4.2 Transfer of Title. Developer agrees that it shall, at or prior to the time the Class B membership is converted to Class A membership, convey to the Association title to the Common Areas free and clear of all liens (other than the lien of current general taxes and the lien of any assessments, charges, or taxes imposed by governmental or quasi-governmental authorities,

or for easements or rights of way reserved to the Developer or otherwise enforceable in law or equity).

4.3 Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

(a) The right of Salt Lake County and any other governmental or quasi-governmental body having jurisdiction over the Property to access and rights of ingress and egress over and across any parking area, walkway, or open area contained within the Property for purposes of providing police and fire protection, and providing any other governmental or municipal service; and

4.4 Utility Easement. The Developer for itself and its successors and assigns, including but not limited to the Association, hereby grants easements over, under, in, on and through the Common Area for the installation, construction, reconstruction, relocation, removal, maintenance, repair, operation and inspection of sewer, water, drainage, electric, gas and telephone facilities and wires, lines, cables, conduits, pipes and other necessary and proper attachments therewith, for the benefit of the Property or any part thereof, to the Developer, the Association, any federal, state or local authority, commission or agency having jurisdiction thereover and any corporation, be it public, quasi-public or private, supplying or servicing such facilities.

4.5 Overhang Easement. Each Owner shall have an easement over the Common Areas for any portion of any Commercial Unit which extends into the airspace over the Common Areas, provided the following conditions are met: (i) the "overhang" does not extend more than six (6) feet past the furthest extension of the boundary line between the Owner's Lot and the Common Areas and in no event interferes with use of the parking areas or of any interior roadway; and (ii) the "overhang" extends no lower than eight (8) feet above the ground.

4.6 Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

Whether or not the description employed in any such instrument is in the above specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

## V. ASSESSMENTS

5.1 Personal Obligation and Lien. Each Owner shall, by acquiring or in any way becoming vested with his interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and the special assessments described in this Article, together with all other fines, penalties, interest and costs of collection as described in this agreement. All such amounts shall be, constitute, and remain: (i) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (ii) the personal obligation of the person who is the Owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot.

5.2 Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the commercial development of the Property. The use made by the Association of funds obtained from Assessments may include payment of the cost of: advertising for the common benefit of the Owners, taxes and insurance on the Common Areas, water, sewer, maintenance, repair, and improvements of the Common Areas; management and supervision of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; and any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under this Declaration or its Articles of Incorporation.

5.3 Maximum Monthly Assessment. As of the date set under Section 5.7, each Lot shall be subject to a monthly assessment of not more than one-twenty-first (1/21) of the yearly assessment rate of \$100. From and after January 1, 1999, the maximum monthly assessment may be increased or decreased so long as the change is assented to by sixty percent (60%) of the votes of each class of membership which Members present in person or represented by proxy are entitled to cast at a meeting duly called for such purpose. Written notice setting forth the purpose

of the meeting shall be sent to all Members at least ten (10), but not more than thirty (30), days prior to the meeting date. The Board of Directors of the Association may from time to time and in its discretion set the amount of the monthly assessment at any sum not in excess of the then applicable maximum amount.

**5.4 Special Assessments.** From and after the date set under Section 5.7, the Association may levy special assessments for the purpose of defraying, in whole or in part: (i) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (ii) the cost of any construction, reconstruction, or unexpectedly required repair or replacement of an improvement or of personal property upon the Common Areas. Any such special assessment must be assented to by fifty percent (50 %) of the votes of each class of membership which Members present in person or represented by proxy are entitled to cast at a meeting duly called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least ten (10), but not more than thirty (30), days prior to the meeting date.

**5.5 Quorum Requirements.** The quorum required for any action authorized by Section 5.3 or Section 5.4 above shall be as follows: At the first meeting called, the presence of Members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirement set forth in Section 5.3) at which a quorum shall be one-half (1/2) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

**5.6 Uniform Rate of Assessment.** Both monthly and special assessments shall be fixed at a uniform rate. All costs except landscape maintenance shall be allocated among the Owners based on the square footage of living space. Landscape maintenance shall be allocated based on the square footage of each Lot. Any Owner may elect to exclude his fenced in back and side yards from the computation of the square footage of his Lot by signing a written agreement in a form approved by the Association under which the Owner assumes full responsibility for maintenance of his back and side yards.

**5.7 Monthly Assessment Due Dates.** The monthly and special assessments provided for herein shall commence as to all Lots on the first day of the second month following conveyance of the Common Areas to the Association. At least fifteen (15) days prior to such commencement date, and at least fifteen (15) days prior to the effective date of any change in amount of the monthly assessment, the Association shall give each Owner written notice of the amount and first due date of the assessed concerned.

**5.8 Certificate Regarding Payment.** Upon the request of any Owner or prospective purchaser or encumbrancer of a Lot, the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

5.9 Effect of Non-payment -- Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection, be, constitute and remain a continuing lien on the Lot. The person who is the Owner of the Lot at the time the assessment falls due shall be and remain personally liable for payment. Such personal liability shall not pass to the Owner's successors in title unless expressly assumed by them. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and the Association may bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. Any judgment obtained by the Association shall include reasonable attorney's fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

5.10 Exception for Developer. Notwithstanding anything to the contrary contained in this Declaration, if at the time specified in Section 5.7 for the commencement of monthly assessments the Developer retains title to any Lot, the rate of all assessments made upon such Lot under the provisions of Section 5.3 shall be one-half (1/2) the amount specified therein and the rate of any assessment made upon such Lot under the provisions of Section 5.4 shall be one-half (1/2) of the amount charged to other Owners thereunder. The terms of this Section 5.10 shall continue in operation and effect as to any Lot retained by the Developer until either (i) the Developer sells, leases, or otherwise conveys any interest in such Lot or in any Commercial Unit erected thereon, or (ii) the expiration of one (1) year from the date upon which the Developer conveys the Common Areas to the Association, whichever shall first occur.

## VI. OPERATION AND MAINTENANCE

6.1 Responsibility to Rebuild or Repair. Because the physical condition of each Residential Unit affects the value of every other Residential Unit, the Owner of each Unit shall maintain its Residential Unit in such a manner that it shall have the continued capacity to be used as a Residential Unit, and thus benefit the other Residential Units. The Owner shall not cause or permit to occur any damage, loss or injury to the Owners of the benefited Residential Units or their tenants by or as a result of any act of negligence or any willful, wanton or reckless act on its part or on the part of its tenant with respect to the Owner's Residential Unit. Should any Residential Unit be damaged or destroyed by fire, flood, wind, snow or any other cause of whatever nature, the Owner shall cause the Residential Unit upon the Lot owned by him to be repaired or rebuilt. Such repair or rebuilding shall commence not later than ninety (90) days after the occurrence of the damage or destruction and shall be completed not later than one (1) year after such occurrence.

6.2 Liability for Physical Damage. Notwithstanding anything to the contrary contained in this Article VI, the Owner in the course of building, rebuilding, repairing, maintaining or otherwise working or causing work to be done upon his Lot shall be liable to the Owners of any adjacent Lots or to the Association with respect to the Common Areas for any physical damage to any other Lot or Residential Unit and for any physical damage to any Common Area. The Owner shall cause any such damage to be repaired and the Lot, Residential Unit or Common

Area affected to be placed in the same state or condition that it was in prior to said damage. All such repairs shall be subject to the approval of the Board of Directors of the Association.

6.3 Maintenance of Residential Units. Each Residential Unit shall be maintained by the Owner thereof at his own cost and expense so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Residential Units. The Association shall have no obligation regarding maintenance or care of Residential Units.

6.4 Operation and Maintenance by Association. The Association shall provide for such maintenance and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Lots and to keep them clean, functional, attractive, and generally in good condition and repair. In addition, the Association shall provide for maintenance and upkeep of any portion of any Lot which lies between the extremities of the Residential Unit situated thereon and the boundaries of the Lot.

6.5 Liability of Owner During Construction. The Owner, in the course of building, shall not be liable to the Owners of adjacent Lots affected by such work for any inconvenience, annoyance, disturbance or loss of business to the Owner effected by the performance of such work (or his tenants) arising out of or during the performance of such work (unless occasioned by the negligence of the Owner of the improvement with respect to which the work in question was being performed or its agents); but the Owner of the Lot or Residential Unit with respect to which such work is being performed shall make all reasonable efforts to keep any such inconvenience, annoyance, disturbance, or loss of business to the minimum reasonably required by the work in question.

## VII. INSURANCE

The Association shall secure and at all times maintain the following insurance coverage:

(i) A policy or policies of fire and casualty insurance, with extended coverage endorsement, for the full insurable replacement value of all improvements comprising a part of the Common Areas. The name of the insured under each such policy shall be in form and substance similar to: "CENTENNIAL PARK, P.U.D. Property Owners' Association for the use and benefit of the individual Lot Owners and mortgagees, as their interests may appear."

(ii) A policy or policies insuring the Owners, the Association, and its directors, officers, agents, and employees against any liability incident to the ownership, use, or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property or of the Owners. Limits of liability under such insurance shall be not less than \$1,000,000.00 for any one person injured, \$1,000,000.00 for all persons injured in any one accident, and \$100,000.00 for property damage resulting from one occurrence. Such policies shall be issued on a comprehensive liability basis and shall provide a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced.

(iii) A policy of workmen's compensation insurance which meets the requirements of the law; provided, however, that such insurance coverage shall not be required unless the Association hires an employee or employees.

(iv) A policy of fidelity insurance covering those employees hired by the Association to handle Association funds, in amounts as determined by the Board of Directors of the Association.

The following additional provisions shall apply with respect to insurance:

(a) In addition to the insurance described above, the Association shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with developments similar to the Property in construction, nature, and use.

(b) All policies shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a financial rating by Best's Insurance Reports of Class X or better.

(c) The Association shall have the authority to adjust losses.

(d) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their mortgagees.

(e) Each policy of insurance obtained by the Association shall, if reasonably possible, provide: (i) A waiver of the insurer's subrogation rights with respect to the Association, the Owners, and their respective directors, officers, agents, employee invitees, and tenants; (ii) That it cannot be canceled, suspended, or invalidated due to the conduct of any particular Owner or Owners; (iii) That it cannot be canceled, suspended, or invalidated due to the conduct of the Association or of any director, officer, agent, or employee of the Association without a prior written demand that the defect be cured; and (iv) That any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Owners.

In addition to coverage obtained by the Association, Owners of individual Lots shall obtain policies of fire and casualty insurance and a policy or policies covering their agents and employees against liability incident to the ownership of their separate lots and improvements thereon. These policies shall contain all the provisions set forth above where possible.

Any notice required or permitted to be given to any Owner or Member under the provisions of this Declaration shall be deemed to have been properly furnished if mailed postage prepaid to the person who appears as a Member or Owner, at the latest address for such person appearing, in the records of the Association at the time of mailing.

10.2 Rules and Regulations. The Association shall have authority to promulgate and enforce such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that the Property is maintained and used in a manner consistent with the interests of the Owners.

10.3 Amendment. Any amendment to this Declaration shall require: (i) the affirmative vote of at least two-thirds (2/3) of all Class A membership votes which members present in person or represented by proxy are entitled to cast at a meeting duly called for such purpose; and, so long as the Class B membership exists, (ii) the written consent of Developer. Written notice setting forth the purpose of the meeting and the substance of the amendment proposed shall be sent to all members at least ten (10), but not more than thirty (30), days prior to the meeting date. The quorum required for any such meeting shall be as follows: At the first meeting called, the presence of Members or of proxies entitled to cast fifty percent (50%) of all

the votes of the Class A membership shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirement set forth in the foregoing portion of this Section 12.3) at which a quorum shall be one-half (1/2) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the Association (and by the Developer if the Class B membership then exists).

10.4 Consent in Lieu of Vote. In any case in which this Declaration requires for authorization or approval of a transaction, the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast at least the stated percentage of all membership votes outstanding in connection with the Class of membership concerned.

10.5 Mortgage Protection. In the event an Owner neglects for a period of thirty (30) or more days to cure any failure on his part to perform any of his obligations under this Declaration, the Association shall give written notice of such fact to the holder of any first mortgage (or trust deed) covering such Owner's Lot.

The lien for unpaid assessments provided for under Article V shall be subordinate to any first mortgage (or trust deed) affecting a Lot, but only to the extent of assessments which become due prior to foreclosure of the mortgage, exercise of a power of sale available thereunder, or deed or assignment in lieu of foreclosure.

Unless all holders of first mortgages (or trust deeds) on the individual Lots have given their prior written approval, neither the Association nor any other party shall be entitled to:

- (a) Alter the provisions of Section 5.6 (pertaining to uniform rate of assessment);
- (b) Partition or subdivide any Lot or the Common Area or dedicate or transfer (pursuant to Section 4.3 (c)) all or any part of the Common Areas; or
- (c) By act or omission seek to abandon or materially alter the arrangement which is established by this Declaration.

10.6 Developer's Rights Assignable. The rights of Developer under this Declaration or in any way relating to the Property may be assigned.

The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall

10.8 Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitude, as the case may be, and shall be binding upon and shall inure to the benefit of Developer, all parties who hereafter acquire any interest in a Lot or in the Common Areas, and their respective grantees, transferees, heirs, devisees, personal representatives, successors, and assigns. Each Owner or occupant of a Lot or Residential Unit shall comply with, and all interests in all Lots or in the Common Areas shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.
