Entry No. 76608.

RIGHT OF WAY GRANT

BRIGHAM A BINGHAM and Eva Bingham, his wife, Grantors, of Honeyville, Box
Elder County, Utah, hereby convey and warrant unto Mountain Fuel Supply Company, a
Utah corporation, Grantee for the sum of Twenty-five Dollars (\$25.00) the receipt
whereof is hereby acknowledged a right of way to lay, erect, maintain, operate, re-
move and replace a Cathodic Protection, Installation consisting of an electric wire
pole line and a ground bed composed of steel railroad rails, through and across, over
or under, a certain tract of land in Township 3 North, Range 7 East of the Salt Lake
Meridian, County of Summit, State of Utah, more particularly described as follows:

Part of the NE Quarter (NE $\frac{1}{4}$) of Section 35, Township 3 North, Range 7 East of
the Salt Lake Meridian.

TO HAVE AND TO HOLD the same unto the said Mountain Fuel Supply Company, its
successors and assigns, with the right of ingress and egress to and from the same,
The said Grantors to fully use the said premises except for the purposes for which
this right is granted to the Grantee.

The Grantee hereby agrees to pay to the Grantors such damages as may arise to
the crops or fences from the laying, erecting, maintaining, operating or removing said
Cathodic Protection Installation. If the Grantee shall elect to construct an
additional Cathodic Protection Installation on said premises, which privilege is
hereby expressly granted, said additional installation shall be construed in ac-
cordance with the provisions hereof applying to the method of construction of the
original installation. As consideration for the privilege herein granted of con-
structing additional installation, the Grantee shall pay to the Grantors, upon the
construction of such additional installation at the same rate herein provided for
the right-of-way for the original installation. This right-of-way shall be binding
upon the heirs, legal representatives and assigns of the Grantors herein.

In addition to the above right-of-way the Grantee is permitted to occupy, under
the above named conditions, an area not to exceed twenty-five feet (25') square
for the construction, operation and maintenance of a building to house an electrical
generator unit or rectifier to be used in the operation of the above mentioned
Cathodic Protection Installation.

WITNESS the hands of said Grantors this 28th day of August, 1947.
