OF

AN EXPANDABLE CONDOMINIUM COMMUNITY

03-128-0601 May 0605

THIS SECOND AMENDMENT TO DECLARATION is made on the date set forth at the end hereof by Prowswood, Ltd., a Utah corporation, hereinafter called "Declarant," for itself, its successors, grantees and assigns, pursuant to the condominium Ownership Act of the State of Utah.

RECITALS

A. On May 12, 1986, Declarant executed a Declaration of Condominium of Danbury Lane Phase I, an Expandable Condominium Community (the "Declaration") as part of a Plan for the Danbury Lane Condominium Project (the "Project"), which Declaration was recorded in the Office of the County Recorder of Davis County, State of Utah, on May 20, 1986, as Entry No. 0737254 in Book 1089 at Pages 842 through 905. The Project was expanded by the First Amendment to Declaration (Phase 2) recorded May 20, 1986 as Entry No. 0737256 in Book 1089 at Page 907 and the Record of Survey Map for Phase 2 recorded May 20, 1986 as Entry No. 737255 in Book 1089 at Page 906. The Declaration Amendments and the Maps submitted to the provisions of the Act and following described real property situated in Davis County, State of Utah, to wit:

See Exhibit "A" attached hereto and incorporated herein by this reference.

B. Declarant desires pursuant to Section 36 of the Declaration to further expand the Project.

C. Declarant is the record owner of the real property described on Exhibit "B" attached hereto (the "Phase 3 Land") which is a portion of the Additional Land described in the Declaration. The Record of Survey Map Phase 3 of the Project ("Phase 3 Map") consists of three (3) sheets, prepared and

certified to by J. Scott Balling, a Utah Registered Land Surveyor. Upon recordation, this document shall effect the second expansion of the Project.

D. It is the intent of the Declaration that the Phase 3 Land shall become subject to the Declaration.

E. There currently exists in the Project fourteen (14) Units. This Amendment to Declaration and the Phase 3 Map expand the Project to include five (5) Additional Units and additional Common and Limited Common Areas, all as depicted on the Phase 3 Map. After the recording of the Phase 3 Map and this Amendment to Declaration, there will be a total nineteen (19) Units in the Project.

NOW, THEREFORE, for such purposes, Declarant hereby makes the following Amendment to Declaration:

1. Definitions. Except as otherwise defined herein or as may be required by the context, all terms or expressions defined in the Declaration, shall have such defined meanings when used in this Amendment to Declaration.

2. Submission to Condominium Ownership. Declarant hereby submits to the provisions of the Act, as additional land associated with the Project, the parcels of real property situated in Davis County, State of Utah, described on Exhibit "B" attached hereto.

RESERVED FROM THE SUBMISSION OF THE LAND described on Exhibit "B" are such easements and rights of egress and ingress over, across, through and under the Land, any improvements now or hereafter constructed thereon as may be necessary to develop the Project as it may be expanded as provided in the Declaration. If pursuant to this reservation the above-described real property or any improvement thereon is traversed or partially occupied by a permanent improvement or utility line a perpetual easement for such improvement or utility line shall exist. With the exception of such perpetual easements, the reservation hereby affected shall terminate upon the completion and sale of all Units in the Project. AND SUBJECT, ALSO, to all visible easements and easements of record and SUBJECT FURTHER to restrictions, provisions and covenants of record.

3. Description of Improvements. The significant improvements contained or to be contained in the Phase 3 of the Project include one (1) two story building containing five (5) Units constructed principally of concrete foundation with exterior walls of a combination of hard board siding and brick or brick veneer, asphalt shingle roofing, interior walls of wood studs, plywood and dry wall plaster. Each unit has a two car garage. Said improvements are located substantially as shown in the Phase 3 Map and will be subject to easements which are reserved through the Project as may be required for utility service.

The Phase 3 Map shows the Unit Number of each Unit, its location, those Limited Common Areas and Facilities which are reserved for its use, and the Common Areas and Facilities to which it has immediate access. All Units, of whatever type, shall be capable of being independently owned, encumbered and conveyed.

4. Description of Limited Common Areas and Facilities. Each Owner of a Unit is hereby granted an irrevocable and exclusive license to use and occupy the Limited Common Areas and Facilities reserved exclusively for the use of his Unit. The Limited Common Areas appurtenant to any given Unit consist of a patio, entrance walkway and/or patio areas contiguous with the Unit as indicated on the Phase 3 Map, and the assigned carport appurtenant to each Unit. The exclusive right to use and occupy each Limited Common Area shall be appurtenant to and shall pass with the title to the Unit with which it is associated.

5. Computation of Undivided Interest. The percentage of undivided ownership interest in the Common Areas and Facilities which is appurtenant to each Unit has been computed by determining the ratio between the square footage associated with such Unit (as set forth in Exhibit "C") and the aggregate square footages of all Units in the Project including previous Phases (with such minor adjustments in some or all of the resulting percentage interests as may have been necessary to assure that the total undivided interest respecting the Project equals 100%). These percentages are subject to diminution upon merger with the other Phases. Substantially identical Units have been assigned the same square footage, and the total of all undivided interest, equals 100%. A Unit Owner's percentage of ownership interest in the Common Areas and Facilities shall be for all purposes, including voting and assessment of common expenses.

6. Contents of Revised Exhibit "C". The Revised Exhibit "C" to this Amendment to Declaration contains the following information with respect to each Unit contained in the Project as expanded: (i) the Unit number and type; (ii) the square footage of the Unit; and (iii) the appurtenant Percentage Ownership Interest in Common Areas and Facilities after the expansion accomplished by this Amendment to Declaration.

7. Effective Date. This Amendment to Declaration shall take effect upon recording.

IN WITNESS WHEREOF, the Declarant has executed this First Amendment to Declaration this 29<sup>th</sup> day of January, 1987.
