Article 1  
**DECLARATION**

1.1 Property Subject to this Declaration. Declarant hereby declares that all of the Property shall be held, sold, conveyed, transferred, encumbered, leased, used, occupied and improved subject to and in strict accordance with all of the terms and conditions of this Declaration, as amended, modified or supplemented from time to time, including without limitation all of the covenants, conditions and restrictions set forth herein, all of which are created for the mutual benefit of the Owners of the Property and the Lots. It is the intention of the Declarant in imposing the covenants, conditions and restrictions set forth in this Declaration to create a generally uniform pattern of development of the Property and to protect and enhance the property values and aesthetic values of the Property by eliminating inconsistent uses or improvements, all for the mutual protection and benefit of the Owners of the Lots. All of the terms and conditions of this Declaration, including without limitation all covenants, conditions and restrictions set forth herein, are intended to and shall in all cases run with the title of the land comprising the Property and shall be binding upon all Owners and Residents and their successors, assigns, heirs, lien holders, and any other person holding any interest in the Property and shall inure to the benefit of all other Property in the Project. All of the terms and conditions of this Declaration, including without limitation the covenants, conditions and restrictions set forth herein, shall be binding upon the Association and upon Declarant as well as all of Declarant's successors in interest, and may be enforced by Declarant, by the Board of Directors of the Association, or by any Owner. Notwithstanding the foregoing, no provisions of this Declaration shall prevent Declarant from the completion of any Improvements within the Project, or from using any Lot owned by Declarant as a model home, temporary construction or sales office, nor limit Declarant's right to post signs or engage in other reasonable activities on

the Property incidental to sales or construction which are in compliance with the applicable ordinances of the City. The Project is not a cooperative.

1.2 Reservation to Declarant. There is hereby reserved unto Declarant, its employees, agents, successors and assigns such easements and rights of ingress and egress over, across, through and under the Property and any Improvements now or hereafter constructed thereon as may be reasonably necessary for Declarant, its employees, agents and successors (in a manner not inconsistent with the provisions of this Declaration) to (i) engage in construction upon or to improve the Common Areas with such structures and facilities (including but not limited to sidewalks, and sidewalk lighting and various landscaped areas) designed for the use and enjoyment of all the Members as Declarant may reasonably determine to be appropriate; and (ii) do all things reasonably necessary and proper for the construction, completion, development and sale of the Project. If pursuant to this reservation, the Property or any portion thereof (including any Lot) or any improvement thereon, is traversed or partially occupied by a permanent Improvement or utility line constructed or installed by Declarant, a perpetual easement for such Improvement or utility line shall exist. Each Owner, by acceptance of a deed or other document of conveyance to a Lot, does hereby acknowledge and agree that there will be construction activities, traffic, noises, odors and vibrations which may temporarily disrupt the quiet enjoyment of the Lot until all Improvements within the Project are complete, Each Owner does further hereby waive any right to object to such construction activities. ### **ARCHITECTURAL DESIGN REVIEW COMMITTEE**

4.1 Membership. The ARC shall be composed of three (3) individuals or entities the Declarant determines in its sole discretion, who need not be Members of the Association. All of the members of the ARC shall be appointed, removed, and replaced by Declarant in its sole discretion, until the expiration of the Class B Control Period, and at that

time the Board shall succeed to Declarant's right to appoint, remove, or replace the members of the ARC.

4.2 Purpose. The ARC shall review, study and either approve, reject or request resubmittal of proposed developments, landscaping and Improvements to all Lots, all in compliance with the Project Documents and as further set forth in the rules and regulations of the ARC adopted and established from time to time by the ARC.

(a) The ARC shall exercise its best judgment to see that all Improvements constructed on all Lots conform and harmonize with any existing structures as to external design, quality and type of construction, materials, color, location on all Lots, height, grade and finished ground elevation, and all aesthetic consideration set forth in the Project Documents.

(b) Except for Improvements and landscaping made by Declarant, no Improvement or landscaping on a Lot shall be erected, placed or altered on any Lot nor shall any construction be commenced until plans for such Improvement or landscaping shall have been approved by the ARC.

(c) The actions of the ARC in the exercise of its discretion by its approval or disapproval of plans, proposed landscaping and other information submitted to it, or with respect to any other matter before it, shall be conclusive and binding on all interested parties.

4.3 Organization and Operation of the ARC.

(a) Except for two of the initial members of the ARC appointed by Declarant (whose term shall commence when such members are appointed by Declarant and whose term shall expire upon the expiration of the Class B Control Period, unless any such member is replaced by Declarant prior to the expiration of the Class B Control Period), the term of office of each member of the ARC, subject to Section 4.1 hereof, shall be one (1) year, commencing January 1 of each year, and continuing until his successor shall have been appointed. Should an ARC member die, retire, become incapacitated, or in the event of a temporary absence of a member, a successor may be appointed as provided in Section 4.1 hereof. During the Class B Control Period, the Declarant may remove any member of the ARC at any time for any cause without notice.

(b) So long as Declarant appoints the ARC, Declarant shall appoint the chairman. At such time as the ARC is appointed by the Board, the chairman shall be elected annually from among the members of the ARC by majority vote of said members.

(c) The chairman shall take charge of and conduct all meetings and shall provide for reasonable notice to each member of the ARC prior to any meeting. The notice shall set forth the time and place of the meeting, and notice may be waived by any member. (e) The ARC may avail itself of technical and professional advice and consultants as it deems appropriate.

4.4 Expenses of the ARC. Except as provided below, all expenses of the ARC shall be paid by the Association as a Common Expense. The ARC shall have the right to charge a fee for each application submitted to it for review, in an amount which may be established by the ARC from time to time, and such fees shall be collected by the ARC and remitted to the Association to help defray the expenses of the ARC's operation.

4.5 Limitation of Liability. The ARC shall use reasonable judgment in approving or disapproving all plans and specifications submitted to it. Neither the ARC, nor any individual ARC member, shall be liable to any person for any official act of the ARC in connection with submitted plans and specifications, except to the extent the ARC or any individual ARC member acted with gross negligence or was guilty of willful misconduct. Approval by the ARC does not necessarily assure approval by the appropriate Municipal Authority. Notwithstanding that the ARC has approved plans and specifications, neither the ARC nor any of its members shall be responsible or liability to any Owner, developer, or contract holder with respect to any loss, liability, claim, or expense which may arise by reason of such approval of the construction of any Improvements. Neither the Board, the ARC, or any agent thereof, nor Declarant or any of its shareholders, employees, agents, or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of the Project Documents, nor for any structural or other defects in any work done according to such plans and specifications. In all events the ARC shall be defended and indemnified by the Association in any such suit or proceeding which may arise by reason of the ARC's decision. The Association, however, shall not be obligated to indemnify each member of the ARC to the extent any such member of the ARC shall be adjudged to be liable for gross negligence or willful misconduct in the performance of his duty as a member of the ARC, unless and then only to the extent that the court in which such action or suit may be brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expense as such court shall deem proper.

4.6 Certificate of Compliance. Upon payment of a reasonable fee established from time to time by the Board, and upon written request of any Owner or his agent, an existing or prospective Mortgagee, or a prospective grantee, the ARC shall issue an acknowledged certificate setting forth generally, to the best of the ARC's knowledge, that the Owner is not in violation of any of the terms and conditions of the Project Documents. Unless such request shall be complied with within thirty (30) days after receipt of the request, it shall be conclusively presumed that the Owner and the Owner's Improvements are in conformance with all the terms and conditions of the Project Documents subject to the control of the ARC.

No Owner shall make any alterations or modifications to the exterior of any Dwelling, or other building, fences, railings, or walls situated within the Project without the prior written consent of the Board of Directors, which consent shall be in the Board of Directors' sole discretion.

(xiii) Signs. No signs (including, but not limited to commercial, political, "for sale," "for rent," and similar signs) shall be erected or maintained on any Lot or Dwelling without the prior written consent of the Board, except that the Owner of a Lot may display one "for sale" sign pertaining to such Owner's Lot, provided that the following conditions are satisfied:

(A) The sign may not be larger than 24 inches by 30 inches in size.

(B) The sign may be displayed in a window, OR the sign may be displayed on a post of a size not to exceed 4 inches square and not to exceed 6 feet in height, and such sign may be displayed only in a location within the Common Area or Limited Common Area for such Lot that has been approved by the Board, and such location shall not impede pedestrian use of a sidewalk nor obscure the view triangle for any driveway or road intersection. The sign may not be: (A) placed within the park strip between the sidewalk and the street, (B) hung from any fence, or (C) placed in any Common Area or Limited Common Area without the written approval of the Board. The Board must approve in writing the location of all exterior signs displayed for Lots. The Owner of a Lot displaying a sign without the required Board approval will be assessed a fine of \$50 by the Board.

(xiv) Solar Equipment. To the full extent permissible under state and federal law, no Owner may install any solar energy device within the Project.

(xv) Energy Conservation Equipment. To the full extent permissible under state and federal law, no solar energy device, solar energy collector panels, other energy conservation equipment or attendant hardware shall be constructed or installed within the Project without the prior written consent of the Board of Directors.

(xvi) Business Use. No commercial business or trade may be conducted on, in, or from any Lot unless: a) the existence or operation of the business activity is not apparent or detectable by sight or sound from outside the Dwelling; b) the business activity conforms to all zoning requirements for the Project; c) the business activity does not involve door-to-door solicitation of Residents of the Project; and d) the business activity is consistent with the residential character of the Project and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other Residents of the Project, as may be determined in the sole discretion of the Board of Directors. Notwithstanding the above, the

leasing of a Dwelling shall not be considered a trade or business within the meaning of this sub-Section.

(xvii) Storage and Parking of Vehicles. The driving, parking, standing and storing of motor vehicles in, on or about the Project shall be subject to the following:

(A) The parking rules and regulations adopted by the Board of Directors from time to time;

(B) Owners and Residents shall be prohibited from parking in any Guest parking spaces in the Common Areas;

(C) Except for purposes of loading or unloading passengers or supplies (for a period of time up to twelve (12) hours), no Recreational, Oversized or Commercial Vehicle parking is allowed in the Project;

(D) Except for Recreational, Oversized or Commercial Vehicles, motor vehicles may be parked on public roads within the Project, to the extent allowed by the ordinances and regulations of the City.

(E) No motor vehicle or trailer, including but not limited to any car, automobile, truck, van, or any other transportation vehicle or device of any kind may be parked or stationed in such a manner so as to block access to any Lot, Dwelling or parking space, or so as to create an obstacle or potentially dangerous condition;

(I) No garage may be altered in such a manner that the number of motor vehicles which may reasonably be parked therein after the alteration is less than the number of motor vehicles that could have been reasonably parked in the garage as originally designed and constructed. This restriction and prohibition is intended to prevent an Owner from utilizing the Owner's garage for storage to the degree that precludes the parking within the Owner's garage of the number of motor vehicles that could be reasonably parked in such garage as originally designed and constructed. The Association shall have the right to establish and assess fines against Owners of Lots found to be in violation of this provision.

(J) Garage doors shall remain closed except when the garage is in use;

(K) The Board of Directors shall have the right to designate certain areas within the Project that are to be reserved for snow storage during the period of time beginning on November 1 and continuing through the subsequent March 30. To the full extent permissible under state and federal law, no television, radio, shortwave, microwave, satellite, flag or other antenna, pole, tower or dish shall be placed, constructed or maintained upon any Lot, Dwelling, or other part of the Project unless such antenna, pole, tower or dish is fully and attractively screened or concealed so as not to be visible from the street, which means of screening or concealment shall be subject to the provisions of this Declaration and the regulation and prior approval of the Board of Directors. Notwithstanding the foregoing, the Board of Directors may not prohibit an Owner from displaying a United States flag or Utah State flag from a Dwelling or a Limited Common Area or on a Lot, if the display complies with the United States Code, Title 4, Chapter 1, The Flag, and Utah Code Annotated §§ 57-24-101 and 57-24-102. The Owner of a Dwelling may install on such Owner's Lot or Limited Common Area one flagpole no greater than 20 feet in height for the purpose of displaying a United States flag or Utah State flag. If an Owner desires to construct on such Owner's Lot or Limited Common Area more than one permanent flagpole with a maximum height of 20 feet as provided in the foregoing sentence, the Owner must obtain prior approval for such flagpole from the Board of Directors. In addition to the display by an Owner of a United States flag or Utah State flag as provided above in this Section 5.5(f)(xviii), an Owner of a Unit may display on such Owner's Lot or Limited Common Area at any time a maximum of three (3) non-commercial flags or banners, with the maximum square footage of each such flag or banner being no greater than 15 square feet in size, provided that the display of such flags or banners complies with all applicable laws and ordinances. If an Owner of a Lot or Dwelling desires to display at any time more than three non-commercial flags or banners having a maximum size of 15 square feet per flag or banner, such Owner must obtain prior written approval from the Board of Directors. Notwithstanding the foregoing restrictions, this Declaration shall impose no limitations on the ability of Declarant to construct flagpoles within the Project and to display flags of such size as Declarant elects from any such flagpoles in connection with Declarant's efforts to market and sell Lots and Dwellings within the Project.

(xix) Windows and Window Coverings. No aluminum foil, newspapers, reflective film coatings, or any other similar materials may be used to cover the exterior windows of any Dwelling or garage. Sun shades and tinted windows are allowed. All windows and window panes in the Project shall be harmonious, and comparable in size, design and quality, so as not to detract from uniformity in appearance and construction. Window coverings shall be installed within thirty (30) days of occupancy.

(xx) Pets. No animals, livestock, or poultry of any kind shall be raised, bred, or kept at the Project, except that no more than two (2) dogs, and/or no more than two (2) cats may be kept in or on a Lot, subject to any additional rules and regulations adopted by the Association through its Board of Directors. Notwithstanding any of the foregoing, no dog of any

breed that is commonly known as an aggressive breed shall be allowed. Under no circumstances shall any pets be kept, bred, or maintained for any commercial purpose.

No pet enclosures shall be erected, placed or permitted to remain on any portion of the Common Areas, other than the Limited Common Areas appurtenant to a specific Lot. The keeping of pets and their ingress and egress to the Common Areas shall be subject to such rules and regulations as may be issued by the Board of Directors. Pets must be on a leash at all times when outside a Dwelling.

If a pet defecates on any portion of the Common Areas, the Owner of such pet shall immediately remove all feces left upon the Common Areas by such Owner's pet. If the Owner or Resident of the Project fails to abide by the rules and regulations and/or covenants applicable to pets, the Board of Directors may bar such pet from use of or travel upon the Common Areas. The Board of Directors may subject ingress, egress, use or travel by a pet upon the Common Areas to a user and maintenance fee, which may be a general fee for all similarly situated persons or a specific fee imposed for failure of an Owner, or Resident of the Project to abide by the rules, regulations, and/or covenants applicable to pets. In addition, any pet which endangers the health or welfare of any Owner, Resident, invitee or Guest of the Project or which creates a nuisance (e.g., unreasonable barking, howling, whining or scratching) or an unreasonable disturbance or is not a common household pet, as may be determined in the sole discretion of the Board of Directors, must be permanently removed from the Project upon seven (7) days written notice by the Board of Directors.

(xxi) Insurance. Nothing shall be done or kept in, on or about any Lot, the Common Areas, or Limited Common Areas, which may result in the cancellation of the insurance on the Project or an increase in the rate of the insurance on the Project over what the Board of Directors, but for such activity, would pay.

(xxii) Laws. Nothing shall be done or kept in, on or about any Lot or Common Areas, or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

(xxiii) Damage or Waste. No damage to, or waste of, the Common Areas shall be committed by any Owner or Resident of the Project or any Guest of any Owner or Resident of the Project, and each Owner shall indemnify, defend and hold harmless the Board of Directors and the other Owners from and against all loss resulting from any such damage or waste caused by that Owner or Resident of the Project, or an invitee.

(xxiv) Structural Alterations. No structural alterations to the Common Areas or Dwellings is allowed without the prior written consent of the Board of Directors.

(xxv) Mailboxes. The initial mailbox must be the one approved and provided by the Declarant at the mail station as designated by the Board of Directors.

5.6 No Mining Uses. No mining, quarrying, tunneling, excavating or drilling for any substances within the earth, including but not limited to oil, gas, minerals, gravel, sand, rock and earth, shall ever be permitted on the Property within the Project. The foregoing limitation shall

not preclude drilling and excavation in connection with the construction of roads, utility lines and other Permitted Improvements.

5.7 No Hazardous Activity. No activity may be conducted on any Lot that is, or would be considered by a reasonable person to be, unreasonably dangerous or hazardous, or which would cause the cancellation of conventional property casualty insurance. This includes, without limitation, the storage of caustic, toxic, flammable, explosive or hazardous materials in excess of those reasonable and customary for household uses.

5.8 No Unsightliness. No unsightliness is permitted on any Lot. This requirement shall prohibit, without limitation, the open storage of any building materials (except during the construction of any Dwelling or Improvements); open storage or parking of construction equipment, trucks larger than pick-up trucks (except during periods of actual loading and unloading); accumulations of lawn or tree clippings or trimmings; accumulations of construction debris or waste; household refuse or garbage except as stored in tight containers in an enclosure such as a garage.

5.9 No Annoying Lights. No outdoor lighting shall be permitted except for lighting that is designed to aim downward and limit the field of light to the confines of the Lot on which it is installed. This shall not apply to street lighting maintained by the City.

5.10 No Transient Lodging Uses. The Lots are to be used for residential housing purposes only and shall not be rented in whole or in part for transient lodging purposes, boarding house, "bed and breakfast," or other uses for providing accommodations to travelers.

5.11 Garbage and Refuse Disposal. No Lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept on any Lot, except in sanitary containers approved by the Board. All equipment for the storage or disposal of waste or rubbish shall be kept in a clean and sanitary condition and must meet the approval of the Board.

5.12 Fences and Walls. No fences or walls shall be constructed on or around any Lots within the Project without the prior approval of the ARC.

## Article 6 RESTRICTIONS ON LOTS

6.1 Dwelling and Ancillary Structures: No Dwelling or other Improvements shall be placed, erected, altered, or permitted to remain on any Lot other than one (1) single family Dwelling and one (1) garage together with related nonresidential Improvements. The Dwelling on each Lot shall be used for private residence purposes only, and no structure of any kind shall be moved from any other location and placed upon a Lot, nor shall any incomplete building or Improvement of any type be permitted to remain incomplete on a Lot for a period in excess of one (1) year from the date the Improvement was started. No structure of a temporary character nor any trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence, either temporarily or permanently.

6.2 Completion of Dwelling. All construction and alteration work shall be prosecuted diligently, and each Dwelling which is commenced on any Lot shall be entirely completed within twelve (12) months after commencement of construction.

6.3 Used or Temporary Structures: No used or previously erected or temporary house, structure, house trailer, mobile home, camper, or nonpermanent outbuilding shall be placed, erected, or allowed to remain on any Lot except during construction periods, and no Dwelling shall be occupied in any manner prior to its completion and the issuance by the City of a certificate of occupancy for such Dwelling.

6.4 Minimum Architectural Requirements: The following shall be considered to be minimum architectural requirements with respect to Dwellings constructed within the Project:

(a) Exterior materials on all Dwellings shall be limited to brick, stone, stucco, rock, hardy board, hardy plank or hardy shingle or similar manufactured materials of equal quality. No Dwellings shall be constructed with readily combustible exterior finishes, which prohibition shall preclude without limitation wood shingles, wood soffits, wood fascia and wood siding.

(b) No prefabricated Dwellings or trailers shall be allowed or constructed.

(c) All roofs shall be made of fire resistant dimensional shingles or other fire resistant roofing materials. The shingles must be a minimum of 25 year dimensional shingles.

(d) All buildings, structures and improvements on any Lot shall comply with the construction guidelines and specifications of the planning and building department of the governmental authority having jurisdiction over the Project.

6.5 Slope and Drainage Control. No Improvement, planting or other material shall be placed or permitted to remain, nor shall any other activities be undertaken, which may damage or interfere with established slope ratios, which create erosion or sliding problems, or which may change the direction or flow of drainage channels or obstruct or retard the flow of water through drainage channels. The slope control areas of each Lot and all Improvements within them shall be maintained continuously by the Owner of the Lot, except for those Improvements for which a public authority or utility company is responsible. All Lot Owners shall retain and control all water runoff from such Owner's Lot or Lots, so as not to damage or hinder other Lots or Owners. If a drainage channel is altered by an Owner, the Declarant and/or the Association expressly reserve the right to enter onto the property to restore the area at the cost of the Owner, and without being guilty of a trespass.

6.6 Landscaping. No Owner shall plant or install any type of landscaping on any portion of the Limited Common Areas appurtenant to such Owner's Lot without first obtaining the approval of the ARC for such proposed landscaping or planting.

## Article 7

**MAINTENANCE OBLIGATIONS**

7.1 **Owner's Duty to Maintain.** It is the obligation of the Owner of each Lot, at such Owner's sole expense, to maintain properly such Owner's Lot, Dwelling and all Improvements to the Lot and also all Improvements located on the Limited Areas appurtenant to such Owner's Lot, including all driveways, sidewalks and patios within such Limited Common Areas, in a good state of repair and an attractive, safe, and healthy condition at all times in order to preserve and enhance the enjoyment of the Project. The Owner of each Lot shall be responsible, at such Owner's expense, for all snow removal from the driveway, sidewalks and patio areas located on the Limited Common Areas appurtenant to such Owner's Lot and also for all snow removal from all sidewalks located in front of such Owner's Lot, whether or not such sidewalks are located within a public right of way.

7.2 **Association's Duty to Maintain.** The Association shall be responsible to maintain the Common Areas within the Project, other than the Limited Common Areas that are appurtenant to a specific Lot.

7.3 **Repair Following Damage.** No damaged Improvements will be permitted to remain on any Lot for more than ninety (90) days without all necessary repairs to such Improvements being completed at the Owner's expense. Any damaged Improvements which remain unrepaired after ninety (90) days following the occurrence of damage is deemed a nuisance which may be abated by the Association. All expenses incurred by the Association to repair such damage shall be payable immediately by the Owner of such Lot to the Association as an Individual Assessment pursuant to Section 9.10 of this Declaration, upon receipt by such Owner from the Association of a written notice of such Individual Assessment. The Association shall be entitled to enforce the collection of such Individual Assessment pursuant to Section 9.12 of this Declaration.

## Article 8

**CONSTRUCTION COVENANTS**

8.1 **Introduction.** Notwithstanding any other provisions in this Article 8 or in any other provisions of this Declaration to the contrary, none of the provisions or restrictions set forth in this Article 8 shall pertain to or be binding upon Declarant. In order to minimize the disturbance of the Property within the Project during any construction activities, and to minimize the inconvenience to adjoining Owners, the following construction regulations shall be enforced. These regulations shall be made a part of the construction contract between the Owner and the builder of each Dwelling or other Improvements on a Lot. The Owner shall be bound by these regulations, and violations committed by the builder or its employees, subcontractors or others shall be deemed a violation by the Owner for which the Owner shall be liable.

8.2 **Construction Debris Removal.** The builder must comply with the ordinances of the City and the requirements of the Board requiring the placement and maintenance of a trash container or dumpster on the Lot. The builder shall collect trash at the end of each work day and deposit construction trash, packing material, unusable scraps, and other debris in a suitable container, protected from the wind. Such container shall be regularly serviced. No trash may be

burned, buried, or otherwise disposed of on the Property. No concrete trucks may be cleaned out on the Lot, the Property or anywhere within the Project.

8.3 Construction Area Appearance. The Lot must be maintained in a reasonably organized and neat condition at all times during the construction or the repair of a Dwelling or other Improvements. Once the Dwelling is enclosed, materials shall be stored inside the Dwelling and out of sight, whenever practical and possible.

8.4 Sanitary Facilities. The builder is responsible for the installation and maintenance of an approved portable toilet facility during construction. The portable toilet must be located on the Lot at a location approved by the Board and must be removed from the site at such time as the permanent plumbing system is operational.

8.5 Construction Parking and Vehicles. Construction crews must park their vehicles on the Lot on which they are working or on the street in front of such Lot and shall not use or park on any other Lot or any other Property within the Project. All vehicles must be parked to allow the free flow of traffic within the Project.

8.6 Removal of Mud. The builder is responsible for cleaning up and removing mud from the construction site that is deposited on the roadways of the Project.

8.7 Duration of Construction. No construction shall be undertaken without a building permit and all other necessary permits from the City and any other governmental entity having jurisdiction over construction on the site. No materials, tools, temporary offices or portable toilets, excavation or construction equipment or similar materials or equipment may be delivered to the site prior to the issuance of the permit(s). It is the obligation of the Owner to proceed with construction with all reasonable speed once construction has commenced, and in any event, all exterior surfaces of the Dwelling shall be substantially complete within a period of six months from commencement.

8.8 Repair of Damage. Each Owner is responsible for the prompt repair of any damage to any Property within the Project caused by or incidental to such Owner's construction, including without limitation any cracked or broken sidewalks. The Board, if necessary, may initiate legal action against any Owner for the repair of damage that occurs from construction activity pertaining to that Owner's Lot. The Board shall be entitled to record a notice of lien against such Owner's Lot until all such damage is repaired and paid for, in the manner described in Section 9.12 of this Declaration.

## Article 9

### THE ASSOCIATION

9.1 Board of Directors. The affairs of the Association shall be conducted by a Board of at least three (3) directors, but no more than five (5) members (as determined by the Board of Directors), and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws, as the same may be amended from time to time. The initial Board shall be composed of three (3) directors appointed by Declarant, which initial Board shall be controlled by Declarant until the expiration of the Class B Control Period. At the first meeting after the expiration of the Class B Control Period, three members of the Board of Directors shall be

elected by the Owners. Two (2) members of the Board of Directors shall be elected for two-year terms and one (1) member of the Board of Directors shall be selected for a one-year term. Thereafter, all members of the Board of Directors shall be elected for two year terms. The Board may also appoint various committees and may appoint a Manager who shall, subject to the direction of the Board, be responsible for the day-to-day operation of the Association. The Board shall determine the compensation to be paid to the Manager.

9.2 Status and General Authority of Board of Directors. Any instrument executed by the Board of Directors that recites facts which, if true, would establish the Board of Director's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Board of Directors shall have, and is hereby granted, the following authority and powers:

(a) Access. The power and authority to enter into or upon any Lot to make repairs and to do other work reasonably necessary for the proper maintenance and operation of the Project. Except in the case of an emergency, reasonable notice shall be given to the Residents.

(b) Grant Easements. The authority, without the vote or consent of the Owners, Mortgagees, insurers or guarantors of any Mortgage, or of any other Person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across and through the Common Areas for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance, operation or regulation of the Project.

(c) Execute Documents. The authority to execute and record, on behalf of all Owners, any amendment to the Declaration or Plat which has been approved by the vote or consent necessary to authorize such amendment.

(d) Standing. The power to sue and be sued.

(f) Promulgate Rules. The authority to promulgate Rules pertaining to the Project, as provided in Section 5.5(d) of this Declaration.

(g) Meetings. The authority to establish procedures for the conduct of its meetings, including but not limited to the power to decide what portion of the meeting shall be open or closed to Members of the Association or Residents not on the Board of Directors, to retire to executive session, to regulate record keeping, and to allow, control or prohibit the electronic reproduction (video or audio) of Board of Directors meetings.

(h) All Other Acts. The power and authority to perform any and all other acts, and to enter into any other transactions which may be reasonably necessary for the Board of Directors to perform its functions on behalf of the Owners.

9.3 Classes of Membership and Voting Allocations. The Association shall have two (2) classes of membership—Class A and Class B, described more particularly as follows:

(a) Class A. Class A Members shall be all Owners with the exception of the Class B members, if any. Class A Members shall be entitled to vote on all issues before the Association, subject to the following:

(i) Each Lot shall have one (1) vote.

(ii) No vote shall be cast or counted for any Lot not subject to Assessment.

(iii) When more than one (1) Person or entity holds an ownership interest in a Lot, the vote for such Lot shall be exercised by those Persons or entities as they themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the vote of the Lot shall be suspended in the event more than one (1) Person or entity seeks to exercise it.

(iv) An Owner of a Lot which has been leased may, in the lease or other written instrument, assign the voting right appurtenant to that Lot to the lessee, provided that a copy of such instrument is furnished to the Secretary at least three (3) days prior to any meeting.

(b) Class B. The Class B Member shall be Declarant and any successor of Declarant who takes title for the purpose of development and sale of Lots, and who is designated as such in a recorded instrument executed by Declarant. The Class B Member shall originally be entitled to three (3) votes per Lot owned. The Class B membership shall terminate, and Class B membership shall convert to Class A Membership upon the happening of the earlier of the following (herein referred to as the “**Event**” or “**Events**”):

(i) Four (4) months after one hundred percent (100%) of the Lots have been sold; or

(ii) Ten (10) years after the recording of this Declaration in the Office of the Recorder of Utah County, Utah; or

(iii) When, in its sole discretion, Declarant so determines. If and when Declarant elects to relinquish control of the Association, Declarant shall send written notice of such relinquishment to the Class A Members of the Association, and Declarant, after giving such written notice to the Class A Members, shall Record an instrument voluntarily surrendering all rights to control activities of the Association, pursuant to Section 57-8a-502 of the Utah Code, as such Section may subsequently be amended or replaced. The effective date of such Event shall be the date Declarant Records such instrument.

From and after the happening of the first to occur of the Events, (i) the Class B Member shall be deemed to be a Class A Member entitled to one vote for each Lot owned, (ii) the Board of Directors shall call an annual or special meeting, as applicable, in the manner described in the Bylaws to (A) advise the Owners of the termination of the Class B

Member status, and (B) elect a new Board of Directors in accordance with Section 9.1 above.

9.4 Professional Management. The Association may carry out through the Manager those of its functions which are properly subject to delegation. The Manager so engaged shall be an independent contractor and not an agent or employee of the Association, shall be responsible for managing the Project for the benefit of the Association and the Owners, and shall, to the extent permitted by law and by the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself. Any such management agreement may be terminated by the Declarant without cause at any time during the Class B Control Period. In addition, any such management agreement may be terminated by the Association without cause upon giving reasonable notice at any time after the expiration of the Class B Control Period.

9.5 List of Owners Eligible Mortgagees, and Eligible Insurers of Guarantors. The Board of Directors shall maintain up-to-date records showing: a) the name of each Person who is an Owner, the address of such Person, and the Lot which is owned by such Owner; b) the name of each Person or entity who is an Eligible Mortgagee, the address of such Person or entity, and the Lot which is encumbered by the Mortgage held by such Person or entity; and c) the name of each Person or entity who is an Eligible Mortgagee or Eligible Insurer or guarantor, the address of such Person or entity, and the Lot which is encumbered by the Mortgage insured or guaranteed by such Person or entity. In the event of any transfer of a fee or undivided fee interest in a Lot, either the transferor or transferee shall furnish the Board of Directors with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the Office of the Recorder of Utah County, Utah. The Board of Directors may for all purposes act and rely on the information concerning Lot ownership in its records or, at the option of the Board of Directors, the records of the Recorder of Utah County, Utah. The address of any Owner shall be deemed to be the address of the Lot owned by such Person, unless the Board of Directors is otherwise advised in writing.

9.6 Capital Improvements and Table. The Board of Directors shall prepare a table of Capital Improvements, which shall contain a list of foreseeable expenditures for Capital Improvements within the Common Areas. The table shall be included in every annual budget, and it shall be reviewed and updated at least annually, and reasonable reserve accounts shall be established by the Board of Directors for the replacement of capital assets as they age. Expenditures by the Association for Capital Improvements to the Project shall be subject to and governed by the following:

(a) Board of Directors Discretion/Expenditure Limit. So long as the line item in the annual Budget for such improvements will not be exceeded by more than ten percent (10%), Capital Improvements may be authorized by the Board of Directors alone.

(b) Owner Approval/Expenditure Limit. Any Capital Improvements, the cost of which will exceed the amount described in Section 9.6(a) must prior to the commencement of construction, be authorized by at least a Majority of the Owners.

9.7 Common Areas Expenses. Each Owner, upon receipt of a deed to a Lot, shall pay his Assessments subject to and in accordance with the restrictions set forth below; provided, however, anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments pertaining to a Lot until such time as any Dwelling on such Lot is substantially complete and a permanent certificate of occupancy has been issued or, in the alternative, the Declarant elects in writing to commence payment, whichever first occurs.

(a) Purpose of Common Areas Expenses. The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and Residents, including the maintenance of any real and personal property owned by the Association, and regulating the Project, all as may be more specifically authorized from time to time by the Board of Directors.

(b) Creation of Assessments. Each Owner, by acceptance of a deed for a Lot within the Project, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed.

(c) Budget. Not less than ten (10) days or more than thirty (30) days prior to the annual Owners' meeting of the Association, the Board of Directors shall prepare and deliver to the Owners a proposed budget which:

(i) Shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(ii) Shall be based upon advance estimates of cash requirements by the Board of Directors to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, which estimates shall include but are not limited to expenses of management, grounds maintenance, taxes and special assessments, premiums for all insurance which the Board of Directors is required or permitted to maintain, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Board of Directors employees, legal and accounting assessments, any deficit remaining from a previous period, the creation of a reasonable contingency reserve, surplus or sinking fund, capital improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration.

(d) Uniform Rate of Assessment. The annual Assessments shall be allocated to the Owners equally, with each Lot being assessed an equal amount, and the annual Assessments may be collected on an annual, semi-annual, quarterly or monthly basis, as determined by the Board of Directors.

(e) Approval of Budget and Assessments. The proposed budget and the annual Assessments shall become effective unless disapproved at the annual Owners' meeting by a vote of at least a Majority of the Owners or unless disapproved by a vote of at least a Majority of the Owners at a special meeting called for that purpose within forty-five (45) days after the date of the meeting at which the Board of Directors presented the proposed budget to the Owners. Notwithstanding the foregoing, however, if the membership disapproves the proposed

budget and Assessments or the Board of Directors fails for any reason to establish the budget and Assessments for the succeeding year, then and until such time as a new budget and new Assessment schedule shall have been established, the budget and the Assessments that the Board of Directors last adopted that was not disapproved by at least a Majority of the Owners shall continue as the budget until and unless the Board of Directors presents another budget to the Owners and that budget is not disapproved.

(f) Payment of Assessments. The Board of Directors has the sole authority and discretion to determine how and when the Assessments are paid. The dates and manner of payment of the Assessments shall be determined by the Board of Directors.

(g) Personal Obligation of Owner. Owners are liable to pay all Assessments assessed, accruing interest, late charges and collection costs, including attorneys' fees. Provided, however, no Mortgagee or beneficiary under a first deed of trust (but not the seller under an executory contract of sale such as a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Lot pursuant to the remedies provided in the Mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "**Owner**" shall mean and refer jointly and severally to: (i) the Owner of both the legal and equitable interest in any Lot, (ii) the owner of record in the Official Records, and (iii) both the buyer and seller under any executory sales contract or other similar instrument.

(h) Reserve Accounts. The Board of Directors shall establish and maintain at least two (2) reserve accounts: one to pay for unexpected operating expenses and the other to pay for Capital Improvements (known as the Reserve Fund discussed more fully below). The reserve accounts shall be funded out of Assessments (as reasonably determined by the Board).

(i) Acceleration. Assessments shall be paid in the manner and on dates fixed by the Board of Directors who may, at its option and in its sole discretion, elect to accelerate the entire annual Assessment for delinquent Owners. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Board of Directors otherwise decides acceleration is not in its best interest, the Board of Directors, at its option and in its sole discretion, may elect to decelerate the obligation.

(j) Statement of Assessments Due. Upon written request, the Board of Directors shall furnish to any Owner a statement of Assessments due, if any, on his Lot. Failure to provide the certificate within ten (10) days after a written request, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed Ten Dollars (\$10.00) for the issuance of such certificate.

(k) Superiority of Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled.

(l) Suspension of Right to Vote for Non-Payment. At the discretion of the Board of Directors, the right of an Owner to vote on issues concerning the Association may be

suspended if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

(m) Failure to Assess. The omission or failure of the Board of Directors to fix the Assessment amounts or rates or to deliver or mail to each Owner an Assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay Assessments. In such event, each Owner shall continue to pay annual Assessments on the same basis as for the last year for which an Assessment was made until a new Assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

(n) Equitable Changes. If the aggregate of all monthly payments on all of the Lots is too large or too small as a result of unanticipated income or expenses, the Board may from time to time effect an equitable change in the amount of said payments. Owners shall be given at least thirty (30) days prior written notice of any changes.

(o) Re-assessments. The Board may exercise its business judgment and if, because of bankruptcies and/or foreclosures, the charge-offs and delinquencies in any given year create too great a shortfall in the operating account and budget, then the Board, rather than deplete the contingency reserve account, may elect to reassess among all of the Owners based upon their percentages of ownership interest an amount equal to the total of unpaid or uncollected assessments. Owners shall be given at least thirty (30) days written notice of any such reassessment.

(p) Reserve Fund.

(i) The Board of Directors shall cause the Association to establish and maintain an adequate and reasonable Reserve Fund for maintenance, repairs and replacement of the Common Areas that are to be maintained by the Association that must be replaced on a periodic basis, and the Reserve Fund shall be funded from the Assessments (in amounts to be reasonably determined by the Board in accordance with the terms hereof and applicable law). The Reserve Fund shall be maintained by the Association in a bank account separate from the bank account maintained by the Association for the other funds of the Association.

(ii) Pursuant to Section 57-8a-211 of the Utah Code, as may be amended from time to time, the Board shall cause a Reserve Fund analysis to be conducted on a periodic basis. After the initial Reserve Fund analysis is conducted, the Board shall review and, if necessary, update a previously conducted Reserve Fund analysis on a periodic basis. The Board may conduct a Reserve Fund analysis itself or may engage a reliable person or organization, as determined by the Board, to conduct the Reserve Fund analysis. The Board may not use money in the Reserve Fund: (a) for daily maintenance expenses, unless a majority of the Members vote to approve the use of the Reserve Fund money for that purpose; or (b) for any purpose other than the purpose for which the Reserve Fund was established. The foregoing may not be construed to limit the Board from prudently investing money in the Reserve Fund, subject to any investment constraints imposed by the Articles of Incorporation or Bylaws. The Association shall: (a) annually, at the annual meeting of Owners or at a special meeting of Owners: (i) present any Reserve Fund analysis conducted; and (ii) provide an opportunity for

Owners to discuss reserves and to vote on whether to fund a Reserve Fund and, if so, how to fund it and in what amount; and (b) prepare and keep minutes of each such meeting held and indicate in the minutes any decision relating to funding a Reserve Fund.

9.8 Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

(a) Board of Directors Based Assessment. So long as the special assessment does not exceed the sum of One Hundred Dollars (\$100.00) (the “**Special Assessment Limit**”) per Lot in any one fiscal year, the Board of Directors may impose the special assessment without any additional approval.

(b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a Majority of the Members of the Association. The Board of Directors in its discretion may allow any Special Assessment to be paid in installments.

9.9 Specific Assessments. The Board of Directors shall also have the power specifically to assess the Owners in a particular area pursuant to this Section (“**Specific Assessment**”) as, in its discretion, it shall deem necessary or appropriate, subject to the following:

(a) No Obligation or Waiver. Failure of the Board of Directors to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board of Director’s right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board of Directors has not previously exercised its authority under this Section.

(b) Enabling Power. The Board of Directors may specifically assess an Owner in a particular area in the manner set forth below; provided, however, the Specific Assessment is not for any maintenance, repair or replacement ordinarily required by this Declaration, and the Owner has the choice to accept or reject the benefit:

(i) If the expense benefits less than all of the Lots, then those Lots benefited may be specifically assessed, and the Specific Assessment shall be equitably apportioned among those Lots according to the benefit received.

(ii) If the expense benefits all Lots, but does not provide an equal benefit to all Lots, then all Lots shall be specifically assessed, but the Specific Assessment shall be equitably apportioned among all Lots according to the benefit received.

9.10 Individual Assessments. Individual Assessments shall be levied by the Board of Directors against a Lot and its Owner to reimburse the Association for:

(a) Fines. Fines levied and costs incurred in enforcing Project Documents;

(b) Maintenance and Repairs. Costs associated with the maintenance, repair or replacement of that for which the Owner is responsible;

(c) Other. Any other charge, fee, dues, expense, or cost designated as an Individual Assessment in the Project Documents; and

(d) Collection Costs. Attorneys' fees, interest, and other charges relating thereto as provided in this Declaration.

9.11 Reinvestment Fee. Subject to the terms and conditions of Section 9.11(b) below, the Board of Directors shall have the right to establish from time to time (but shall not be required to establish) a Reinvestment Fee assessment in accordance with this Section 9.11. If established by the Board of Directors, the following terms and conditions shall govern Reinvestment Fees:

(a) Upon the occurrence of any sale, transfer or conveyance (as applicable, a "Transfer") of any Lot, the party receiving title to the Lot (the "Transferee") shall pay to the Association a "Reinvestment Fee" in an amount to be established by the Board from time to time, provided that in no event shall the Reinvestment Fee exceed the lesser of (a) one-half percent (0.5%) of the value of the applicable Lot (including improvements, if any), or (b) the maximum rate permitted by applicable law.

(b) Notwithstanding anything to the contrary contained in this Section 9.11, the Association shall not levy or collect a Reinvestment Fee for any of the Transfers described below:

(i) Any Transfer to (a) the United States or any agency or instrumentality thereof, or (b) the State of Utah or any county, city, municipality, district or other political Project of the State of Utah.

(ii) Any Transfer to the Association or its successors.

(iii) Any Transfer, whether outright or in trust, that is for the benefit of the Transferor or the Transferor's relatives, but only if the consideration for the Transfer is no greater than 10 percent of the value of the Lot transferred.

(iv) Any Transfer or change of interest by reason of death, whether provided for in a will, trust or decree of distribution, except for a sale of a site by the estate of an Owner.

(v) Any Transfer made by a Person owning a Lot or portion thereof to a legal entity or trust owned or controlled by the Transferor.

(vi) Any Transfer made solely for the purpose of confirming, correcting, modifying or supplementing a Transfer previously recorded, making minor boundary adjustments, removing title defects or encumbrances affecting the title to such Lot, or granting easements, rights of way or licenses, and any exchange of Lots between Declarant and any original purchaser from Declarant of the one or more Lots being Transferred to Declarant in such exchange.

(vii) Any lease of any Lot or portion thereof for a period of less than thirty (30) years

(viii) Any Transfer to secure a debt or other obligation or to release any Lot that is encumbered as security for a debt or other obligation.

(ix) Any Transfer in connection with (a) the foreclosure of a deed of trust or mortgage, or (b) a deed given in lieu of foreclosure.

9.12 Collection of Assessments. All Assessments must be paid in a timely manner and shall be collected as follows:

(a) Time is of the Essence. Time is of the essence, and all Assessments shall be paid promptly when due.

(b) Delinquent Assessments. Any Assessments which are not paid when due are delinquent (hereinafter, a “**Delinquent Assessment**”), and a lien against the Lot affected shall attach automatically, regardless of whether a notice of lien is recorded.

(c) Late Charges and Accruing Interest. Any Assessments delinquent for a period of more than ten (10) days shall incur a late charge of Twenty-Five Dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater. Interest at the rate of one and one-half percent (1.5%) per month shall accrue on all delinquent accounts. The Board of Directors may, in its sole discretion, change the amount of the late charge or waive the late charge and accruing interest, but is not required to do so.

(d) Notice of Delinquency. The Association shall give a notice of delinquency to any Owner who has not paid any Assessments in a timely manner.

(e) Notice of Lien. If any Assessment in a notice of lien evidencing the unpaid amounts, accruing interest, late charges, attorneys’ fees, the cost of a foreclosure or abstractor’s report, and any other Additional Charges permitted by law should be filed in the Official Records, then the lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all other Owners. It may be executed by the Association’s attorney, manager, Board of Directors member or other designated agent.

(f) Foreclosure of Lien and/or Collection Action. If any Assessments remain unpaid, the Association may, as determined by the Board of Directors, institute suit to collect the amounts due and/or to foreclose the lien.

(g) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, deeds of trust or encumbrances may be foreclosed.

(h) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein by the non-use of Common Areas or by the abandonment of his Lot.

(i) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Board of Directors to take some action or to perform some function required to be taken or performed by the Association or Board of Directors under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with an order or directive of any municipal or other governmental authority. The obligation to pay Assessments shall be a separate and independent covenant on the part of each Owner.

(j) Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Assessments and current Assessments.

(k) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Board of Directors. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. This includes judicial foreclosure (through the courts) or nonjudicial foreclosure (outside the courts) provided the prior notice of intent required by statute is sent. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report and reasonable attorneys' fees. The Board of Directors may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

(l) Appointment of Trustee. Declarant hereby conveys and warrants, pursuant to Sections 57-1-20, 57-8a-302 and 57-8a-402 of the Utah Code, to Cottonwood Title Insurance Agency, Inc., a Utah corporation, as trustee, with power of sale, all of the Lots within the Project and all of the Improvements to the Lots within the Project for the purpose of securing payment of all of the Assessments under the terms of this Declaration. Each Owner, by accepting a deed to the Lot, also hereby conveys and warrants to Cottonwood Title Insurance Agency, Inc., a Utah corporation, as trustee, with power of sale, each Lot acquired by such Owner and all of the Improvements thereon for the purpose of securing payment of all of the Assessments under the terms of this Declaration and such Owner's performance of such Owner's obligations set forth herein.

(m) Attorney in Fact. To the extent not prohibited by the Utah Community Association Act set forth in Section 57-8a-101, et seq., of the Utah Code, as amended from time to time, each Owner by accepting a deed to a Lot hereby irrevocably appoints the Association as his attorney in fact to collect rent from any Person renting his Lot, if the Lot is rented and if the Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

9.13 Liability of Board of Directors. The Association shall indemnify every officer and member of the Board of Directors against any and all expenses, including but not limited to

attorneys' fees reasonably incurred by or imposed upon any officer or member of the Board of Directors in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer or member of the Board of Directors. The officers and members of the Board of Directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Board of Directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association shall indemnify, defend and hold harmless each such officer and member of the Board of Directors from and against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Board of Directors, or former officer or member of the Board of Directors, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

9.14 Insurance. The Board of Directors shall at all times purchase, maintain in force, and pay the premium for insurance on all Common Areas within the Project satisfying the insurance requirements set forth in Sections 57-8a-401 through 57-8a-407 of the Utah Code, as such Sections may be amended, supplemented or replaced from time to time (the "**Statutory Insurance Requirements**").

9.15 Consent in Lieu of Vote. In any case in which this Declaration requires the vote of the Members for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members who collectively hold the required percentages, subject to the following conditions:

(a) 90-Day Limit. All necessary consents must be obtained prior to the expiration of ninety (90) days from the time the first written consent is obtained; and

(b) Changes in Ownership. Any change in ownership of a Lot which occurs after consent has been obtained from the Member having an interest therein shall not be considered or taken into account for any purposes.

9.16 Amendment.

(a) By Owners. Except as provided elsewhere in this Declaration, the affirmative vote of at least a Majority of the Owners shall be required and shall be sufficient to amend the Declaration. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Association. In such instrument the Association shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained.

(b) By Declarant. Until the expiration of the Class B Control Period, Declarant may unilaterally amend this Declaration or the Plat for any purpose that Declarant deems to be in the best interest of the Project.

9.17 Notice and Hearing. If an Owner or Resident is charged with a material violation of the Project Documents, then:

(a) Notice. Written notice specifying the nature of the violation (and providing any other appropriate information) and stating the time, date and place that the Member will have an opportunity to be heard by the Board of Directors shall be given to the Member at least fifteen (15) days prior to the date set for the hearing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after it has been deposited in the United States mail, first class postage prepaid, addressed to the Member at the address given by the Member to the Board of Directors for the purpose of service of notice or to the address of the Member's Lot if no other address has been provided. Any address may be changed from time to time by a Member giving written notice to the Board of Directors.

(b) Costs and Assessments. If the violation, or the failure to correct or remedy a violation, results or may result in the expenditure of funds, the notice shall also state that the Board of Directors may vote to assess the adverse party, levy a fine, or impose other sanctions if the Board of Directors finds that a violation has occurred.

(c) Final Determination. After the hearing has taken place, the Board of Directors shall (1) determine whether a violation has occurred and, if so, may impose a fine or issue sanctions which shall become effective not less than five (5) days after the date of the hearing; or (2) take such other action as may be appropriate. The determination of the Board of Directors shall be final. However, nothing herein shall be construed to prevent the Board of Directors from making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing notice and an opportunity for a hearing.

#### Article 10

#### ADDITIONAL LAND

10.1 Right to Expand and State of Title to New Lots, Units and Parcels. There is hereby granted unto Declarant, and Declarant hereby reserves, the absolute right and option to expand the Project at any time (within the limits herein prescribed) and from time to time by adding to the Project the Additional Land or a portion or portions thereof. Notwithstanding any provision of this Declaration which might be construed to the contrary, such right and option may be exercised without obtaining the vote or consent of any other person (including any Owner or Mortgagee) and shall be limited only as specifically provided in this Declaration. Any specifically described portion of the Additional Land shall be deemed added to the Project at such time as a Supplemental Declaration containing the information required by Section 10.3 below has been Recorded with respect to the portion of the Additional Land concerned. After the date such Supplemental Declaration is Recorded, title to each Lot thereby created within the portion of the Additional Land concerned and its appurtenant right and easement of use and enjoyment in and to the Common Areas shall be vested in and held by Declarant, and none of the

other Owners or the Association shall have any claim or title to or interest in such Lot or its appurtenant right and easement of use and enjoyment to the Common Areas.

10.2 Rights and Statements Respecting Additional Land. Declarant hereby furnishes the following information and statement respecting the Additional Land and Declarant's right and option concerning expansion of the Project by the addition thereto of the Additional Land or a portion or portions thereof.

(a) All of the Additional Land need not be added to the Project, if any of such Additional Land is added. Rather, a portion or portions of the Additional Land may be added to the Project at any time (within the limits herein prescribed) and from time to time.

(b) Subject to the conditions set forth in the Project Documents, there are no limitations or requirements relative to the size, location or configuration of any given portion of the Additional Land which may be added to the Project or relative to the order in which particular portions of the Additional Land may be added to the Project. Future Improvements on the Additional Land added to the Project shall be subject to compliance with this Declaration and the other Project Documents.

10.3 Procedure for Expansion. Each Supplemental Declaration by which an addition to the Project of any portion of the Additional Land is accomplished shall be executed by Declarant, shall be in recordable form, must be Recorded, and shall contain the following information for that portion of the Additional Land which is being added:

(a) Data sufficient to identify this Declaration with respect to that portion of the Additional Land being added.

(b) The legal description of the portion of the Additional Land being added.

(c) A statement that such portion of the Additional Land shall thereafter be held, transferred, sold, conveyed, occupied, improved and developed subject to the covenants, restrictions, easements, charges, and liens set forth in this Declaration.

(d) Such other matters as may be necessary, desirable, or appropriate and as are not inconsistent with any limitation imposed by this Declaration.

Upon the date any Supplemental Declaration contemplated above is Recorded, it shall automatically supplement this Declaration and any Supplemental Declarations previously Recorded. At any point in time, this Declaration for the Project shall consist of this Declaration, as amended and expanded by all Supplemental Declarations theretofore Recorded pursuant to the terms hereof.

10.4 Allocation of Assessments and Voting Rights Following Expansion. Each Lot created within the Project shall immediately upon the creation thereof be subject to Assessments and shall be apportioned a share of the Common Expenses attributable to the Project, as provided in Article 9. Each Owner of a Lot that is or shall become subject to Assessments by the Association shall be entitled to Membership and voting rights in the Association to the extent

provided for in Article 9. Assessments and voting rights shall commence as of the date the Declarant Records a Supplemental Declaration.

10.5 No Obligation to Expand. Except to the extent specifically indicated herein, this Declaration is not intended, and shall not be construed so as, to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to: (i) the addition to the Project of any or all of the Additional Land; (ii) the creation or construction of any Dwelling or other Improvements; (iii) the carrying out in any particular way or within any particular time of any development or addition which may be undertaken; or (iv) the taking of any particular action with respect to any portion of the Additional Land.

## Article 11 GENERAL PROVISIONS

The covenants, conditions, and restrictions contained in this Declaration may be enforced as follows:

11.1 Violation Constitutes Nuisance. The violation of the provisions of this Declaration is deemed to be a nuisance, and the Owner of the Property on which the violation occurs is responsible for the removal or abatement of the nuisance.

### 11.2 Remedies.

(a) Any single or continuing violation of the covenants contained in this Declaration may be enjoined in an action brought by the Declarant (for so long as the Declarant is the Owner of any Lot), by any other Owner, or by the Board in its own name. In any action brought to enforce these covenants, the prevailing party shall be entitled to recover as part of its judgment all of the reasonable costs of enforcement, including attorneys' fees and costs of litigation.

(b) Nothing in this Declaration shall be construed as limiting the rights and remedies that may exist at common law or under applicable federal, state, or local laws and ordinances pertaining to health, safety, abatement of nuisances or other matters. The remedies available under this Declaration are to be construed as being in addition to all other remedies available at law.

(c) The remedies available under this Declaration and at law or equity generally are not to be considered as exclusive, but rather as cumulative.

(d) The delay or failure by anyone to take enforcement action with respect to any violation of this Declaration shall not be construed as a waiver of the covenants contained in this Declaration with respect to such violation or with respect to any other violations.

### 11.3 Pre-Litigation Requirements.

(a) Disclaimer. Every Owner is capable of obtaining an inspection and is permitted to perform, or pay someone else to perform, any inspection on any Lot that Owner is purchasing or any aspect of the Project; all prior to purchasing a Lot. Moreover, if any warranty

has been provided, it identifies the only items that are warranted by Declarant. Having had the ability to inspect a Lot prior to purchasing a Lot, having received a written warranty (if any warranty is provided), and having paid market price for a Lot in the condition the Lot, the Project and Common Areas are in at the time of purchase, Owner acknowledges and agrees that it would be inequitable to later seek to have Declarant and/or its respective contractors and subcontractors performing work in the Project to change, upgrade, or perform any additional work to the Project outside of any express warranty obligation. Moreover, the Owners and the Association acknowledge and agree that litigation is an undesirable method of resolving Disputes (as defined below) because litigation can be slow, expensive, uncertain, and can often negatively impact the sale value and ability to obtain financing for the purchase of Lots for years, unfairly prejudicing those Owners who must or want to sell their Lots during any period when litigation is pending. For this reason, the Owners (by purchasing a Lot) and the Association acknowledge and agree that before any Dispute is pursued through litigation, the “**Pre-Litigation Requirements**” set forth below shall be satisfied. In addition, the Association and the Owners (by purchasing a Lot) acknowledge and agree that each takes ownership and possession of the Lots, Common Areas, and Limited Common Areas AS IS, with no warranties of any kind (except as set forth in a written warranty, this Declaration or as otherwise required as a matter of law). To the fullest extent permitted by applicable law, Declarant specifically disclaims any warranties of merchantability, fitness for a particular use, or of habitability.

(b) Notice of Claim and Opportunity to Cure (Applicable to All Owners and the Association). All claims and disputes of any kind that any Owner or the Association may have involving the Declarant or any its agents, employees, executing officers, managers, affiliates or owners, or any engineer or contractor involved in the design or construction of the Project, which arises from or is in any way related to a Lot, Dwelling, Common Area, Limited Common Area, or any other component of the Project (a “**Dispute**”), shall first be identified in a written notice of claim that sets forth with specificity the facts and the legal basis upon which the claim or dispute is asserted (a “**Notice of Claim**”), which Notice of Claim shall be delivered to Declarant, and Declarant shall have one hundred fifty (150) days to cure or resolve the claim or defect or to try to get the builder or the appropriate subcontractor to cure or resolve the claim or defect, prior to the initiating of any formal court action. If the Dispute is not resolved within the 150-day right to cure period, then with respect to any claims, actions or Disputes that the Association (but not an individual Owner) desires to pursue, the “**Pre-Litigation Requirements**” set forth below must be satisfied in full before initiating formal court action. If additional, different or modified claims, damages, calculations, supporting information, or descriptions are added, provided to, or asserted against Declarant that were not included in any previously submitted Notice of Claim, the right to cure period provided for in this section shall immediately apply again, and any pending action or proceedings shall be stayed during the 150-day period.

(c) Pre-Litigation Requirements (Applicable Only to the Association). Notwithstanding any other provision to the contrary in this Declaration, the Association shall not file, commence or maintain any lawsuits, actions or legal proceedings against Declarant, the individual managers, owners, members or officers of Declarant, Declarant’s contractors, engineers or architects, or any other person or entity involved in the design or construction of the dwelling structures unless and until the Notice of Claim requirements set forth above have been satisfied, and all of the following “**Pre-Litigation Requirements**” have been satisfied:

(i) The Association has obtained a legal opinion from an attorney licensed to practice law in Utah having at least ten years of experience, with the legal opinion providing in substance the following: (A) a description of the factual allegations and legal claims to be asserted in the action; (B) an analysis of the facts and legal claims explaining why it would be in the best interests of the Association to file and pursue such action, taking into account the anticipated costs and expenses of litigation, the likelihood of success on the merits of the claims, and the likelihood of recovery if a favorable judgment is obtained by the Association; and (C) providing a budget of the estimated amounts of legal fees, costs, expert witness fees and other expenses likely to be incurred in connection with such action (the “**Litigation Budget**”);

(ii) A copy of the opinion letter described in subsection (i) above has been provided to all Owners, and, after the Owners have had a reasonable period of time to review the opinion letter, the decision for the Association to file the subject action has been approved by the Owners (excluding Declarant) who collectively hold at least sixty-seven percent (67%) of the Eligible Votes; and

(iii) The Association has collected funds from the Owners, by Special Assessment or otherwise, equal to at least fifty percent (50%) of the Litigation Budget as set forth in the opinion letter obtained pursuant to subsection (i) above.

The purposes of these requirements include, but are not limited to, the following: (i) to minimize the risks to the Association of pursuing litigation involving claims that lack merit; (ii) to minimize the risks of becoming involved in litigation that is unlikely to be successful or, even if successful, will not result in meaningful recovery sufficient to justify the costs and expenses of litigation; and (iii) to avoid becoming involved in litigation without sufficient support from the Members financially and otherwise.

For purposes of clarity, this Section and the requirements set forth herein shall not apply to any actions or legal proceedings (i) filed by the Association to recover payment of any Assessments or other amounts required to be paid by Owners to the Association under this Declaration, or (ii) filed by individual Owners relating solely to their own Lots. Individual Owners, however, shall not be allowed to file or pursue any actions or claims on behalf of other Owners or for the Association.

11.4 Severability. Each of the covenants, conditions, restrictions and provisions contained in this Declaration shall be independent of the others, and in the event that any covenant, condition, restriction or provision of this Declaration is found to be invalid, unenforceable or illegal by a court of competent jurisdiction, the remaining covenants, conditions, restrictions and provisions of this Declaration shall remain in full force and effect.

11.5 Limited Liability. Neither the Declarant, the Board or its individual members, nor any Owner shall have personal liability to any other Owner for actions or inactions taken pursuant to the terms of this Declaration, provided that any such actions or inactions are the result of the good faith exercise of their judgment or authority under this Declaration and without malice.

11.6 Term of Declaration. The term of this Declaration shall be perpetual.

11.7 Mortgagee Not Bound. No amendment to this Declaration will be binding upon the holder of any mortgage or trust deed on any Lot which mortgage or trust deed is of record at the time of the amendment, unless the mortgage or trust deed holder joins in the amendment. This Declaration may not be repealed by amendment.

11.8 Constructive Notice. Every person who owns, occupies, or acquires any right, title or interest in any Lot in the Project is conclusively deemed to have notice of this Declaration and its contents, and to have consented to the application and enforcement of each of the provisions of this Declaration against such Owner's Lot, whether or not there is any reference to this Declaration in the instrument by which such Owner acquires an interest in any Lot.

11.9 Reservation of Easements. Easements affecting the Lots within the Project are reserved as shown on the Plat for utility installation and maintenance, drainage and other purposes as designated on the Plat.

11.10 Notices. All notices under this Declaration are deemed effective seventy-two (72) hours after mailing, whether delivery is proved or not, provided that any mailed notice must have postage pre-paid and be sent to the last known address of the party to receive notice. Notices delivered by hand are effective upon delivery.

11.11 Liberal Interpretation. The provisions of this Declaration shall be interpreted liberally to further the goal of creating a uniform plan for the development of the Project. Section headings are inserted for convenience only and shall not be considered in the interpretation of the provisions. The singular shall include the plural, and the plural shall include the singular. Any reference to gender is intended to include masculine, feminine and neuter as well.

11.12 No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Project to the public or for any public use, except as specifically shown on the Plat

11.13 Enforcement. The Board may exercise its business judgment in deciding whether to impose sanctions or pursue legal action against violators and shall consider common concerns when taking or deciding not to take formal action, such as a weak legal position, conflict with current law, technical violations, minor or collateral issue, and whether or not it is in Association's best interests to pursue the matter and, if so, to what extent.

EXECUTED the day and year first above written.

FOR  
FOOTHILL VILLAGE ALTA**

**BYLAWS OF FOOTHILL ALTA  
OWNERS ASSOCIATION, INC.**

**A UTAH NONPROFIT CORPORATION**

Pursuant to the provisions of the Utah Revised Nonprofit Corporation Act (the “Act”), the following are the Bylaws of the Association, which is obligated to operate, manage and regulate the Project. Unless otherwise defined below, the capitalized terms set forth in these Bylaws shall have the same meanings ascribed to them in the Declaration of Covenants, Conditions and Restrictions for Foothill Village Alta (the “**Declaration**”).

**ARTICLE 1  
PLAN OF LOT OWNERSHIP AND INCORPORATION**

1.1 **Submission.** These Bylaws are referred to and incorporated by reference in the Declaration. The Project is located in the Santaquin City, Utah County, State of Utah. These Bylaws shall govern the administration of the Project and the Association.

1.2 **Organizational Form.** If the Association is incorporated, then these Bylaws shall also function as the bylaws of the corporation.

1.3 **Bylaws Applicability.** All present and future Owners, Residents, occupants, tenants, renters, lessees, and their guests, licenses, invitees, servants, agents or employees, and any other person or persons who shall be permitted entrance to the Project shall be subject to and shall abide by these Bylaws.

**ARTICLE 2  
ASSOCIATION**

2.1 **Composition.** The Association is a mandatory association consisting of all Owners of Lots within Foothill Village Alta.

2.2 **Voting.** Each Lot shall have one (1) vote. Multiple Owners must elect a representative to cast their vote. A vote cast, without objection, by an apparent representative of multiple owners shall be binding upon the parties. Organizational Owners may vote by means of an authorized agent.

2.3 **Place of Meeting.** Meetings of the Association shall be held at the principal office of the Association or at such other suitable place as may be designated by the Board of Directors from time to time and stated in the notice of meeting.

2.4 Annual Meeting. Unless otherwise designated by the Board of Directors, the annual meeting of the Association shall be held at 7:00 p.m. on the first Tuesday of June of each year, or at such other suitable date as may be designated by the Board of Directors from time to time. When such day is a legal holiday, the meeting shall occur on the first business day thereafter. The place of meeting shall be the principal office of the Association unless otherwise specified in the notice of meeting.

2.5 Special Meetings. The President of the Association, or a Majority of the members of the Board of Directors, may call a special meeting of the Association, or if the President of the Association is so directed by resolution of the Board of Directors or upon receipt of a petition signed and presented to the Secretary of the Board of Directors by at least twenty-five percent (25%) of the members of the Association. The notice of any special meeting shall state the date, time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

2.6 Quorum. The presence in person or by proxy of three (3) of the Owners entitled to cast a vote shall constitute a quorum for the transaction of business at any Owners meeting.

(a) Quorum Not Present. If a quorum is not present at any Owners meeting, whether regular or special, the meeting may be adjourned and rescheduled for a time no earlier than forty-eight (48) hours and no later than thirty (30) days, after the time set for the original meeting.

(b) Quorum at Rescheduled Meeting. Those Owners present at the rescheduled meeting and entitled to vote shall constitute a quorum at the rescheduled meeting, regardless of the number of Owners present at the rescheduled meeting.

(c) Percentage Approval Requirement. Notwithstanding the foregoing provisions of this section, however, in any case in which the Declaration requires the affirmative vote of a certain percentage of Owners for authorization or approval of a matter, their consent, in person, by proxy or in writing is required for authorization or approval of the item, regardless of the quorum requirements.

2.7 Notice of Meeting. It shall be the duty of the Secretary to hand deliver or mail, by regular U.S. mail postage prepaid, a notice of each annual or special meeting of the Owners not less than ten (10) days in advance of such meeting. Each such notice shall state the purpose of such meeting as well as the time and place where it is to be held, to each Owner of record, at the address of his respective Lot or such other address as each Owner may have designated by notice in writing to the Secretary. The mailing of a notice of meeting in the manner provided in this Section shall be considered service of notice in a fair and reasonable manner.

2.8 Voting Requirements. An Owner shall be deemed to be in “good standing” and “entitled to vote” at any annual meeting or at any special meeting of the Association, if, and only if, he shall be in full compliance with all of the terms, covenants, and conditions of the Project Documents, and shall have fully paid all Assessments and/or Additional Charges due.

2.9 Proxies. The votes appertaining to any Lot may be cast pursuant to a proxy or proxies fully executed by or on behalf of the Owner, or in cases where the Owner is more than

one person, by or on behalf of all such persons. No such proxy shall be revocable except by actual written notice to the person presiding over the meeting, by the Owner or Owners that it be revoked. Any proxy shall be void if it is not dated, if it purports to be revocable without notice, or if it is not signed by the Owner or Owners as the case may be.

2.10 Action Without Meeting of Members. Any action that may be taken at any annual, regular or special meeting of the Owners as members of the Association may be taken without a meeting and without prior notice, if one or more written consents, setting forth the action taken, are signed by members having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all members entitled to vote on the action were present and voted, as authorized pursuant to Section 16-6a-707, of the Utah Code, as such Section may be subsequently amended or replaced.

2.11 Action by Written Ballot. Any action that may be taken at any annual, regular or special meeting of the Owners as members of the Association may be taken without a meeting, if the Association delivers a written ballot to every member entitled to vote on the matter pursuant to the provisions and procedures set forth in Section 16-6a-709 of the Utah Code, as such Section may be subsequently amended or replaced.

3.8 Board of Director's Quorum. At all meetings of the Board of Directors, a Majority of the members then in office shall constitute a quorum for the transaction of business, and the acts of the Majority of all the Board of Directors members present at a meeting at which a quorum is present shall be deemed to be the acts of the Board of Directors. If, at any meeting of the Board of Directors, there is less than a quorum present, the Majority of those present may adjourn the meeting from time to time but for no longer than two (2) days. At any such rescheduled meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

3.9 Vacancies. Vacancies in the Board of Directors caused by any reason other than removal of a member by a vote of the Association shall be filled by vote of the Majority of the remaining members of the Board of Directors at a special meeting of the Board of Directors held for that purpose promptly after the occurrence of any such vacancy, even though the total members remaining may constitute less than a quorum of the Board of Directors; and each person so elected shall be a member for the remainder of the term of the member so replaced and until a successor is elected at the next annual meeting of the Association.
