PLAT NOTES:

- This plot is approved subject to the conditions contained in the Newport Master Development Parcel Plat, dated April 14, 2004, and recorded as Entry No. 654674.
- All Common Areas and Limited Common Areas are subject to a non-exclusive Public and Private Utility and Drainage Easement for the purpose of providing access for utility installation, use, maintenance and eventual replacement.
- The Common Area includes all real property and improvements within the Project, other than parcels owned by third parties in fee, Open Space, Public Rights of Ways, Limited Common Areas and Buildings. The Common Area includes, without limitation, all landscaped areas, private roadways, walkways or pedestrian corridors, parking areas, parks, plazas, etc., all of which are owned by the Newport Owners Association for the common use and enjoyment of all Owners.
- Master Developer shall construct and Newport Owners Association, pursuant to the Declaration of Covenants shall, maintain, repair and replace the common improvements, including but not limited to pedestrian corridors, private roadways, landscape, parking areas, utility infrastructure and other common facilities. Responsibility for the cost of the common improvements shall be shared by the parcel owners in accordance with the Declaration of Covenants. Each parcel owner is entitled to utilize any and all of the public utilities serving the land shown, subject to the terms and conditions of the Restrictive Covenants and Newport Owners' Association Bylaws and Articles of Incorporation.
- Newport Owners Association is granted the right to remove snow over all Common Areas, Limited Common Areas, and private drives, pursuant to an easement agreement.
- Newport Town Center is designed with zero lot lines. Buildings and other improvements may be located on the property line. Adjoining buildings may have a common footing, foundation, or wall, which may be centered along the property line.
- Public transportation and parking structures are contemplated in the Newport Town Center. To facilitate transit oriented development grants or other forms of public transportation and/or parking improvements financial assistance, the Newport Owners Association may convey easements or fee title Common Areas designated for parking to a public agency pursuant to such issuing grants or loans. Any such conveyance shall be subject to an appropriate reservation to address the parking demands of Owners and Tenants within the Newport Town Center.
- Each parcel of land is entitled to utilize any public utilities serving that parcel upon the approval of the utility provider and subject to the terms and conditions of said utility provider, in accordance with the Restrictive Covenants and Newport Owners' Association Bylaws and Articles of Incorporation.
- A non-exclusive 10.00 foot wide Public Utility Easement is hereby dedicated along all public right of ways, and is subject to foundations and structures to be located within said easement.
- Utility providers have the right to install, operate and maintain their equipment and other related facilities above and below ground level as may be necessary or reasonable in serving the parcels, including the right of access to such facilities and the right to require removal of any obstructions, including trees and vegetation that may be placed within the easement at the owner's expense. Except as depicted on this plat, no permanent structures or obstructions may be placed in the easements that interfere with the use of the easements without the prior written approval of the affected utility provider.
- All parcels are subject to Park City Fire Service District review and requirements, including standards for access and water supply for fire protection and full payment of subsequent impact and permit fees. An all weather fire department access road is required to be installed and made serviceable prior to the issuance of a building permit authorizing combustible construction. The all weather fire department access road is to be maintained at all times during construction. If the all weather access is not maintained, the Fire District reserves the right to stop work until required roads are re-opened. Water supplies required for fire protection are to be installed and made serviceable prior to the issuance of a building permit authorizing construction of combustible improvements. If the fire protection water supply is not maintained, the Fire District reserves the right to stop work until the required water supply for fire protection is placed back in service. Water supplies for fire protection must be clearly identified in a manner to prevent obstructions. Each water supply for fire protection must be marked with an approved flag to identify its location during winter conditions. Roofing materials must be non-combustible and approved by the PCFSD. No wood shake roofing material will be permitted.
- Sewer service to Newport shall be through the Snyderville Basin Water Reclamation District (SBWRD), and must comply with its rules and regulations. At the time of any resurfacing of asphalt pavement within the public and private roads shown hereon, the NEWPARK Owner's Association, Inc. shall be responsible to raise sewer manholes to grade according to Snyderville Basin Water Reclamation Standards.
- Water services to Newport shall be through the Mountain Regional Water Special Service District (MRWSSD), and must comply with its rules and regulations.
- In accordance with plot note 17 on the Master Development Parcel Plat, the following development density has been plotted to date:

Building Density	Retail	Residential	Office	Commercial	Recreation
Previous Plats		116,094	9,750		112,000
Parcel Q			62,091		

- The real property located generally outside of the area within the footprint of the building located on this parcel shall be subject to a limited easement agreement in favor of the Newport Owners Association ("NOA") in accordance with, and subject to, the terms and provisions of said easement. The easement will provide for landscaped areas, walkways or pedestrian corridors, cross parking areas, parks and plazas with associated costs and obligations to be allocated in the same manner as prescribed for Common Areas under the Declaration of Covenants for the Project. The parking areas on this parcel shall also be subject to a parking agreement for the purpose of establishing cross parking rights in accordance with, and subject to, the terms and provisions of the parking agreement. Reference is made to the easement agreement and parking agreement, the terms of which shall control.
- The Owner of Parcel Q agrees to the reconfiguration of the area within 250 feet of the southern most point of Parcel Q to provide joint access to Parcel Q parking and a parcel west of and adjacent to Parcel Q for Newport Owners Association parking or parking used in connection with a public transit hub and related facilities. Reconfiguration of Parcel Q parking shall not reduce Parcel Q parking spaces and Grantee shall compensate grantor (owner of Parcel Q) at the time of reconfiguration) for any economic losses of any nature that such reconfiguration causes. Grantor and Grantee shall each appoint appraisers. If these two appraisers' Economic Impact Valuations differ, these two appraisers shall appoint a third appraiser who shall select one of the two Valuations for use in compensating Grantor.
