ARTICLE III Membership and Voting Rights

Section 1. **Membership.** Every owner is a member of the Association. The term "Owner" includes contract purchasers but does not include persons who hold an interest merely as security for the performance of an obligation unless and until title is acquired by foreclosure or similar proceedings. Membership is appurtenant to

Section 2. **Voting Rights.** The Association has two classes of voting membership:

CLASS A. Class A members are all members with the exception of the Declarant, as defined in the Declaration. Class A members are entitled to one vote for each lot owned. When more than one person holds an interest in any lot, the group of such persons shall be a member. The vote for such lot shall be exercised as they among themselves determine but in no event shall more than one vote be cast with respect to any lot. A vote cast at any association meeting by any of such co-owners, whether in person or by proxy, is conclusively presumed to be the vote attributable to the lot concerned unless written objection is made prior to that meeting, or verbal objection is made at that meeting, by another co-owner of the same lot. In the event an objection is made, the vote involved shall not be counted for any purpose except to determine whether a quorum exists;

CLASS B. The Class B member is the Declarant. The Class B member is entitled to five (5) votes for each lot owned. The Class B membership will cease and be converted to Class A membership on the happening of one of the following events, whichever occurs earlier:

- (a) upon conveyance of thirty-three (33) lots subject to the Declaration to purchasers; or
- (b) the expiration of seven (7) years from the first lot conveyance to a purchaser; or
- (c) the surrender of Class B membership status by the express written action of the Declarant in the case of expansion (as provided under the Declaration) which occurs while the Declarant has Class B membership, the Declarant's memberships appurtenant to the lots in the expansion area shall be Class B memberships.

ARTICLE IV Finances and Operations

Section 1. **Creation of the Lien and Personal Obligation of Assessments.** The Declarant and each subsequent owner of any lot by acceptance of a deed thereof, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided; (3) any other amount or assessment levied or charged by the Association or Board of Trustees pursuant to this Declaration, and; (4) interest, costs of collection and a reasonable attorney's fees as hereinafter provided. All such amounts shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment or amount is charged. Such assessments and other amounts shall be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. Successors in title shall not be personally liable for assessments delinquent at the time they took title unless that obligation is expressly assumed by them.

Section 2. **Purpose of Assessments.** The assessments levied by the Association shall be used (a) for the purpose of promoting the recreation, health, safety and welfare of the residents of the properties and (b) for the improvement and maintenance of properties, services, and facilities devoted to this purpose. The assessments must provide for but are not limited to the payment of the cost of repairing, replacing, maintaining and constructing or acquiring additions to the common and limited common areas; the payment of administrative expenses of the Association; insurance deductible amounts, the establishment of a reserve account for repair, maintenance and replacement of the common and limited common areas which must be replaced on a periodic basis, and other amounts required by this Declaration or that the Trustees shall determine to be necessary to meet the primary purposes of the Association. The assessments may provide, at the discretion of the Trustees, for the payment of other charges including, without limitation, maintenance, management, utility, cable television, trash collection, sewer and water charges.

Section 3. **Maximum Annual Assessment.** Until January 1 following recording of this Declaration, the maximum annual assessment shall be Five Hundred Twenty Dollars, (\$520.00) per lot. This amount shall be the basis of calculation for future maximum annual assessments.

- (a) From and after the date referred to above the maximum annual assessment for the previous year, without a vote of the membership.
- (b) The Association may change the basis and maximum of the assessments fixed by this Section prospectively for any annual period provided that any such change shall have the assent of sixty-seven percent (67%) of the votes of each class of members, voting in person or by proxy at a meeting duly called for this purpose.

Section 4. **Special Assessments for Capital Improvements.** In addition to the annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only. Special assessments may only be levied to defray, in whole or in part, the cost of any construction, reconstruction, repair or replacement of common or limited common area structures, fixtures and personal property related thereto. Special assessments must have the assent of sixty-seven percent (67%) of the votes of each class of the members authorized to vote, in person or by proxy, at a meeting duly called for this purpose.

Section 5. **Additional Assessments.** In addition to the annual assessments and special assessments for capital improvements authorized herein, the Association shall levy such additional assessments as may be necessary from time to time for the purpose of repairing and restoring the damage or disruption resulting to streets or other common or limited common areas from the activities of the City of St. George in maintaining, repairing or replacing the City's utility lines and facilities thereon. It is acknowledged that the ownership of said utility lines, underground or otherwise is in the City up to and including the meters for individual units, and that they are installed and shall be maintained to City specifications.

Section 6. **Notice and Quorum for Any Action Authorized Under Sections 3, 4 and 5.** Written notice of any meeting or members called for the purpose of taking any action authorized under Sections 3, 4 or 5 shall be sent to all members at least thirty (30) days in advance of said meeting. At the first meeting called, the presentment of the meeting of members, or of proxies, entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the quorum requirement is not met at such a meeting, another meeting may be called on at least thirty (30) days advance written notice, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. **Uniform Rate of Assessment; Periodic Assessment.** Both annual and special assessments must be fixed at a uniform rate for all lots; provided, however, that assessments shall not accrue against the Declarant so long as the Declarant has Class B membership on the condition that the Declarant shall fund any fiscal deficiency in the operations of the Association until the termination of Class B membership. This method of determining the assessments, dues and changes may not be changed without the prior written approval of all first mortgagees. Annual, special and additional assessments may be collected on a monthly or quarterly basis, as the Trustees determine.

Section 8. **Date of Commencement of Annual Assessments; Due Dates.** The annual assessment provided for herein shall commence to accrue on the first day of the month following conveyance of the common area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. In the absence of a determination by the Trustees as to the amount of said assessment, the first annual assessment shall be an amount equal to ninety percent (90%) of the maximum annual assessment provided above. At least thirty (30) days prior to the commencement of each new assessment period, the Trustees shall send or cause to be sent a written notice of the annual assessment to each owner subject thereto. Receipt of notice shall not be a pre-requisite to validity of the assessment. The assessment due dates shall be established by the Trustees. The Trustees may provide for the payment of annual and special assessments in equal installments throughout the assessment year. The Trustees shall prepare a roster of the properties and the assessments applicable thereto at the same time that it shall fix the amount of the annual assessment, which roster shall be kept by the Treasurer of the Association, who shall record payments of assessments and shall allow inspection of the roster by any member at

reasonable times. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified lot has been paid. Such certificates, when properly issued, shall be conclusive evidence of the payment of any assessment or fractional part thereof which is therein shown to have been paid.

Section 9. Effect of Non-Payment of Assessment - Remedies of the Association. Any assessment or installment thereof not paid within thirty (30) days after the due date therefore shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Trustees shall determine appropriate) until paid. In addition, the Trustees may assess a late fee for each delinquent installment which shall not exceed ten percent (10%) of the installment. The Trustees may, in the name of the Association, (a) bring an action at law against the owner personally obligated to pay any such delinquent assessment without waiving the lien of assessment, or (b) may foreclose the lien against the property in accordance with the laws of the State of Utah applicable to the exercise of powers of sale in deeds of trust or to the foreclosure of mortgages, or in any other manner permitted by law, and/or (c) may restrict, limit, or totally terminate any or all services performed by the Association in behalf of the delinquent member. There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and a reasonable attorney's fee, together with an account for the reasonable rental for the lot from time to time of commencement of the foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of other security. A power of sale is hereby conferred upon the Association which it may exercise. Under the power of sale the lot of an owner may be sold in the manner provided by Utah law pertaining to deeds of trust as if said Association were beneficiary under a deed of trust. The Association may designate any person or entity qualified by law to serve as Trustee for purposes of power of sale foreclosure. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or by abandonment of his lot.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an institutional lender if the mortgage was recorded prior to the date the assessment became due. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve a lot or owner from personal liability for assessments coming due after he takes title or from the lien of such later assessments.

Section 11. Books, Records and Audit. The Association shall maintain current copies of the Declaration, Articles, Bylaws, Rules and other similar documents, as well as its own books, records and financial statements which shall all be available for inspection by lot owners and insurers as well as by holders, insurers and guarantors of first mortgages during normal business hours upon reasonable notice. Charges shall be made for copying, researching or extracting from such documents. A lot owner or holder, insurer or guarantor of a first mortgage may obtain an audit of Association records at its own expense so long as the results of the audit are provided to the Association.

ARTICLE V Insurance

Section 1. Casualty Insurance on Insurable Common Area. The Trustees shall keep all insurable improvements and fixtures of the common area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the common area shall be written in the name of, and the proceeds thereof shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are common expenses which shall be included in the regular annual assessments made by the Association. In addition to casualty insurance on the Common Area, the Trustees may elect to obtain and continue in effect, on behalf of all owners, adequate blanket casualty and fire insurance in such form as the Trustees deem appropriate in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of all of the Townhomes including the structural portions and fixtures thereof. Insurance premiums from any such blanket insurance coverage, and any other insurance premiums paid

by the Association shall be a common expense of the Association to be included in the regular annual assessments as levied by the Association. The insurance coverage with respect to the Townhomes shall be written in the name of, and the proceeds thereof shall be payable to the Association as trustee for the owners.

Section 2. **Replacement or Repair of Property.** In the event of damage to or destruction of any part of the common area improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a reconstruction assessment against all lot owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other common assessments made against such lot owner. In the event that the Association is maintaining blanket casualty and fire insurance on the Townhomes, the Association shall repair or replace the same to the extent of the insurance proceeds available. In the event of damage or destruction by fire or other casualty to any portion of the development covered by insurance written in the name of the Association, the Trustees are empowered to and shall represent the members in any proceedings, negotiations, settlements or agreements. The Association is appointed attorney-in-fact of each owner for this purpose.

Section 3. **Liability Insurance.** The Trustees shall obtain a comprehensive policy of public liability insurance covering all of the common and limited common property for at least Five Hundred Thousand Dollars, (\$500,000.00) per occurrence for personal or bodily injury and property damage that results for the operation, maintenance or use of the common areas. Liability insurance policies obtained by the Association shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an owner because of negligent acts of the Association or other owners.

Section 4. **Fidelity Insurance.** The Trustees may elect to obtain fidelity coverage against dishonest acts on the part of managers, Trustees, officers, employees, volunteers, management agents or others responsible for handling funds held and collected for the benefit of the owners or members. In procuring fidelity insurance the Trustees shall seek a policy which shall (1) name the Association as obligee or beneficiary, plus (2) be written in an amount not less than the sum of (i) three (3) months' operating expenses, and (ii) the maximum reserves of the Association which may be on deposit at any time, and (3) contain waivers of any defense based on the exclusion of person who serve without compensation from any definition of "employee".

Section 5. **Annual Review of Policies.** All insurance policies shall be reviewed at least annually by the Trustees in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacements of the property which may be damaged or destroyed.

ARTICLE VI Architectural Control Committee

No structure, building, fence, wall or addition, extension or expansion of any of the foregoing shall be commenced, erected or maintained upon the properties, nor shall any exterior addition or change or alteration to any lot or townhome be made until the plans and specifications showing the nature, kind, shape, height, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Trustees, or if such a committee is in existence, by an Architectural Control Committee composed of three (3) or more representatives appointed by the Trustees. In the event said Trustees, or their designated committee fail to approve or disapprove such design and location within thirty (3) days after said plans and specifications have been submitted to it, approval will not be required and compliance with this article will be deemed to have been made.

Notwithstanding the foregoing, without the prior written approval of at least sixty-seven percent (67%) of the owners, neither the Association nor the Architectural Control Committee shall have the power, by act or omission, to change, waiver or abandon any plan, scheme or regulations pertaining to the architectural design or the exterior appearance or maintenance of townhomes and lots, and the maintenance of the common and limited common areas, including walls, fences, driveways, lawns and plantings.

The Declarant shall not be required to comply with the provisions of this paragraph in the initial construction of the Properties.

ARTICLE VII
Exterior Maintenance

Section 1. **Exterior Maintenance by Owner.** Each owner shall be responsible for maintenance to the exterior of the townhome owned and in the limited common area adjacent and appurtenant to the lot. The Trustees shall, however, in the default of the owner to perform maintenance which is the owner's responsibility, and after a two-thirds (2/3) vote, and after ten days written notice (which notice shall not be required in the event of emergency or threat to life, health, property or safety), provide exterior maintenance upon each townhome and lot, and the limited common area adjacent and appurtenant thereto. The cost of such maintenance shall be assessed against the lot or townhome.

Section 2. **Exterior Maintenance by Association.** The Association shall be responsible for maintenance upon the common area, the limited common area which is not adjacent to any lot, and the area of any lot outside the walls of the townhome which is of the same character as surrounding common or limited common areas. The cost of such maintenance shall be assessed against the lot or townhome.

Section 3. **Access at Reasonable Hours.** For the purpose solely of performing the maintenance required by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the owner, to enter upon any lot or limited common area at reasonable hours.

Section 4. **Alteration of Certain Maintenance Duties by Rule.** The duty of maintenance for the area of a lot outside the walls of the townhome, and the limited common areas adjacent and appurtenant to the townhomes may be altered by Rule of the Association.

ARTICLE VIII
Use Restrictions

Section 1. **Construction Business and Sales.** Notwithstanding any provisions to the contrary herein contained, it shall be expressly permissible for Declarant to maintain such facilities and conduct such activities as in the sole opinion of Declarant may be reasonable required, convenient or incidental to the construction and sale of lots during the period of construction and sale of said lots and upon such portion of the premises as Declarant deems necessary including but not limited to a business office, storage areas, construction yard, signs, model units and sales office. As part of the overall program of development of the properties into a residential community and to encourage the marketing thereof, the Declarant shall have the right of use of the common area and facilities thereon, including any community buildings, without charge during the sales and construction period to aid in its marketing activities.

Section 2. **General Use Restrictions.** All of the properties which are subject to this Declaration are hereby restricted to residential dwellings, and building in connection therewith, including but not limited to community buildings on the common property. All buildings or structures erected in the properties shall be of new construction and no buildings or structures shall be removed from other locations to the properties. After the initial construction on a lot, no subsequent building or structure dissimilar to that initially constructed shall be built on that lot. No building or structure of a temporary character, trailer, basement, tent, camper, shack, garage, barn or other outbuilding shall be placed or used on any lot any time.

Section 3. **Signs; Commercial Activity.** Except for one "For Rent" or "For Sale" sign of not more than two (2) square feet, not advertising signs, billboards, objects of unsightly appearance, or nuisances shall be erected, placed, or permitted to remain on any lot or any portion of the properties. No commercial activities of any kind whatever shall be conducted in any building or any portion of the properties. The foregoing restrictions shall not apply to the commercial activities, signs and billboards, if any, of the Declarant or its agents during the construction and sales period or by the Association in furtherance of its powers and purposes set forth hereinafter and in its Articles of Incorporation, Bylaws and Rules and Regulations, as the same may be amended from time to time.

Section 4. **Quiet Enjoyment.** No noxious or offensive activity shall be carried on upon any part of the properties not shall anything be done thereon which may be or may become an annoyance or nuisance to the

neighborhood, or which shall in any way interfere with the quiet enjoyment of each of the owners or which shall in any way increase the rate of insurance.

Section 5. **Animals.** No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said lots, except dogs, cats or other household pets, two or less in total number, may be kept provided that they are not kept, bred or maintained for any commercial purpose. Notwithstanding the foregoing, no animals or fowl may be kept on the property which result in an annoyance or are obnoxious by noise, smell or otherwise, to lot owners.
