limits and on the conditions hereinabove provided bearing to the aggregate amount of such case requirements for such year, or portion of year, determined as aforesaid, the same ratio as the unit owner owns on undivided interest in the common areas and facilities, and such assessments, together with any additional sums accruing under this Declaration shall be payable monthly in advance, or in such payments and installments as shall be required by the management committee, and at such times as shall be provided by the management committee.

The management committee shall have discretionary powers to prescribe the manner of maintaining and operating the condominium project and to determine the cash requirements of the management committee to be paid as aforesaid by the owners under this Declaration. Every such reasonable determination by the management committee within the bounds of the Act, and this Declaration shall be final and conclusive as to the owners, and any expenditures made by the management committee, within the bounds of the Act and this Declaration shall as against the owner be deemed necessary and properly made for such purpose.

If the owner shall at any time let or sublet the unit and shall default for a period of one (1) month in the payment of any assessments, the management committee may, at its option, so long as such default shall continue, demand and receive from

any tenant or sub-tenant of the owner occupying the unit the rent due or becoming due and payment of such rent to the management committee shall be sufficient payment and discharge of such tenant or sub-tenant and the owner to the extent of the amount so paid.

Each monthly assessment and each special assessment shall be separate, distinct and personal debts and obligations of the owner against whom the same are assessed at the time the assessment is made and shall be collectible as such. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same. The amount of any assessment, whether regular or special, assessed to the owner plus interest at twelve percent (12%) per annum, and costs, including reasonable attorney's fees, shall become a lien upon such unit upon recordation of a notice of assessment as provided by the Act. The said lien for non-payment of common expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

- A. Tax and special assessment liens on the unit in favor of any assessment unit, and special district, and
- B. Encumbrances on the owner's interest in the unit (and common areas and facilities) recorded prior to the date

such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

A certificate executed and acknowledged by a majority of the management committee stating the indebtedness secured by the lien upon any condominium created hereunder, shall be conclusive upon the management committee and the owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any owner or encumbrancee or prospective encumbrancee of a condominium upon request at a reasonable fee not to exceed TEN AND NO/100 DOLLARS (\$10.00). Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid common expenses which become due prior to the date of making of such request shall be subordinate to the lien held by the person making the request. Any encumbrancee holding a lien on a condominium may pay any unpaid common expenses payable with respect to such condominium and upon such payment such encumbrancee shall have a lien on such condominium for the amounts paid of the same rank as the lien of his encumbrance.

Upon payment of a delinquent assessment concerning which such certificate has been so recorded, or other satisfaction thereof, the management committee shall cause to be recorded in the same manner as the certificate of indebtedness a further

certificate stating the satisfaction and release of the lien thereof. Such lien for nonpayment of assessment may be enforced by sale of the condominium unit by the management committee or by a bank or trust company or title insurance company authorized by the management committee, such sale to be conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any manner permitted by law. In any foreclosure sale, the unit owner shall be required to pay the costs and expenses of such proceedings including reasonable attorney's fees.

In the event of foreclosure, the unit owner shall be required to pay a reasonable rental for the condominium and the plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The management committee or manager shall have the power to bid on the condominium at foreclosure or other sale and to hold, lease, mortgage and convey the condominium.

19. Mortgage Protection. Notwithstanding all other provisions hereof:

A. The liens created hereunder upon any condominium unit shall be subject and subordinate to, and shall not affect

the rights of the holder of the indebtedness secured by any recorded first mortgage (meaning a mortgage or a trust deed with first priority over other mortgages) upon such interest made in good faith, and for value, provided that after the foreclosure of any such mortgage there may be a lien created pursuant to paragraph 18 hereof on the interest of the purchaser at such foreclosure sale to secure all assessments, whether regular or special, assessed hereunder to such purchaser as an owner after the date of such foreclosure sale, which said lien, if any claimed, shall have the same effect and be enforced in the same manner as provided herein;

B. No amendment to this paragraph shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof;

C. By subordination agreement executed by a majority of the management committee, the benefits of A and B above may be extended to mortgages not otherwise entitled thereto.

20. Maintenance of Units. Each unit owner at his own expense shall keep the interior of his unit and its equipment and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall do all redecorating and painting which may at any time be necessary to maintain the good appearance of his unit. Except to the extent that the

management committee is protected by insurance against such injury, the unit owner shall repair all injury or damages to the unit, or condominium project caused by the act, negligence or carelessness of the unit owner or that of any lessee or sub-lessee or any member of the unit owner's family or of the family of any lessee or sub-lessee and all such repairs, redecorating and painting shall be of a quality and kind equal to the original work. In addition to decorating and keeping the interior of the unit in good repair, the unit owner shall be responsible for the maintenance or replacement of any plumbing, fixtures, refrigerators, air-conditioning and heating equipment, dishwashers, disposals, ranges, etc., that may be in or connected with the unit. The unit owner shall be entitled to the exclusive use and possession of the carport, attached or assigned to his unit and shall be responsible for the maintenance and upkeep of same, provided however, that without the written permission of the management committee first had and obtained, the unit owner shall not make or permit to be made any structural alteration, improvement or addition in or to the unit and carport, or in or to the exterior of the building, and shall not paint or decorate any portion of the exterior of the building in which his unit is located.

21. Right of Entry. The management committee and its duly authorized agents shall have the right to enter any and all of

the units in case of an emergency originating in or threatening such unit or any other part of the project, whether or not the unit owner or occupant thereof is present at the time. The committee and its duly authorized agents shall also have the right to enter into any and all of said units at all reasonable times as required for the purpose of making necessary repairs upon the common areas and facilities of the project for the purpose of performing emergency installations, alterations, or repairs to the mechanical or electrical devices or installations located therein or thereon; provided, however, such emergency installations, alterations, or repairs are necessary to prevent damage or threatened damage to other units in the project; and provided further, that the unit owner affected by such entry shall first be notified thereof if available and if time permits.

22. Administrative Rules and Regulations. The management committee shall have the power to adopt and establish by resolution, such building management and operational rules as it may deem necessary for the maintenance, operation, management and control of the project. The committee may, from time to time by resolution, alter, amend and repeal such rules. When a copy of any amendment or alteration or provision for repeal of any rule or rules has been furnished to the unit owners, such amendment, alteration and provision shall be taken

to be a part of such rules. Unit owners shall at all times obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules shall apply and be binding upon all unit owners and/or occupants of the condominium.

23. Obligation to Comply Herewith. Each unit owner, tenant, or occupant of a unit shall comply with the provisions of the Act, this Declaration, the Bylaws, and the rules and regulations, all agreements and determinations lawfully made and/or entered into by the management committee or the unit owners, when acting in accordance with their authority, and any failure to comply with any of the provisions thereof, shall be grounds for an action by the management committee to recover any loss or damage resulting therefrom on injunctive relief.

24. Indemnification of Management Committee. Each member of the management committee shall be indemnified and held harmless by the unit owners against all costs, expenses and liabilities whatsoever, including, without limitation, attorney's fees, reasonably incurred by him in connection with any proceeding to which he may become involved by reason of his being or having been a member of said committee.

25. Amendment. The unit owners shall have the right to amend this Declaration and/or the Map upon the approval and

consent of unit owners representing not less than two-thirds (2/3) of the undivided interests in the common areas and facilities, which approval and consent shall be duly recorded instruments.

26. Severability. The invalidity of any one or more phrases, sentences, clauses, paragraphs or sections hereof shall not affect the remaining portions of this instrument or any part thereof, all of which are inserted conditionally on their being held valid in law and in the event that one or more of the phrases, sentences, clauses, paragraphs or sections contained therein should be invalid or should operate to render this agreement invalid, this instrument shall be construed as if such invalid phrase or phrases, sentence or sentences, clause or clauses, paragraph or paragraphs, section or sections had not been inserted.

27. Gender. The singular, wherever used herein, shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, shall in all cases be assumed as though in each case fully expressed.

28. Topical Headings. The topical headings of the paragraphs contained in this Declaration are for convenience only and do not define, limit or construe the contents of the

Identity

These are the Bylaws of the Courtyard Townhouses duly made and provided for in accordance with Utah Code Annotated Section 57-8-16 (1953, as amended) of the Utah "Condominium Ownership Act".

## ARTICLE II

Application

All present or future owners, tenants, or any other persons who might use the facilities of the Courtyard Townhouses in any manner are subject to the regulations set forth in these Bylaws. The mere acquisition or rental of any of the units or the mere act of occupancy or use of any of said units or the common areas and facilities will signify that these Bylaws are accepted, ratified, and will be complied with by said persons.

## ARTICLE III

Administration of Condominium Project

## Section 1

Place of Meetings

Meetings of the unit owners shall be held in such place within the State of Utah as the management committee may specify in the notice, except as herein otherwise specified.

Section 2

Annual Meetings

The first annual meeting of the unit owners shall be held on the first \_\_\_\_\_ in \_\_\_\_\_, 1984. Thereafter, the annual meetings shall be held on such day of each succeeding year; provided, however, that whenever such date falls on a legal holiday, the meeting shall be held on the next succeeding business day, and further provided that the management committee may by resolution fix the date of the annual meeting on such date or at such other place as the management committee may deem appropriate.

Section 3

Special Meetings

Special meetings of the association of unit owners may be called at any time by written notice signed by a majority of the management committee, or by owners having thirty percent (30%) of the total votes, delivered not less than ten (10) days prior to the date fixed for said meeting. Such meeting shall be held on the project or such other place as the management committee may specify and the notice thereof shall state the date, time and matters to be considered.

Section 4

Notices

Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail.

If delivery is by mail, it shall be deemed to have been delivered twenty-four (24) hours after a copy of the same has been deposited in the United States Mail, postage prepaid, addressed to each unit owner at the address given by such person to the management committee or the manager for the purpose of service of such notice or to the unit of such person if no address has been given. Such address may be changed from time to time by notice in writing to the management committee or manager.

Section 5

Quorum

At any meeting of the unit owners, the owners of more than fifty percent (50%) in the aggregate in interest of the undivided ownership of common areas and facilities shall constitute a quorum for any and all purposes, except where by express provisions a greater vote is required, in which event a quorum shall be the number required for such vote. In the absence of a quorum, the Chairman of the meeting may adjourn the meeting from time to time, without notice other than by announcement at the meeting, until holders of the amount of interest requisite to constitute a quorum shall attend. At any such adjourned meeting, at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified. A majority of the unit

owners, as defined in the Utah Condominium Ownership Act, shall constitute a quorum.

Section 6

Voting

When a quorum is present at any meeting, the vote of unit owners representing at least fifty-one percent (51%) or more of the undivided ownership of common areas and facilities present in person or represented by proxy, shall decide any question of business brought before such meeting, including the election of the management committee, unless the question is one upon which, by express provision of the statutes, Declaration or of the Bylaws, a different vote is required in which case such express provision shall govern and control the decision of such proxy. All proxies shall be in writing, and in the case of proxies for the annual meeting, they shall be delivered to the Secretary at least five (5) days prior to said annual meeting. Proxies for special unit owners' meetings must be of record with the Secretary at least two (2) days prior to said annual meeting.

Section 7

Waivers of Notice

Any unit owner may at any time waive any notice required to be given under these Bylaws, or by statute or

otherwise. The presence of a unit owner in a person at any meeting of the unit owners shall be deemed such waiver.

ARTICLE IV

Management Committee

Section 1

Purpose and Powers

The business, property and affairs of the Condominium shall be managed and governed by its management committee, hereinafter referred to as the "management committee", consisting of not less than three (3) nor more than seven (7) unit owners, as the unit owners at a lawfully convened meeting may from time to time determine. The management committee may enter into such management agreement or agreements with a third person or persons or corporations as it may deem advisable. As provided in the Declaration, BURGUNDY DEVELOPMENT CO. may act as the management committee.

Section 2

Election and Vacancy

Subject to the provisions of the next preceding paragraph, at the first special meeting of the unit owners called for that and any other purpose, an election of the management committee shall be held for the election of not less than three (3) members which shall constitute the initial

management committee. The term of the members of the management committee shall be until the next annual meeting of the unit owners, or until their successors are duly elected. Their successors shall be elected at the first annual or special meeting of the unit owners. A new management committee shall be elected by the unit owners at each regular biannual meeting thereafter and shall hold office for a term of two (2) years and until a successor shall be elected. The number composing the management committee may be altered from time to time by the action of a majority of the unit owners at any regular or special meeting called for such purpose. In the event of any increase in the number of members constituting the management committee in advance of the annual meeting, each additional member shall be elected by the then management committee and hold office until his successor is elected.

Section 3

Vacancies

Vacancies on the management committee caused by any reason whatsoever shall be filled by vote of a majority of the remaining members thereof even though they may consist of less than a quorum and each person so elected shall be a member of the management committee until his successor is elected by the unit owners at the next annual meeting.

Section 4

Regular Meetings

A regular annual meeting of the management committee shall be held immediately after the adjournment of each annual unit owner's meeting. Regular meetings, other than the annual meeting, shall or may be held at regular intervals at such places and at such times as either the President or the management committee may from time to time designate.

Section 5

Special Meetings

Special meetings of the management committee shall be held whenever called by the President, the Vice-President, or by three (3) or more members. By unanimous consent of the management committee, special meetings may be held without call or notice at any time or place.

Section 6

Quorum

A quorum for the transaction of business at any meeting of the management committee shall consist of a majority of the management committee then in office.

Section 7

Compensation

Members of the management committee, as such, shall not receive any stated salary or compensation; provided, that

nothing herein shall be construed to preclude any member of the management committee from serving the project in any other capacity and receiving compensation therefor.

Section 8

Waiver of Notice

Before or at any meeting of the management committee, any member thereof, may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the management committee at any meeting thereof shall be a waiver of notice by him of the time and place thereof.

Section 9

Adjournments

The management committee may adjourn any meeting from day to day or for such other time as may be prudent or necessary, provided that no meeting may be adjourned for longer than thirty (30) days.

Section 10
