Notwithstanding the foregoing, The Declarant shall relinquish all special rights, expressed or implied, through which the Declarant may directly or indirectly control, direct, modify, or veto any action of the Owner's Association, its Management Committee, or a majority of Unit Owners, and control of the Owner's Association shall pass to the Owners of the Units within the Project, not later than the earlier of the following:

Any agreement for such professional management of the Project which may be entered into by the Management Committee or the Association, shall call for a term not to exceed two (2) years, if negotiated by Declarant or 1 to 3 years if negotiated by the Management Committee of the Association and shall provide that for cause such Management Agreement may be terminated by the Management Committee or by the Association upon at least thirty (30) days written notice.

3. Composition of Management Committee.

The Management Committee shall be composed of five members. At or after the first annual meeting of the Association, five members of the Management

Committee shall be elected. The term of office of Management Committee members shall be as set forth in the Bylaws. The Management Committee Members shall hold office until their respective successors have been elected and hold their first meeting. Only Unit Owners, and agents of Corporate Owners shall be eligible for Management Committee membership. At each annual meeting the Percentage Interest appurtenant to a Unit may be voted in favor of as many candidates for Management Committee membership as there are seats on the Management Committee to be filled.

4. Agreement to Pay Assessment.

By the acceptance of a deed therefore, each Owner or purchaser of any Unit, whether or not it be so expressed in the deed, or by entering into a sale and purchase contract, hereby covenants and agrees with the seller, the Declarant and with the Association to pay to the Association annual assessments made by the Association for the purposes provided in this Declaration, and special assessments for capital Improvements and other matters as provided in this Declaration. Such assessments shall be fixed, established and collected from time to time in the manner provided in this Article. For the purposes of this Section the term "Owner" shall mean the Owner of the legal and/or equitable interest in the Unit, including but not limited to the vested Owner, the Owner of record, and both the Buyer and Seller (excluding the Declarant), under any land sales contract, who shall be jointly and severally liable.

(a) Amount of Total Annual Assessments. The Declarant shall set the first year's annual assessment and notify all prospective Owners of such in writing prior to sale. Thereafter the total annual assessments against all Units shall be based upon advance estimates of cash requirements made by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common areas, which estimates may include, among other things, expenses of management, grounds maintenance, taxes and special assessments, (until the Units are separately assessed as provided herein), premiums for all insurance which the Management Committee is required or permitted to maintain pursuant hereto, common lighting and water heating, water charges, trash collection, sewer service charges, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable operating reserve, capital Improvement reserve, surplus and/or sinking fund; and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration.

(b) Equitable Changes. If the aggregate of all monthly payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Management Committee may from time to time effect an equitable change in the amount of said payments.

(c) Apportionment of Annual Assessments. Expenses attributable to the Common Areas and to the Project as a whole shall be apportioned among all Owners in proportion to their respective Percentage Interests (par value) in the Common Areas.

(d) Notice of Annual Assessments and Time for Pavement Thereof. Annual assessments shall be determined on a fiscal year basis beginning January 1 and ending December 31; provided the first fiscal year shall begin on the date of this Declaration and end on December 31. Except with respect to the first fiscal year, the Management Committee shall give written notice to each Owner as to the amount of the annual assessment with respect to his Unit not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next fiscal year. Such assessment shall be due and payable in twelve equal monthly installments on the first day of each and every calendar month of each year; provided, however, that the first annual assessment for the first fiscal year shall be based upon such portion of the first fiscal year remaining after the date fixed by the Management Committee as the date of commencement of the Project. Such assessment shall be due and payable in monthly installment on the first day of each and every month and no separate notices of such monthly installment shall be required. Advance payments of monthly assessments shall not be permitted except by separate checks for each month which are to be deposited on the first banking day of the month to which the payment applies. On the 15th day of each calendar month a late fee shall be charged and/or a penalty shall be made for improper advance payments. Such late fee or penalty shall be established by the Management Committee but shall not be less than the greater of twenty dollars (\$20.00) or ten percent (10%) of the accounts receivable amount that was due on the first of the calendar month which has not been paid prior to the 15th or of the amount improperly paid in advance.

(e) Acceleration. The Management Committee may, at its discretion, elect to accelerate the entire Annual Assessment for delinquent Units Owners. Unless the Management Committee designates otherwise or elects to accelerate the entire Annual Assessment, Annual Assessments shall be paid in equal monthly installments. If, however, the Annual Assessment is accelerated and the Owner subsequently files bankruptcy or the Management Committee otherwise decides acceleration is not in its best interest, the Management Committee, at its sole discretion, may de-accelerate the obligation.

(f) Special Assessments. In addition to the annual assessments authorized above, the Management Committee may levy in any assessment year a special assessment, payable over such a period as the Management Committee may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other expense incurred or to be incurred as provided in this Declaration. This Section shall not be construed as an independent source of authority for the Management Committee to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections hereof. Any amount assessed

pursuant hereto shall be assessed to Owners in proportion to their respective percentage interests (par value) in the Common Areas. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners, and no payment shall be due less than thirty (30) days after such notice shall have been given. Special assessments shall be subject to the same late fees and penalties as are prescribed in paragraph 19 C for regular assessments. Notwithstanding anything to the contrary herein contained, additions or capital improvements to the Project which cost no more than \$5,000.00 may be authorized by the Management Committee alone. Additions or capital improvements the cost of which will exceed such amount must, prior to being constructed, be authorized by the majority of the Owners.

(g) Specific Assessments. The Management Committee shall have the power specifically to assess individual Units or buildings pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Management Committee to exercise its authority under this Section shall not be ground for any action against the Association or the Management Committee and shall not constitute a waiver of the Management Committee's rights to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Management Committee has not previously exercised its authority under this Section. The Management Committee may specifically assess Units for the following expenses, except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

(1) Association which benefit less than all of the Units may be specifically assessed equitably among all of the Units which are benefitted according to the benefit received.

(2) Unequal or Disproportionate Benefit. Expenses of the Association which benefit all Units; but which do not provide an equal benefit to all, may be specifically assessed equitably among all Units according to the benefit received.

(h) No Waiver. No Owner may waive or otherwise exempt himself or herself for liability for the Assessments or Fees provided herein, including, by way of illustration, but not limited to, non-use of Common Areas, Recreational Facilities or abandonment of the Unit.

(i) Duty to Pay Independent. No reduction of abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Management Committee to take some action or perform some function required to be taken or performed by the Association or Management Committee under this Declaration or the Bylaws, or for

inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

(j) Lien for Assessments. All sums assessed to any Unit pursuant to this Declaration, together with interest thereon as provided herein, shall be secured by a lien on such Units in favor of the Association. Each lien shall be superior to all other liens and encumbrances on such Unit, except only for: (a) valid tax and special assessment liens on the Unit in favor of any governmental assessing authority; and (b) a lien for a sum unpaid on a first Mortgage which was recorded prior to the delinquency, or any Mortgage to Declarant, duly recorded in the Official Records of Salt Lake County, Utah, including all unpaid obligatory advances to be made pursuant to such Mortgage and all amounts advanced pursuant to such Mortgage and secured by the lien thereof in accordance with the terms of such instrument. All other liens or acquiring liens on any Unit after this Declaration shall have been recorded in said records shall be deemed to consent that such liens shall be inferior to future liens for assessments, as provided herein, whether or not such consent be specifically set forth in the instruments creating such liens.

To evidence a lien for sums assessed hereunder, the Management Committee may prepare a written notice of lien, setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit and a description of the Unit. Such a notice shall be signed by the Management Committee or their authorized representative and may be recorded in the office of the County Recorder of Salt Lake County, Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment.

Such lien may be enforced by the Management Committee in the same manner in which mortgages or trust deeds on real property may be foreclosed in Utah. If the Management Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Unit Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association as Trustee and hereby confers upon said Trustee the power of sale set forth in Utah Code Annotated. Unit Owner hereby transfers in trust to the Trustee all of his rights, title and interest in and to the real property of the purpose of securing his or her performance of the obligations set forth herein.

In any such foreclosure, the Unit Owner shall be required to pay the costs and expenses of such proceeding, the costs and expenses of filing the notice of lien and all reasonable attorney's fees. All such costs, expenses and fees shall be secured by the lien being foreclosed. The Unit Owner shall also be required to pay the Management Committee any assessments against the Unit which shall become due during the period of foreclosure. In the event of foreclosure, after the institution of the action the Unit Owner shall pay a

reasonable rental for his use of the Unit and the Management Committee shall, without regard to the value of the Unit, be entitled to the appointment of a receiver to collect any rentals due from the Owner or any other person. The Management Committee shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof.

A release of notice of lien shall be executed by the Management Committee, or their authorized representative, and recorded in the Office of the County Recorder of Salt Lake County, Utah at the expense of the delinquent Owner, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien.

Any Encumbrancer holding a lien on a Unit may pay, but shall not be required to pay, any amounts secured by the lien created hereunder, and upon such payment such Encumbrancer shall be subrogated to all rights of the Management Committee with respect to such lien, including priority, except that any later occurring delinquencies shall have priority over the fees paid by the Encumbrancer.

(k) Personal Obligation of Owner. The amount of any Annual or Special Assessment against any Unit, including all costs of collections and all reasonable attorney fees, shall be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Unit.

(l) Statement of Account. Upon payment of a reasonable fee not to exceed ten dollars (\$10.00), or such amount as may in the future be allowed by the Act, and upon written request of any Owner or any Mortgagee, prospective Mortgagee or prospective purchaser of a Unit, the Management Committee shall issue a written statement setting forth the amount of the unpaid assessments, and if any, with respect to such Unit; the amount of the current yearly assessment and the date that such assessment becomes or became due; credit for advanced payments or prepaid items, including, but not limited to an Owner's share of prepaid insurance premiums and such statement shall be conclusive upon the Management Committee in favor of persons who rely thereon in good faith. Unless such request for a statement of account shall be complied with within twenty (20) days, all unpaid assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement.

Where a prospective purchaser makes such request, both the lien for such unpaid assessments and the percent obligation of the purchaser shall be

released automatically if the statement is not furnished within the (20) day period provided herein and thereafter an additional written request is made by such purchaser and is not complied with within (10) days, and the purchaser subsequently acquires the Unit.

(m) Personal Liability of Purchaser for Assessments. Subject to the provisions of subparagraph (g), a Purchaser of a Unit shall be jointly and severally liable with the Seller for all unpaid Assessments against the Unit up to the time of the grant or conveyance without prejudice to the purchaser's right to recover from the Seller the amount paid by the Purchaser for such Assessments.

The Management Committee shall secure and at all times maintain the following insurance coverage:

1. A multi-peril policy or policies of fire and casualty insurance covering all Common Areas and Buildings, of the Project, with extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for projects similar in construction, location and use on a replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based upon replacement cost). Limits of liability under such insurance shall be not less than One Million Dollars (\$1,000,000.00) per occurrence, for personal property injury and/or property damage.

The scope of coverage must include all other coverage in the kinds and amounts required by private institutional mortgage investors for similar projects in location, construction and use.

3. The Association shall maintain fidelity coverage to protect against dishonest acts on the part of Management Committee Members, Manager, employees or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection which in no

event shall be less than one and one-half times the insured's estimated annual-operating expenses, including reserves. In connection with such coverage an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers.

4. The following additional provisions shall apply with respect to insurance:

- (a) In addition to the insurance and bond coverage described above, the Management Committee shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with all condominium projects similar to the Project in construction. nature and use.**

- (c) The Management Committee shall have the authority to settle (adjust) losses with the insurance carrier.**
- (d) Insurance secured and maintained by the Management Committee shall not be brought into contribution with insurance held by the individual Unit Owners or their mortgagees.**
- (e) Each policy of insurance obtained by the Management Committee shall provide: a standard mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the Project is located; a waiver (if available) of the insurer's Subrogation rights with respect to the Management Committee, the Manager, the Unit owners, and their respective servants, agents, and guests, that it cannot be canceled, suspended, or invalidated due to the conduct of any particular Unit Owner or Owners; that it cannot be canceled, suspended or invalidated due to the conduct of any member, officer, or employee of the Management Committee or of the Manager without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Unit Owners; and that a mortgagee clause endorsement which must provide that the insurance carrier shall notify the first Mortgagee (or trustee) named at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.**

- (f) Any Unit Owner may obtain additional insurance at his own expense, so long as such additional insurance does not have the effect of decreasing the amount which may be realized under any policy maintained by the Management Committee. Any Unit Owner who individually obtains insurance covering any portion of the Project shall supply the Management Committee with a copy of his policy within 30 days after he acquires such insurance.
- (g) The Project is not located in an area identified by the Secretary of Housing and Urban Development as an area having special flood hazards. In the event that at some future time the Project should be declared to be in such flood area, a blanket policy of flood insurance on the Project shall be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Units comprising the Project or the maximum limit of coverage available under the National Flood Insurance Act of 1968, as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by any first Mortgagee, or its assignee, at any given time.

5. If the Project is expanded to add an additional phase or phases Declarant shall provide a general liability insurance policy in an amount not less than \$1 million for each occurrence, to cover any liability which Owners of previously sold Units are exposed to as a result of further expansion of this condominium Project development. The Association shall be named as an additional insured on each such policy. Declarant shall maintain such coverage until such time as the last Building to be constructed in the expanded Project has been substantially completed.

ARTICLE VII DESTRUCTION AND IMPROVEMENTS OR CONDEMNATION

In the event of damage of or destruction of part or all of the Improvements in the Condominium Project, the following procedures shall apply:

1. If proceeds of the insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damage or destroyed Improvement, such repair or reconstruction shall be carried out.

2. If less than seventy-five percent (75%) of the Projects Improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all the Unit Owners shall be assessed for any deficiency on the basis of their respective Percentage Interest.

3. If seventy-five percent (75%) or more of the Project's Improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners within 100 days after the destruction or damage by a vote of at least seventy-five percent (75%) elect to repair or reconstruct the affected Improvements, restoration shall be accomplished in the manner directed under subparagraph (b) above.

4. If seventy-five percent (75%) or more of the Project's Improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Management Committee are insufficient to accomplish restoration, and if the Unit Owners do not, within 100 days after the destruction or damage and by a vote of at least seventy-five percent (75%), elect to repair or reconstruct the affected Improvements, the Management Committee shall promptly record with the Salt Lake County Recorder a notice setting forth such facts. Upon the recording of such notice the provisions of Subsections (1) through (4) of Section 57-8-31, Utah Code Annotated (1953), shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

Any reconstruction or repair which is required to be carried out by this Paragraph 22 regarding the extent of damage to or destruction of Project Improvements shall be made by three MAI appraisers selected by the Management Committee. The decision of any two such appraisers shall be conclusive.

5. Eminent Domain. Whenever all or part of the Common Areas shall be taken, injured or destroyed as the result of the exercise of the power of eminent domain, each Unit Owner shall be entitled to notice thereof and to participate in the proceedings incident thereto, but in any proceeding for the determination of damages, such damages shall be determined for such taking, injury or destruction as a whole and not for each Unit Owner's interest therein. After such determination each Unit Owner shall be entitled to a share in the damages in the same portion as his Percentage Interest in the Common Areas, subject, however, to any prior right of the Mortgagee to participate therein.

ARTICLE VIII MISCELLANEOUS

1. Certain Provisions Applicable to Declarant.

Notwithstanding any other provision herein contained for as long as Declarant continues to own any of the Units the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations as Unit Owner to pay assessments, except as herein otherwise provided, as to each Unit owned by Declarant in accordance with the Declaration.

(a) Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration except as specifically set forth herein or in any agreement for sale of a Unit, and no person shall rely upon any warranty or representation not so specifically made therein.

(b) No amendment may be made to the Declaration without the written consent of Declarant while Declarant is still in control of the Owner's Association. No amendments to the declaration, bylaws or other enabling documentation may be made by the Unit Owners while the Declarant is still in control as all such changes must be approved by the Secretary of Veterans Affairs.

Notwithstanding the foregoing, The Declarant shall relinquish all special rights, expressed or implied, through which the Declarant may directly or indirectly control, direct, modify, or veto any action of the Owner's Association, its Management Committee, or a majority of Unit Owners, and control of the Owner's Association shall pass to the Owners of the Units within the Project, not later than the earlier of the following:

- (i) The expiration of six (6) years from the recording date of this Declaration; or
- (ii) The date upon which seventy-five percent (75%) of all possible Units in the expandable Project have been conveyed, or after all additional land has been added to the Project, whichever last occurs.

2. Amendment.

Except as provided below, the vote of at least sixty-five (65%) of the Percentage Interest of the Unit Owners in person or represented by proxy at a meeting of the Association at which a quorum is present shall be required to amend the Declaration and/or the Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Management Committee shall certify that the vote required by this Paragraph for amendment has occurred. The foregoing right of amendment shall be subject to the following paramount right:

(a) Except as provided in subparagraph (b) below, Declarant is hereby vested with the right to unilaterally amend this Declaration or the Map, without regard to the subject matter of the amendment; provided, however, that no

such amendment violates any provision of the Act or would result in divesting the Owners or Mortgagees from any property rights in them vested. This exclusive right to amend shall expire and be of no further force or effect at the time provided in paragraph 23(b).

(b) Notwithstanding anything to the contrary contained in the Declaration, including in the immediately preceding paragraph, neither the insurance provisions of paragraph 20 nor the Mortgagee protection provisions of paragraph 27 shall be amended without the written approval of all Mortgagees having a recorded interest.

3. Consent Equivalent to Vote.

In those cases in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for the authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the necessary percentage of undivided ownership interest, provided that such written consents relied upon are obtained within a ninety (90) day period.

4. Service of Process.

Steve D. McArthur, whose business address is 9948 South Redwood Road, South Jordan, Utah 84095, is the person to receive service of process in cases authorized by the Act. The Management Committee shall, however, have the right to appoint a successor substitute process agent. Such successor or substitute agent and his address shall be specified by an appropriate instrument filed in the office of the Salt Lake County Recorder, State of Utah.

5. Mortgagee Protection.

Notwithstanding anything, to the contrary contained in the Declaration:

(a) An adequate reserve fund for repair, maintenance and replacement of those elements of the Common Areas that must be replaced on a periodic basis must be established and shall be funded by regular monthly payments rather than by special assessments. Amounts of such reserve funds shall be invested by the Management Committee in obligations of the United States Government or in accounts insured by agencies of the U. S. Government and such funds shall be used only for the purpose for which collected and may not be used to reduce operating assessments or deficits or for costs of capital assessments not provided for as part of such funds.

(b) All taxes, assessments and charges which may become liens prior to the first Mortgage under local law shall relate only to the individual Units and not to the Project as a whole.

(c) Any mortgage holder which comes into possession of the Unit pursuant to the remedies provided in the Mortgage or foreclosure of the

Mortgage or deed (or assignment in lieu of foreclosure) shall be exempt from any claim of right or other provisions which may exist relating to sale or lease of the Units in the Project, and no claim of right shall impair the rights of any first Mortgage to: (i) foreclose or take title to a Unit pursuant to the remedies provided in the Mortgage, or (ii) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor, or (iii) interfere with a subsequent sale or lease of the Unit so acquired by the Mortgagee.

(d) No Unit Owner, or any other party, shall have priority over any rights of the first Mortgagee of the Unit Pursuant to its Mortgage in the case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Areas.

(e) In the event of damage to or destruction of any Unit, which loss exceeds \$1,000.00 or any part of the Common Areas, which loss exceeds \$10,000.00, the institutional holder of any first Mortgage on a Unit shall be entitled to timely written notice to any such damage or destruction. No Unit Owner or other party shall be entitled to priority over such institutional holder with respect to the distribution to such Unit Owner of any insurance proceeds regardless of the amount of loss. Upon request of any first Mortgagee the Association must provide a letter to said first Mortgagee wherein the Association agrees to notify the first Mortgagee or any organization it designates at the address indicated by the Mortgagee whenever (i) damage to a Unit covered by the first Mortgagee's Mortgage exceeds \$1,000.00, or (ii) damage to the Common Areas and related facilities exceeds \$10,000.00.

(f) If any Unit or portion thereof or the Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the institutional holder of any first Mortgage of a Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition. No Unit Owner or other party shall have priority over such institutional holder regardless of the amount of the condemnation award with respect to the distribution to such Unit Owner of the proceeds of any award or settlement.

(g) Each holder of a first mortgage lien on a Unit who obtains title to a Unit by virtue of remedies provided in the Mortgage, including but not limited to foreclosure of the mortgage, excluding conveyance by deed or assignment in lieu of foreclosure, shall take the Unit free of unpaid charges and shall not be liable for any unpaid claims or assessments and charges against the Unit which accrue prior to the acquisition of title of such Unit by Mortgagee, unless such provision is contrary to Utah law.

(h) Any lien, accruing after the placement of a mortgage on a Unit, which the Management Committee may have on any Unit in the Project for the payment of Common Expense assessments attributable to such Unit will be subordinate to the lien or equivalent security interest of any mortgage on the Unit, unless such provision is contrary to Utah law.

(i) Unless at least seventy-five percent (75%) of the institutional first Mortgagees (based on one vote for each Mortgage owned) of Units have given their prior written approval neither the Management Committee, Declarant, Owners, nor the Association shall:

(1) By act or omission, seek to abandon or terminate the Project.

(2) Change the pro-rata interest or obligations of any Unit for (i) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or for (ii) determining the pro-rata share of ownership of each Unit in the appurtenant Common Areas.

(3) Partition or subdivide any Unit.

(4) By act or omission, seek to amend, partition, subdivide, encumber, sell, abandon or transfer, the Common Areas. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas of the Project shall not be deemed a transfer within the meaning of this subparagraph).

(5) Use hazard insurance proceeds for losses to any condominium property (whether to Units or to the Common Areas) for other than the repair, replacement or reconstruction of such Improvements, except as provided by statute in cases of substantial loss to the Units and/or the Common Areas of the Project.

(6) Terminate professional management and assume self management of the Project. Any management agreement entered into by the Management Committee shall provide for termination for cause upon 30 days' notice and run for a reasonable time period of two (2) years if negotiated by Declarant or 1 to 3 years if negotiated by the Management Committee of the Association and be renewable upon consent of the Association and the management.

(j) Any institutional holder of a first Mortgage (or trust deed) of a Unit in the Project will, upon request be entitled to examine the books and records of the Project during normal business hours.

(k) Whenever there is a change of ownership of a Unit, the Management Committee shall require that the new Unit/Owner furnish the Management Committee with the name of the holder or any first Mortgage (or trust deed) affecting such Unit. The Management Committee or Manger shall maintain a current roster of Unit Owners and of the holders of first Mortgages (or trust deed) affecting Units in the Project.

6. Duty of Owner to Pay Taxes on Unit Owned. It is understood that under the Act each Unit (and its Percentage Interest in the Common Areas) in the Project is subject to separate assessment and taxation of each taxing authority and the special Districts) for all types of taxes and assessments authorized by law, and that as a result thereof, no taxes will be assessed or levied against the Project as such, except for certain personal properties thereof. Accordingly, each Unit Owner will pay and discharge any and all taxes and assessments which may be assessed against them on their Unit.

7. Covenant to Run With Land: Compliance. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitude, as the case may be, and shall be binding upon and shall inure to the benefit of Declarant all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representatives, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of the Act, the terms of this Declaration, the Bylaws, and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration, and failure to comply shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Management Committee on behalf of Unit Owners, or, in a proper case, by an aggrieved Unit Owner. By acquiring any interest in a Unit or in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

8. Information Regarding Transfer of a Unit. Any Unit Owner who sells, leases, or otherwise disposes of his Unit shall submit to the Management Committee pertinent information concerning the transferee or new occupant within one week of any transfer of title or possession on a form furnished by the Management Committee.

9. Indemnification of the Association and The Management Committee. The Association and the Management Committee shall not be liable for any failure of water service or other utility service (if any) to be obtained and paid for by the Association hereunder, or for the injury or damage to any person or property caused by the elements or by another Owner or person in or upon the Project. Nor shall the Management Committee or the Association be liable for damage or injury resulting from electricity, water rain, snow, or ice which may leak or flow from outside or from any parts of the Building or its drains, pipes, conduits, appliances or equipment, or from any other place, unless caused by the gross negligence or willful misconduct of the Association or its Management Committee. No diminution or abatement of any assessment under this Declaration shall be claimed or allowed for inconvenience or discomfort arising from the making of any repairs or Improvements to or maintaining the Project or any part thereof, or from any action taken to comply with the provisions of this Declaration or with the laws, ordinances, regulations, rules or order of any governmental authority.

10. Disputes with Declarant or Others. Any disputes or controversies not exceeding \$100,000 in amount between the Association and the Declarant shall be submitted to binding arbitration to the American Arbitration Association under its

Rules for the Real Estate Industry and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Each party shall bear its own costs of arbitration except that any and all fees due the American Arbitration Association or its arbitrator(s) shall be paid by both parties equally. All disputes and controversies exceeding \$100,000 in amount shall be filed in a court of competent jurisdiction, to be tried by a judge without a jury. In each such instance, the Declarant and the Association hereby waive their right to a trial by jury. Notwithstanding any provision contained in this Declaration, the Association shall not have the authority to file any legal action or submit any matter to arbitration without first obtaining the favorable vote of seventy-five percent (75%) of all Unit Owners. The provisions in this Declaration or in the Bylaws regarding quorums shall not apply to this Section such that seventy-five percent (75%) of all Unit Owners is required to file any legal action or submit any matter to arbitration.

11. Invalidity. The invalidity of any provisions of this Declaration or any portion thereof, shall not be deemed to impair or affect in any manner the validity, enforceability, or effect of the remainder of this Declaration and, in such event, all of the other provisions of this Declaration shall continue in full force and affect as if such invalid provision had never been included herein.

12. Waiver. No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breeches which may occur.

13. Gender. The use of the masculine Gender in this Declaration, shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

14. Topical Headings. The headings appearing in the table of contents and at the beginning of the paragraphs of this Declaration are only for convenience of reference and are not intended to describe, interpret, define, limit, extend, or otherwise affect the content, meaning or intent of this Declaration or any paragraph or provision hereof.

15. Conflicts. This Declaration is set forth to comply with the requirements of the Act. In the event of any conflict between this Declaration and the provisions of the Act, the provision of the latter shall control.

EXHIBIT "C"
BYLAWS
OF
THE TOWN AT HUNTER VILLAGE CONDOMINIUM OWNERS'
ASSOCIATION

ARTICLE I
PLAN OF UNIT OWNERSHIP

1. **Condominium Submission.** The Property located in Salt Lake County, Utah, has been submitted to the provisions of the Utah Condominium Act by the Declaration recorded in the Office of the County Recorder of Salt Lake County, Utah, simultaneously herewith, and shall hereafter be referred to as the "Condominium".

2. **Bylaws Applicability.** All present and future Owners and tenants, as well as their guests, licensees, servants, agents, employees and any other person or persons who shall be permitted to use the facilities of the Condominium, shall be subject to these Bylaws and to the Rules and Regulations of the Condominium. Acquisition, rental or occupancy of any of the Condominium Units in the Condominium shall constitute an acknowledgment that such Owner, tenant or occupant has accepted and ratified these Bylaws, the provision of the Declaration and the Rules and Regulations and will comply with them.

3. **Office.** The office of the Condominium and of the Management Committee shall be located at the Condominium or at such other place as may be designated from time to time by the Management Committee (hereinafter sometimes called the "Committee").

ARTICLE II
ASSOCIATION

1. **Composition.** Each Unit Owner shall automatically, upon becoming the Owner of a Unit, be a member of the Association and shall remain a member of said Association until such time as the ownership ceases for any reason, at which time membership in the Association shall automatically cease. Membership is appurtenant to and may not be separated from Unit ownership. The management Committee or its delegate may require that a member provide proof of ownership as a condition of recognition. All Unit Owners are subject to all the rights and duties established in the Declaration, Articles of Incorporation and these Bylaws of the Association. Unless otherwise provided in these documents, the Declarant, for all unsold units in the Project, enjoys the same rights and is subject to the same duties as other Owners. All of the Unit Owners, acting as a group in accordance with the Act, the Declaration and these Bylaws, shall constitute the Association. Except as to those matters which the Act or the Declaration specifically requires to be performed by the vote of the Unit Owners, the administration of the Condominium shall be performed by the Management Committee.

2. **Voting.** Each Unit shall have a vote equal to the Par Value of the owned Unit which may be cast by the Owner or Owners of each such Unit. Such Par Value may be changed when and if the Project expands and may be adjusted by the Declarant without the consent of the Unit Owners. Since the Unit Owner may be more than one person, if only one of such persons is present at a meeting of the Association, that person shall be entitled to cast the vote(s) appertaining to that Unit. But if more than one of such persons is present, the vote appertaining to that Unit shall be cast only in accordance with the agreement of a majority of them, and such consent shall be conclusively presumed if any one of them purports to cast the vote appertaining to the Unit without protest being made forthwith by any of the others to the person presiding over the meeting. Failure to get a majority agreement on how such vote(s) are to be cast, shall render the vote ineligible to be cast.

Since a person need not be a natural person, the word "person" shall be deemed for the purposes of this Section to include, without limitation, any natural person having authority to execute deeds on behalf of any person, excluding natural persons, which is, either alone or in conjunction with another person or persons, a Unit Owner.

Except where a greater number is required by the Act, the Declaration, or these Bylaws, a majority of the votes of Unit Owners present, in person or represented by proxy, in good standing and entitled to vote is required to adopt decisions at any meeting of the Association. If the Declarant owns or holds title to one or more Units, the Declarant shall have the right at any meeting of the Association to cast the votes to which such Unit or Units are entitled.

3. **Place of Meeting.** Meetings of the Association shall be held at the principal office of the Condominium or at such other suitable place as may be designated by the Management Committee and stated in the notice of the meeting.

4. **Annual Meeting.** The first annual meeting shall be set by the Declarant. Thereafter, the annual meeting of the Association shall be held in July of each year, the specific date and time to be fixed by the Management Committee. If the annual meeting is to be held at a place other than at the principal office of the Condominium, the place of meeting shall be at a location in Salt Lake County, Utah, and shall be specified in the notice of meetings.

5. **Special Meetings.** It shall be the duty of the President to call a special meeting of the Association within six weeks if so directed by resolution of the Management Committee or, after all of the Committee has been elected by Unit Owners other than Declarant, or upon a petition signed and presented to the Secretary by Owners having not less than twenty percent (20%) of the votes of all Owners in existence at the time the vote is taken. The notice of any special meeting shall state the time, place and general purpose of such meeting. No business shall be transacted at a special meeting except as stated in the notice.

6. **Notice of Meeting.** It shall be the duty of the Secretary to personally deliver or mail, by United States mail, postage prepaid, a notice of (a) each annual meeting of the Owners, at least twenty (20) but not more than thirty (30) days in advance of such meeting and (b) each special meeting of the Owners at least ten (10) but not more than twenty (20) days in advance of such meeting, stating the general purpose thereof as well as the time and place where the meeting is to be held, to each Owner of record, at the address of their respective units and at

such other address as each Owner may have designated by notice in writing to the Secretary as of the time of mailing or delivering the notice. The delivery or mailing of a notice of meeting in the manner provided in this Section shall be considered service of notice.

7. **Voting Requirements.** An Owner shall be deemed to be in "good standing" and "entitled to vote" at any annual meeting or at any special meeting of the Association if, and only if, he shall have fully paid all due installments of assessments made or levied against him and his Unit by the Management Committee as hereinafter provided, together with all interest, costs, attorney's fees, penalties and other expenses, if any, properly chargeable to him and against his Unit, at least three (3) days prior to the date fixed for such annual or special meeting.

8. **Proxies.** The votes appertaining to any Unit may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Unit Owner, or, in cases where the Unit Owner is more than one person, by or on behalf of all such persons. No such proxy shall be revocable except by actual notice to the person presiding over the meeting, by the Unit Owner or by any of such persons, that it be revoked. Any proxy shall be void if it is not dated, if it purports to be revocable without notice as aforesaid. The proxy of any person shall be void if not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Any proxy shall terminate automatically upon the adjournment of the first meeting held on or after the date of that proxy, and must be filed with the Secretary not less three (3) days before the meeting.

9. **Quorum.** Except as may otherwise be provided herein or by statute, more than forty percent (40%) of the Owners shall constitute a quorum for the adoption of decisions. If, however, such quorum shall not be present or represented at any meeting, the Owners entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting and reschedule for a time no earlier than 48 hours, and no later than thirty (30) days after the time set for the original meeting. No notice of such rescheduled meeting shall be required except an announcement thereof at the original meeting. A quorum for the transaction of business at the rescheduled meeting shall be thirty percent (30%) of the Percentage Interest in attendance at the meeting in person or by proxy.

10. **Order of Business.** The order of business at all meetings of the Association shall be as follows: (a) roll call; (b) proof of notice of meeting; (c) reading, of minutes of preceding meeting; (d) reports of officers; (e) report of special committees, if any; (f) election of inspectors of election, if applicable; (g) election of Management Committee Members, if applicable; (h) unfinished business; and (i) new business.

11. **Conduct of Meeting.** The President, or in his absence the Vice-President, shall preside over all meetings of the Association and the Secretary shall keep the minutes of the meeting and record in a Minute Book all resolutions adopted by the meeting as well as a record of all transactions occurring thereat.

ARTICLE III MANAGEMENT COMMITTEE

1. **Powers and Duties.** The affairs and business of the Association shall be managed by the Management Committee which shall have all of the powers and duties

BK8541 PG2720

necessary for the administration of the affairs of the Association in accordance with the provision of the Declaration and may do all such acts and things as are not by the Act or these Bylaws directed to be exercised and done by the Association. The Management Committee shall have the power from time to time to adopt any Rules and Regulations deemed necessary for the enjoyment of the Condominium provided such Rules and Regulations shall not be in conflict with the Act, the Declaration or these Bylaws. The Management Committee shall delegate to one of its members the authority to act on behalf of the Management Committee on all matters relating to the duties of the Managing Agent, if any, which might arise between meetings of the Management Committee.

2. Composition of Amazement Committee. etc. The provisions relating to the composition of the Management Committee, the terms of office, and other provisions regarding the Management Committee, are set forth in Section 17 of Article IV of the Declaration.

3. Election and Term of Office the Management Committee.
