meetings of the Association and record all votes and the minutes of all proceedings in a book to be kept by him for that purpose and shall perform like duties for committees when required. He shall disburse funds as ordered by the Committee, taking proper vouchers for such disbursements, and shall render to the President and members, at the regular meetings of the Committee, or whenever they may require it, an account of all his transactions as Treasurer and of the financial condition of the Project.

ARTICLE V FISCAL YEAR

The fiscal year of the Association shall be the calendar year consisting of the twelve (12) month period commencing on March 1 of each year terminating on December 31 of the same year. The fiscal year herein established shall be subject to change by the Committee should it be deemed advisable or in the best interests of the Association.

ARTICLE VI INVESTMENT OF COMMON FUNDS

Common funds may only be deposited into institutions that are federally insured.

ARTICLE VII AMENDMENT TO BY-LAWS

1. Amendments. These By-Laws may be modified or amended either (a) by the affirmative vote of a majority of the members of the Association or (b) pursuant to a written instrument of consent duly executed by a majority of the members of the Association; provided, however, all of the written consents must be obtained within a ninety (90) day period and, so long as Declarant is in control of the owner's association, must be approved in writing by the Department of Veterans Affairs (VA) pursuant to CFR, Title 38, § 36.4357(b)(4) and, if any financing or the guaranty of any financing of a Unit is provided by the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), by such agencies.

ARTICLE VIII NOTICE

1. Manner of Notice. All notices, demands, bills, statements, or other communications provided for or required under these By-Laws (except as to notices of Association meetings which were previously addressed in Article II of these By-Laws) shall be in writing and shall be deemed to have been duly given if delivered personally or sent by regular U.S. Mail postage pre-paid, a) if to an Owner, at the address of his Unit and at such other address as the Owner may have designated by notice in writing to the Secretary; or b) if to the Committee or the Manager, at the principal office of the Manager or at such other address as shall be designated by notice in writing to the Owners pursuant to this Section.

2. Waiver of Notice. Whenever any notice is required to be given under the provisions of the statutes, the Declaration, or of these By-Laws, a waiver thereof, in writing, signed by the person or persons entitled to such notice, whether signed before or after the time stated therein, shall be deemed equivalent thereto, unless such waiver is ineffective under the provisions of the Declaration.

ARTICLE IX

FINES

1. Responsibility: Each Unit Owner and resident is responsible for adhering to the Project Documents, including all administrative and house rules. A breach of the Project Documents is subject to enforcement that may include the imposition of a fine. Each Unit Owner is also accountable and responsible for the behavior of the residents of his Unit, including all renters and guests. Fines levied against residents, tenants, and guest are the responsibility of the Unit Owner. The Board of Directors has instructed management to react to each violation in the following manner:

2. Imposition of Fines. Fines imposed are final unless appealed in writing to the Management Committee within thirty (30) days of written notification of the violation from management. If a request for a hearing is not submitted to the Management Committee within thirty (30) days, the right to a hearing is waived, and the fine imposed will stand. A request for a hearing to appeal should be sent in writing to the Secretary of the Association or the Manager.

3. Notice of Intent to Impose Fine. Before assessing a fine under Subsection (1), the Management Committee shall give notice to the Unit Owner and/or resident of the violation and inform the Owner that the fine will be imposed if the violation is not cured within the time provided in the declaration, bylaws, or rules, which shall be at least forty-eight (48) hours.

4. Conditions.

(a) A fine assessed under Subsection (1) shall:

(1) be made only for a violation of provision in the Project Documents, including without limitation all Rules and Regulations;

(2) be in the amount specifically provided for in the Project Documents,

including without limitation the Rules and Regulations for that specific type of violation, not to exceed \$500.00; and

(3) accrue interest at the rate of 1.5% per month and a late fee of \$25.00.

(b) Cumulative fines for a continuing violation may not exceed \$500.00 per month.

5. Hearing. A Unit Owner who is assessed a fine under Subsection (1) may request an informal hearing to protest or dispute the fine within thirty (30) days from the date the fine is assessed. The hearing shall be conducted in accordance with the standards provided in the Project Documents, including without limitation the Rules and Regulations. No default interest or late fees may accrue until after the hearing has been conducted and a final decision has been rendered.

6. Civil Action. A unit owner may appeal a fine issued under Subsection (1) by initiating a civil action within one hundred and eighty (180) days after:

(a) a hearing has been held and a final decision has been rendered by the Management Committee; or

(b) the time to request an informal hearing has expired without the unit owner making such a request.

7. Lien. A fine assessed under Subsection (1) which remains unpaid after the time for appeal has expired becomes a lien against the Unit Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of common expenses under U.C.A., Section 57-8-20 (1963).
