

NOTICE OF LOCATION OF
SUBTERRANEAN WATERWAY
AND PIPELINE

The undersigned hereby gives notice of the location of a waterway consisting of open canals, an underground pipeline and covered ditches. The location of said waterway is more particularly shown and described in Exhibits "A" and "B" attached hereto and incorporated herein by reference.

Dated this 18th day of January, 1994.

PACIFIC STATES CAST IRON PIPE COMPANY

Charles G. Matlock

CHARLES G. MATLOCK
Vice President and General Manager

STATE OF UTAH)
 : ss.
County of UTAH)

On the 18th day of Jan., 1994 personally appeared before me CHARLES G. MATLOCK, who being by me duly sworn, did say that he is the Vice President and General Manager of Pacific States Cast Iron Pipe Company, and that said instrument was signed in behalf of said corporation by authority of its bylaws and said CHARLES G. MATLOCK acknowledged to me that said corporation executed the same.

Trudy Bradford
NOTARY PUBLIC

Legal Description of the centerline of the route of a pipeline and open channel carrying water rights owned by Pacific States Cast Iron Pipe Company (PSCIPCO) through lands formerly owned by U.S. Steel, and others, which pipeline route begins at a point South of State Road No. 75 in Springville, Utah, and ends at the West line of Industrial Parkway, Provo, Utah, adjacent to PSCIPCO property. The alignment as described below was determined by actual survey of the pipeline segments and open channels, in July, 1992, December, 1992 and January, 1993.

Beginning at the Southerly end (inlet end) of a 48 inch diameter pipeline, which beginning point is located South 1398.1 ft. and East 1004.7 ft. from the Southeast Corner of Section 20, Township 7 South, Range 3 East, Salt Lake Base and Meridian (which is also the Northwest Corner of Section 28 of said Township 7 South, Range 3 East); thence along the centerline of said pipeline North $0^{\circ} 03'$ West 1314.2 ft. to the northerly end of said pipeline segment; thence continuing along and through an open channel or stream, the center of said channel being described by the following courses and distances: North $0^{\circ} 02'$ East 672 ft; thence North $33^{\circ} 43'$ West 510 ft; thence North $52^{\circ} 22'$ West 541 ft; thence North $35^{\circ} 26'$ West 533 ft; thence North $25^{\circ} 27'$ West 537 ft; thence North 89.3 ft. to the Southerly (inlet) end of a 48 inch diameter pipeline; thence along the centerline of said pipeline by the following courses and distances: North $3^{\circ} 25'$ East 225 ft; thence North $34^{\circ} 50'$ West 573 ft. to a manhole structure; thence continuing North $34^{\circ} 50'$ West 303 ft. to a diversion structure; thence North $32^{\circ} 49'$ West 99 ft. to a manhole structure; thence North $86^{\circ} 32'$ West 146.5 ft. to a manhole structure; thence North $89^{\circ} 53'$ West 27.2 ft. to a manhole structure; thence North $89^{\circ} 45'$ West 277.3 ft. to a manhole structure; thence North $35^{\circ} 21'$ West 238.6 ft. to a manhole structure; thence continuing North $35^{\circ} 21'$ West 228.3 ft. to a manhole structure; thence continuing North $35^{\circ} 21'$ West 237.8 ft. to a manhole structure; thence South $82^{\circ} 29'$ West 124.3 ft. to a manhole structure; thence North $85^{\circ} 45'$ West 351.3 ft. to a manhole structure; thence North $84^{\circ} 39'$ West 202.8 ft. to a manhole structure; thence continuing North $84^{\circ} 39'$ West 141.9 ft. to the westerly end of said pipeline; thence continuing along and through an open channel or stream, the center of which channel or stream bears North $85^{\circ} 45'$ West 257 ft., more or less, to the inlet or easterly end of a pipeline section; thence South $87^{\circ} 50'$ West along said pipeline, (which pipeline crosses under railroad tracks) 151.7 ft., more or less, to the westerly or outlet end of said pipeline section, and the easterly end of an open channel; thence North $88^{\circ} 23'$ West, along and through said open channel, 925 ft., more or less, to the Westerly end of said open channel, and the Easterly right-of-way line of Industrial Parkway, a public street right-of-way; thence continuing in and through a pipeline crossing under said Industrial Parkway, West 200 ft., more or less, to the property of Pacific States Cast Iron Pipe Company.

From the above described end point, the course of said stream and pipeline enters and traverses properties of PSCIPCO.

The above described centerline traverses a lineal distance of 8726 ft., more or less.
