RECITALS

1. This Declaration supersedes and replaces in its entirety the previously recorded Declaration of Protective Covenants, Conditions, & Restrictions for The Fields at Lakeview HOA that was recorded as Entry No. 20164-2019 on March 12, 2019, at the Utah County Recorder's Office, and all amendments thereto and prior versions thereof predating the recording of this Declaration ("Prior Declaration"). It has been adopted by the Declarant pursuant to the amendment authority granted it in Article 9 of the Prior Declaration.
2. Declarant is the owner of fee simple title to that certain real property situated in the city of Orem, Utah County, and more particularly described on Exhibit "A" attached hereto and by this reference made a part hereof (hereinafter the "Property").
3. Declarant will create within and upon the Property a neighborhood made up of multiple Lots and Residences referred to herein as The Fields at Lakeview. In order to do so, Declarant desires to establish protective covenants and conditions and restrictions upon the Property, which will constitute a general scheme for the improvement, development and management of said Property, and for the use, occupancy and enjoyment thereof, all for the purpose of enhancing and protecting the value desirability and attractiveness of the Property and enhancing the quality of the environment within Fields at Lakeview. It is anticipated that a segment or segments of the Property will be conveyed to one or more Sub-Associations which shall be subject to this Declaration.
4. The Association is not a cooperative as that term is used in Utah Code Ann. Title 57, Chapter 8a.
5. To provide efficient management for The Fields at Lakeview and to preserve its value, desirability and attractiveness, Declarant has incorporated a Utah nonprofit corporation called The Fields at Lakeview Homeowner's Association, Inc. (the "Master Association" or the "Association") and Declarant delegates and assigns to such Association the powers of managing The Fields at Lakeview, of maintaining and administering the Common Areas and Facilities, of administering and enforcing all covenants, conditions and restrictions, of collecting and disbursing funds pursuant to the assessments and charges hereinafter created and referred to, and of performing such other acts as shall generally benefit The Fields at Lakeview.
6. Declarant will hereafter hold and convey title to all of the property subject to the protective covenants, conditions and restrictions hereinafter set forth.
7. Notwithstanding the foregoing, no provision of this Declaration shall prevent the Declarant from doing any of the following, which shall be deemed to be among Declarant's reserved

rights in addition to such rights as may be described elsewhere in this Declaration: (1) installation and completion of Improvements; (2) use of any Dwelling owned by the Declarant as a model Dwelling, or for the placement of a temporary construction or sales office; (3) installation and maintenance of signs incidental to sales or construction which are in compliance with applicable City or County ordinances; (4) assignment of Declarant’s rights under this Declaration in whole or part; and (5) retention of Declarant’s rights with respect to subsequent phases of the Project. This Declaration shall be binding upon the Declarant, as well as its successors in interest, and may be enforced by the Declarant or the Association. A supplemental declaration, with such modifications or supplemental provisions as may be deemed appropriate by Declarant on a phase-by-phase basis, may be recorded to address differences in the circumstances affecting any Lots to be constructed after the initial phase.

1.35 “Utah Community Association Act” or the “Act” shall refer to the applicable provisions of the Community Association Act described in Utah Code 57-8a-101 et seq., as amended from time to time.

ARTICLE 2 MEMBERSHIP IN THE ASSOCIATION

2.1 Membership. Every Owner shall be a Member of the Association subject to the terms of this Declaration, the Articles, Bylaws, and Association Rules. The terms and provisions set forth in this Declaration, which are binding upon all Owners, are not exclusive, as Owners shall also be subject to the terms and provisions of the Articles and Bylaws of the Association to the extent the provisions thereof are not in conflict with the Declaration; Owners may also be subject to the governing documents of a Sub-Association to the extent the provisions thereof are not in conflict with the Declaration. Membership in the Association shall be appurtenant to each Lot and may not be separated from the interest of an Owner in any Lot. Ownership of a Lot shall be the sole qualification for membership in the Association; provided, however, that a Member’s voting rights and privileges in the Common Areas and Facilities may be regulated or suspended as provided in this Declaration, the Bylaws, or the Association Rules. Not more than one membership in the Association shall exist with respect to ownership of a single Lot.

2.2 Transfer. The membership held by any Owner shall not be transferred, pledged or alienated in any way, except upon the conveyance or encumbrance of such Lot and then only to the transferee or Mortgagee of such Lot. Any attempt to separate the membership in the Association from the Lot to which it is appurtenant shall be void and will not be reflected upon the books and records of the Association. In the event an Owner should fail or refuse to transfer the membership registered in such Owner’s name to the transferee of such Owner’s interest in such Lot, the Association shall have the right to record the transfer upon the books of the Association so that the name of the Member corresponds with the ownership of the Lot set forth in the Salt Lake County Recorder’s office.

2.3 Voting Rights. All voting rights shall be subject to the restrictions and limitations provided herein and in the Articles, Bylaws, and Association Rules. The Association shall have two (2) classes of voting membership, Class "A" and Class "B," as follows:

a. Class "A" Members shall be all Owners with the exception of Class "B" membership, if any. Class "A" Membership shall be entitled to one (1) vote for each Lot such Member owns. When more than one person owns a portion of the interest in a Lot, each such person shall be a Member, but the vote for such Lot shall be exercised as they among themselves determine. Absent any other agreement among co-Owners of a single Lot, (i) a single co-Owner appearing at an Association meeting will be entitled to cast the one vote for the Lot, and (ii) if multiple co-Owners appear at an Association meeting, each Co-Owner will have a pro rata fractional vote based upon the ownership interests of the co-Owners appearing at such meeting. In no event shall more than one vote be cast with respect to any single Lot. The Association shall not be required to recognize the vote or written consent of any co-Owner that is not authorized to vote based upon a written designation of all such co-Owners delivered to the Association.

b. The Class "B" Member shall be the Declarant. In all matters requiring a vote, the Class "B" membership shall receive one hundred (100) votes for each recorded Lot owned by Declarant and one hundred (100) votes for each acre of property owned by Declarant within the Project but not yet depicted on a recorded Plat.

c. Notwithstanding anything to the contrary herein, during any period of time that the Sub-Association, the Fields at Lakeview III, is controlled by its declarant (or any successor or assign thereto), such declarant shall have authority to veto any action by the Fields at Lakeview Homeowner's Association or any aspect of such action that materially impacts the Fields at Lakeview III as determined by the declarant of the Fields at Lakeview III in its discretion and subject to the approval of such declarant's lender, Arbor Private Label, its successors, assigns, and affiliates (the "Veto Power"). The Veto Power may be exercised before or after the subject action has commenced and may apply, without limitation, to action regarding Assessments levied against the Fields at Lakeview III, action to incur debt, and amendments to the Master Declaration. Unless necessary to protect its interests, the Fields at Lakeview III shall not have authority to exercise the Veto Power in a manner that limits the Fields at Lakeview Homeowner's Association's ability to take action against other Sub-Associations. For instance, if the Fields at Lakeview Homeowner's Association approves a rate-increase to the Regular Assessments against each Sub-Association, the Fields at Lakeview III will have authority to veto the increase as it applies to the Regular Assessments paid by the Fields at Lakeview III but will not have authority to veto the increase as it applies to the Regular Assessments paid by the other Sub-Associations unless, under the circumstances, such action is necessary to protect the interests of the Fields at Lakeview III.

2.4 Approval of Members. Unless a different percentage is otherwise provided for in this Declaration, the Articles, or the Bylaws, the vote of a majority of the voting interest shall be required to approve any matter before the Members. Votes may be taken at a meeting held pursuant to the requirements set forth in the Bylaws, or by an action by written consent. Quorum requirements for meetings of the Members shall be set forth in the Bylaws.

2.5 Declarant's Control of Association Prior to Turnover Date. Prior to the Turnover Date, the Declarant has the right to appoint all of the members of the Board and the officers of the Association. If, at any time prior to the Turnover Date, the Declarant has not appointed any members of the Board, the Declarant shall have all authority otherwise vested in the Board. Notwithstanding anything to the contrary in this Declaration, Declarant may (but is not required to) exercise its discretionary termination of control in whole or in part as to any portion of the Project at its sole election and determination. In doing so as to a portion of the Project, it does not waive any reversionary or remaining control as to all other portions of the Project, the control of which is not expressly terminated by Declarant.

ARTICLE 3 COVENANT FOR ASSESSMENTS

3.1 Creation of the Lien and Personal Obligation of Assessments. Each Sub-Association shall pay to the Association: Regular Assessments, Special Assessments, Individual Assessments and Reconstruction Assessments, such Assessments to be fixed, established and collected from time to time as hereinafter provided. The Assessments, together with interest thereon provided, shall be a charge on the land and shall be a continuing lien upon all Lots within each Sub-Association against which each such Assessment is made. Each such Assessment, together with such interest, late charges and costs and reasonable attorney's fees, shall also be the personal obligation of each Sub-Association. Any Owner and subsequent Owner of a Lot within a Sub-Association shall be deemed to have notice of the Assessments, whether or not a lien has been recorded. No Sub-Association may waive or otherwise escape liability for an Assessment by abandonment of its real property or any portion thereof. Notwithstanding the foregoing or anything to the contrary in this Declaration, unless expressly consented to by the Declarant, no lien shall attach to any Lot held by the Declarant and no Assessment shall be the personal obligation of the Declarant.

3.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the comfort, health, safety, security and welfare of the Owners and to perform the duties and exercise the powers of the Association enumerated in its Articles, Bylaws, and this Declaration.

3.3 Regular Assessments. The amount and timing of payment of Regular Assessments shall be determined by the Board pursuant to the Articles and Bylaws after giving due consideration to the current maintenance, operational, and other costs and the future needs of the Association. Prior to the beginning of each fiscal year of the Association, the Board shall estimate the total Common Expenses to be incurred for the upcoming fiscal year. The Board shall then determine the amount of the Regular Assessment to be paid by each Sub-Association. Written notice of the annual Regular Assessments shall be sent to every Sub-Association; provided that failure to provide adequate notice does not relieve the Sub-Association's obligation to pay the Regular Assessment in installments as established by the Board. In the event the Board shall determine that the estimate of total charges for the current year is, or will become inadequate to meet all Common Expenses for any reason, it shall immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of Regular Assessment against each Sub-Association, and the date or dates when due

3.4 Special Assessments. In addition to the Regular Assessments authorized in Section 3.3, the Association may, at the Board's discretion, levy a Special Assessment or Special Assessments from time to time to cover any unexpected expenses, operating shortfalls, major repairs, additions, or Capital Improvements. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines. The Board may, without a vote of the Members, approve Special Assessments except that, after the Turnover Date, the Board may not approve a Special Assessment exceeding Twenty-Thousand Dollars (\$20,000.00) without the affirmative vote of Members holding not less than fifty-one percent (51%) of the voting power of the Members.

3.5 Rate of Assessment. All Assessments shall be fixed by the Board at a rate computed and assessed by dividing the number of improved Lots in the assessed Sub-Association by the total number of improved Lots in all Sub-Associations. Notwithstanding the foregoing, if an estimated Common Expense anticipated to be incurred is unique to a Sub-Association, the Association may include such expense in that Sub-Association's Assessments and subtract it from the Assessments of the other Sub-Associations. All Assessments may be collected at intervals selected by the Board. For purposes of this paragraph, "improved Lots" means Lots that have a Building located thereon and that have received a certificate of occupancy. Prior to the Turnover Date, the Declarant-appointed Board (or the Declarant in the absence of a Board), in its sole discretion, shall determine the amount of each assessment. After the Turnover Date, the Board shall determine the amount of each assessment except that the total amount of Regular Assessments shall not exceed the previous year's Regular Assessments (determined for an entire 12-month period) by more than twenty-five percent (25%) without the affirmative vote of Members holding a majority of the voting power of the Members.

3.6 Certificate of Payment. The Association shall, upon demand, furnish to any Sub-Association liable for Assessments, a certificate in writing signed by an officer or authorized agent of the Association, setting forth whether the Assessments charged to a specific Sub-Association have been paid, and the amount of delinquency, if any. A reasonable charge may be collected by the Board for the issuance of these certificates, such certificates shall be conclusive evidence of payment of any Assessments therein stated to have been paid.

3.7 Exempt Property. The following portions of the Property shall be exempt from the Assessments created herein: all properties dedicated to and accepted by, or otherwise acquired by a public authority; any Sub-Association under the control of the Declarant.

3.8 Individual Assessments. In addition to any other Assessments authorized herein, the Association also may levy an Individual Assessment against any Sub-Association, Owner, and/or Owner's Lot to reimburse the Association for costs incurred in repairing damages that such party is responsible for or in bringing such party into compliance with the provisions of this Declaration, the Articles, the Bylaws or Association Rules, together with attorney's fees, interest and other charges related thereto.

3.9 Board Discretion to Reduce or Abate. In the event the amount budgeted to meet Common Expenses for any year proves to be excessive in light of the actual Common Expenses,

the Board in its sole discretion may either reduce the amount of the Regular Assessment or may abate collection of Regular Assessments as it deems appropriate.

3.10 Date of Commencement of Regular Assessments. The Regular Assessments shall commence as to each Sub-Association on the first day of the month following the Turnover Date for such Sub-Association.

3.11 No Offsets. All Assessments shall be payable in the amount specified by the Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in this Declaration.

3.12 Reserves. The Regular Assessments shall include reasonable amounts as determined by the Board collected as reserves for the future periodic maintenance, repair or replacement of all or a portion of the Common Areas and Facilities. After the Turnover Date, all amounts collected as reserves, whether pursuant to the preceding sentence of this Section or otherwise, shall be deposited by the Board in a separate bank account to be held in trust for the purposes for which they were collected and are to be segregated from and not commingled with any other funds of the Association.

3.13 Reinvestment Fee. Within thirty (30) days after the effective date of any transfer of legal title to a Lot, the new Owner shall pay to the Association, in addition to any other required amounts, a reinvestment fee, in an amount determined by the Board from time to time. However, notwithstanding the foregoing, the following are not subject to the above referenced reinvestment fee:

- a. an involuntary transfer;
- b. a transfer that results from a court order;
- c. a bona fide transfer to a family member of the seller within three degrees of consanguinity who, before the transfer, provides adequate proof of consanguinity, or to a legal entity, such as a trust, in which the owner or the owner's spouse, son, daughter, father or mother hold a beneficial interest of at least fifty percent (50%) for estate planning purposes;
- d. a transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution; or
- e. the transfer of burdened property by a financial institution, except to the extent that the reinvestment fee covenant requires the payment of the Association's costs directly related to the transfer of the burdened property, not to exceed \$250.
- f. A transfer to the Declarant.

ARTICLE 4 NONPAYMENT OF ASSESSMENTS

4.1 Delinquency. Any Assessment provided for in this Declaration which is not paid when due shall be delinquent on said due date (the "delinquency date"). If any such Assessment is not paid within ten (10) days after the delinquency date, a late charge in an amount determined by the Board but not exceeding \$50 shall be levied and the Assessment shall earn interest from the delinquency date at the rate of eighteen percent (18%) per annum.

4.2 Enforcement Rights. The Association shall have the right to take any of the following actions against a Sub-Association after the delinquency date:

a. The Association may bring an action to recover a money judgment against the Sub-Association for unpaid Assessments, interests, late fees, costs, and attorney's fees.

b. The Association may foreclose the Association's lien against any Lot or Lots within the delinquent Sub-Association for the unpaid Assessments, interest, late fees, costs, and attorney's fees pursuant to Utah Code 57-8a-304.

c. The Association may revoke access of the delinquent Sub-Association's members to the common facilities and amenities.

d. The Association may revoke the voting rights of the delinquent Sub-Association and its members in which case any such party with revoked voting rights shall not be included in calculating quorum or total voting interest.

e. The Association shall have all other rights and remedies available by applicable law.

All rights and remedies of the Association shall be cumulative and the exercise of one right or remedy shall not preclude the exercise of any other right or remedy. The "One Action Rule" shall not be a defense to the enforcement of all rights and remedies of the Association. The Association may elect to bring an action to recover for a delinquent Assessment against the Sub-Association or other obligee personally. Any attorney fees or costs incurred in these efforts shall also be assessed against the Sub-Association and/or other obligees jointly and severally.

4.3 Intent. No provision of this Article shall be interpreted so as to limit in any way the rights of the Association for collection of Assessments.

4.4 Appointment of Trustee. The Declarant hereby conveys and warrants pursuant to U.C.A. Sections 57-1-20 and 57-8a-402 to B. Scott Welker, Esq., a licensed member of the Utah State Bar, with power of sale, the Lot and all Improvements to the Lot for the purpose of securing payment of assessments under the terms of this Declaration.

ARTICLE 5 COVENANTS, CONDITIONS, AND RESTRICTIONS

5.1 Permitted Use. Only those spaces approved for commercial use by the City may be used for commercial purposes. Any commercial spaces must be used exclusively in a manner consistent with all applicable laws, ordinances, and regulations governing such spaces. Unless

specifically approved for another use by the City, each Lot shall be used exclusively for single-family, residential purposes.

5.2 No Obstructions. No Owner shall obstruct the Common Areas or any part thereof. No Owner shall store or cause to be stored in the Common Areas any property whatsoever, unless the Board shall consent thereto in writing. The Declarant shall be exempt from the provisions of this Section.

5.3 Prohibition of Damage and Certain Activities. Except with the prior written consent of the Association, nothing shall be done or kept on any Lot, in the Common Areas, or in any other part of the Project that would result in cancellation of the insurance on the Project or any part thereof, nor shall anything be done or kept on any Lot that would increase the rate of insurance on the Project or any part thereof over that which the Association, but for such activity, would pay. Nothing shall be done or kept on any Lot or in the Common Areas or any part thereof which would be in violation of any statute, rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental authority. No damage to, or waste of, the Common Areas or any part thereof shall be committed by an Owner or guest of any Owner, and each Owner shall indemnify and hold harmless the Association and the other Owners from and against all loss resulting from any such damage or waste caused by such Owner or by the guests, tenants, licensee, or invitees of such Owner.

5.4 Rules and Regulations. Each Owner shall comply strictly with all Association Rules and other regulations adopted by the Association for the governance of the Lots, the Common Areas, and the Project, as such rules and regulation may be modified, amended, and construed by the Association.

5.5 Construction Period Exemption. During the course of actual construction of any permitted structures or improvements within the Project, the provisions, covenants, conditions, and restrictions contained in this Declaration shall be deemed waived to the extent necessary or convenient to permit such construction; provided, however, that during the course of such construction, nothing shall be done which will result in a violation of any said provision, covenants, conditions or restrictions upon completion of the construction.

5.6 Sub-Association Membership. In addition to and independent from his or her membership in The Fields at Lakeview Homeowner's Association, Inc., each Owner shall be a member of a Sub-Association and shall be subject to such Sub-Association's governing documents. An Owner's membership in a Sub-Association shall be determined by the location of his or her Lot as more fully described in Exhibit C. Each member of a Sub-Association shall be vested with voting rights as described in Exhibit C. The members of each Sub-Association shall be authorized to adopt an enabling declaration and bylaws for such Sub-Association by the affirmative vote of a majority of the Sub-Association's voting interest. Any enabling declaration and bylaws duly adopted by a Sub-Association may be recorded against each Lot within such Sub-Association.

ARTICLE 6 DUTIES AND POWERS OF THE ASSOCIATION

6.1 General Duties and Powers of the Association. In addition to the duties and powers enumerated in its Articles and Bylaws, or elsewhere provided for herein, and without limiting the generality thereof, the Board shall:

a. enforce the provisions of the Declaration, the Articles and the Bylaws by appropriate means and carry out the obligations of the Association hereunder, including without limitation, the expenditure of funds of the Association, the employment of legal counsel, the commencement of actions, the promulgation for the Association Rules as provided in the Bylaws and Section 6.2 below, which shall include the establishment of a system of fines or penalties enforceable as Special Assessments;

k. acquire real property by lease or purchase for offices or other facilities that may be necessary or convenient for the management of the Common Areas and Facilities, the administration of the affairs of the Association or for the benefit of the Members;

l. have the power to establish in cooperation with the City a special tax assessment district for the performance of all or a portion of the maintenance and other functions now within the responsibility of the Association, together with the right to convey or lease, with or without the payment of monetary consideration, all or any portion of the Common Areas and Facilities to said district.

6.2 Association Rules. The Board shall also have the power pursuant to the procedures set forth in the Bylaws to adopt, amend, and repeal such rules and regulations as it deems reasonable (the "Association Rules"). The Association Rules shall govern such matters in furtherance of the purposes of the Association, including, without limitation, the use of the Common Areas and Facilities; provided, however, that the Association Rules may not discriminate among similarly-situated Owners and shall not be inconsistent with this Declaration, the Articles, or Bylaws. A copy of the Association Rules, as they may from time to time be adopted, amended or repealed, shall be delivered to each Owner in the same manner established in this Declaration for the delivering of notices. Upon such delivery, said Association Rules shall have the same force and effect as if they were set forth in and were part of this Declaration. The Association Rules, as adopted, amended or repealed, shall be available at the principal office of the Association to each Owner and Mortgagee upon request. In the event of any conflict between any such Association Rules and any other provisions of this Declaration, the Articles or the Bylaws, the provisions of the Association Rules shall be deemed to be superseded by the provisions of this Declaration, the Articles or the Bylaws to the extent of any such inconsistency. Prior to the Turnover Date, Declarant shall be exempt from the rule making procedure required by Utah Code § 57-8a- 217.

6.3 Delegation of Powers. The Association shall have the right according to law, to delegate any of its powers under this Declaration, the Articles and Bylaws; provided, however, no such delegation, whether to a professional management company, committee or otherwise shall relieve the Association of its obligation to perform such delegated duty.

6.4 Schedule of Fines and Penalties. The Association has the authority, from time to time, to set forth in the Association Rules a schedule of fines and penalties for violations of the Association's governing documents.

ARTICLE 7 INDEMNIFICATION

7.1. Indemnification – Third Party Actions. The Association shall indemnify any person who was or is a party to any action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a Board Member or officer of the Association, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by an order or settlement, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in

good faith and in a manner which he reasonably believed to be in the best interests of the Association or with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his conduct was unlawful.

7.2. Indemnification – Association Actions. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Association by reason of the fact that he is or was a Board Member or officer of the Association, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Association; provided, however, that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or intentional misconduct in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability and in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

7.3. Determination. To the extent that a person who is or was a Board Member or officer of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Sections 7.1 or 7.2 of Article VII hereof, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith. Any other indemnification under Sections 7.1 or 7.2 hereof shall be made by the Association only upon a determination that indemnification of the person is proper in the circumstances and that he has met the applicable standard of conduct set forth respectively in Sections 7.1 or 7.2 hereof. Such determination shall be made by a quorum of Board Members. If the Board of Directors cannot authorize indemnification because the number of Board Members who are parties to the proceeding with respect to which indemnification is sought prevents the formation of a quorum of Board Members who are not parties to that proceeding, the disinterested Board Members shall, in their sole discretion, either (a) appoint independent legal counsel who shall make the determination regarding indemnification in a written opinion, or (b) cause that the determination regarding indemnification be made by the Members of the Association by the affirmative vote of more than fifty percent (50%) of the total votes of the Association at a meeting duly called for such purpose

7.4. Insurance. The Board of Directors, in its discretion, may direct that the Association purchase and maintain insurance on behalf of any person who is or was a Board Member, officer, or employee of the Association or is or was serving at the request of the Association as a Board Member, officer, employee or agent of another association, corporation, partnership, joint venture, trust or other enterprise against any liability asserted against, and incurred by, such person in any such capacity or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against liability under the provisions of this Article VII.

7.5. Settlement by the Association. The right of any person to be indemnified shall be subject always to the right of the Association by the Board of Directors, in lieu of such indemnity, to settle any such claim, action, suit or proceeding at the expense of the Association by the payment

of the amount of such settlement and the costs and expenses incurred in connection therewith.

ARTICLE 8 REPAIR AND MAINTENANCE

Without limiting the generality of the statement of duties and powers contained in this Declaration, the Association shall have the duty to maintain the Common Areas and Facilities in a clean, safe, and attractive condition at all time and shall repair, restore, replace and make necessary improvements to the same.

ARTICLE 9 INSURANCE

9.1 Insurance Requirement. The Association shall obtain insurance as required in this Declaration and as required by applicable law. The Association may obtain insurance that provides more or additional coverage than the insurance required in this Declaration. Different policies may be obtained from different insurance carriers and standalone policies may be purchased instead of or in addition to embedded, included coverage, or endorsements to other policies.

9.2 Association's Right to Not Tender Claims that are Under the Deductible. If, in the exercise of its business judgment, the Board of Directors determines that a claim is likely not to exceed the Association's property insurance policy deductible: (a) the Owner's policy is considered the policy for primary coverage to the amount of the Association's policy deductible; (b) an owner who does not have a policy to cover the Association's property insurance policy deductible is responsible for the loss to the amount of the Association's policy deductible; and (c) the Association need not tender the claim to the Association's insurer.

9.3 Directors and Officers Insurance. The Board, in its sole discretion, may obtain Directors and Officers liability insurance protecting the Board of Directors, the Officers, and the Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available).

9.4 Insurance Coverage for Theft and Embezzlement of Association Funds. The Association may obtain insurance covering the theft or embezzlement of funds that shall:

- a. Provide coverage for an amount of not less than the sum of three months regular assessment in addition to the prior calendar year's highest monthly balance on all operating and reserve funds; and
- b. Provide coverage for theft or embezzlement of funds by:
 - (i) Officers, Board of Directors, or Members of the Association;
 - (ii) Employees and volunteers of the Association;
 - (iii) Any manager of the Association; and

(iv) Officers, directors and employees of any manager of the Association

9.5 Association's Right to Negotiate All Claims and Losses and Receive Proceeds. Insurance proceeds for a loss under the Association's property insurance policy shall be payable the Association, and shall not be payable to a holder of a security interest. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete and, if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Lots. Each Owner hereby appoints the Association, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and the execution of releases of liability, and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representative, successors or assigns of an Owner.

9.6 Waiver of Subrogation against Owners and Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Association and the Owners and their respective agents and employees.

ARTICLE 10 DESTRUCTION OF IMPROVEMENTS

In the event of partial or total destruction of Improvements upon the Common Areas and Facilities, it shall be the duty of the Association to restore and repair the same to its former condition as promptly as practical. The proceeds of any insurance maintained pursuant hereto shall be used for such purpose. In the event that the amount available from the proceeds of such insurance policies for such restoration and repair shall be insufficient to accomplish such repair or restoration, a Reconstruction Assessment may be levied by the Association to provide the necessary funds or such reconstruction, over and above the amount of any insurance proceeds available for such purpose. In the event any excess insurance proceeds remain, the Board shall distribute pro rata such excess funds to the Members, subject to the prior rights of Mortgagees whose interest may be protected by insurance policies carried by the Association. The rights of an Owner and the Mortgagee of his Lot as to such pro rata distribution shall be governed by the provisions of the Mortgage encumbering such Lot. All amounts collected as Reconstruction Assessments shall only be used for the purposes set forth in this Article and shall be deposited by the Board in a separate bank account to be held in trust for such purposes. Such funds shall not be commingled with any other funds of the Association.

ARTICLE 11 EMINENT DOMAIN

The term "taking" as used in this Article shall mean condemnation by eminent domain or sale under threat of condemnation. In the event of a threatened taking of all or any portion of the

Common Areas and Facilities, the Members hereby appoint the Board and such persons as the Board may delegate to represent all of the Members in connection with the taking. The Board shall act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to make a voluntary sale to the condemner in lieu of engaging in a condemnation action. Any awards received on account of the taking shall be paid to the Association. In the event of a taking of less than all of the Common Areas and Facilities, the rules as to restoration and replacement of the Common Areas and Facilities and the improvements thereon shall apply as in the case of destruction of the improvements upon the Common Areas and Facilities. In the event of a total taking, the Board shall distribute pro rata any award to the Members. The rights of an Owner and the Mortgagee of such Owner's Lot as to such pro rata distribution shall be governed by the provisions of the Mortgage encumbering such Lot.

ARTICLE 12 RIGHTS TO THE COMMON AREAS AND FACILITIES

There is hereby reserved and established for the benefit of each Owner and such Owner's Occupants and Permittees a nonexclusive easement for use and enjoyment in and to the Common Areas and Facilities and such right shall be appurtenant to and shall pass with the interest required to be an Owner to every Lot, subject to the following provisions:

- a. The right of the Association to establish reasonable rules and regulations pertaining to the use of the Common Areas and Facilities.
- b. The right of the Association to dedicate or transfer all or any part of the Common Areas and Facilities to any public agency, authority or utility or other entity for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer, including, without limitation, the conveyance, lease or other transfer of any portion of the Common Areas and Facilities to a special tax assessment district or to the City, shall be effective unless approved by Members holding not less than sixty-seven percent (67%) of the voting power of the Members.
- c. The right of the Association to establish, in cooperation with the City, a special assessment district for the performance of all or a portion of the maintenance and other functions now within the responsibility of the Association, together with the right of the Association to convey, lease or otherwise transfer, subject to the provisions of subsections 12.1(b) above, all or any portion of the Common Areas and Facilities to said district.

ARTICLE 13 EASEMENTS AND LICENSES

13.1 Owners' Rights and Duties: Utilities and Communication Lines. The rights and duties of the Owners with respect to water, sewer, electricity, gas, telephone, cable television lines and drainage facilities shall be governed by the following:

- a. Wherever sanitary sewer, water, electricity, gas, telephone and communication lines or drainage facilities are installed within the Property, there is hereby reserved and

established for the benefit of the Owners of any Lot served by said lines or facilities a nonexclusive easement for the full extent necessary therefore, to enter upon the real property owned by others, in or upon said lines or facilities, or any portion thereof, to repair, replace and generally maintain said lines and facilities as and when the same may be necessary as set forth below, provided that such Owner or utility company shall promptly repair any damage to real or personal property caused by such entry as promptly as possible after completion of work thereon.

b. Wherever sanitary sewer, water, electricity, gas, telephone or communication lines or drainage facilities are installed within the Property, which lines or facilities serve more than one (1) Lot, the Owner of each Lot served by said lines or facilities shall be entitled to the full use and enjoyment of such portions of said lines or facilities which service such Owner's Lot.

c. The foregoing provisions of this Section shall not be deemed to give any Owner the right to connect to any utility line or facility without first complying with all the requirements of the utility company providing the service in question, including without limitation, the payment of all required connection fees and related charges.

13.2 Reservation of Access and Utilities. Easements over the Property for the installations and maintenance of electric, telephone, communication lines, water, gas, sanitary sewer lines and drainage facilities as shown on the recorded subdivision maps of the Property are hereby reserved and established for the benefit of each Owner and their respective successors and assigns. Declarant hereby reserves an easement for access and utilities (including but not limited to: electrical, gas, communication, phone, internet, cable, sewer, drainage and water facilities) over, under, along, across and through the Property, together with the right to grant to a City and County, or any other appropriate governmental agency, public utility or other utility corporation or association, easements for such purposes over, under, across, along and through the Property upon the usual terms and conditions required by the grantee thereof for such easement rights, provided, however, that such easement rights must be exercised in such manner as not to interfere unreasonably with the use of the Property by the Owners and the Association and those claiming by, through or under the Owners or the Association; and in connection with the installation, maintenance or repair of any facilities as provided for in any of such easements, the Property shall be promptly restored by and at the expense of the person owning and exercising such easement rights to the approximate condition of the Property immediately prior to the exercise thereof. Each Owner in accepting the deed to a Lot expressly consents to such easements and rights-of-way and authorizes and appoints the Association as attorney-in-fact for such Owner to execute any and all instruments conveying or creating such easements or rights-of-way.

13.3 Common Area Easements. The following nonexclusive easements are hereby reserved and established for the benefit of each Owner and the Occupants and Permittees of each Owner:

a. Nonexclusive easements for the purpose of pedestrian traffic over, upon, and across the Common Areas and Facilities and portions of each Lot; limited, however, to those portions of the foregoing which are improved by the Owner thereof from time to time for pedestrian walkways and made available by such Owner for general use, as such portions may be reduced, increased or relocated from time to time by each such Owner.

b. Nonexclusive easements for the purpose of vehicular traffic over, upon, and across (1) the public streets and alleys now and hereafter abutting any portion of the Property; (2) Association-owned roads; (3) access points for ingress and egress; (4) the Common Areas and Facilities; and (5) portions of the Lots; limited, however, to those portions of the foregoing which are improved by the Owner thereof from time to time for vehicular access ways as such portions may be relocated from time to time by such Owner.

13.4 Easements for Encroachments. If any part of the Common Areas as improved by Declarant now or hereafter encroaches upon any Lot or if any structure constructed by Declarant on any Lot now or hereafter encroaches upon any other Lot or upon any portion of the Common Area, a valid easement for such encroachment and the maintenance thereof, so long as it continues, shall exist. If any structure on any Lot shall be partially or totally destroyed and then rebuilt in a manner intended to duplicate the structure so destroyed, minor encroachments of such structure upon any other Lot or upon any portion of the Common Area due to such reconstruction shall be permitted; and valid easements for such encroachments and the maintenance thereof, so long as they continue, shall exist.

13.5 Easements for Construction and Development Activities. Declarant reserves easements and rights of ingress and egress over, under, along, across and through the Property and the right to make such noise, dust and other disturbance as may be reasonably incident to or necessary for the (a) construction of improvements upon the Lots, (b) to maintain sales or leasing offices, management offices and models throughout the Project and to maintain one or more advertising signs on the Common Area with respect to the sales of Lots, or other property in the Project or within any undeveloped land, (c) improvement of the Common Area and construction, installation and maintenance thereon of roadways, walkways, buildings, structures, landscaping, and other facilities designed for the use and enjoyment of some or all of the Owners, and (d) construction, installation and maintenance on lands within, adjacent to, or serving the Property of roadways, walkways, and other facilities, planned for dedication to appropriate governmental authorities.

ARTICLE 14 NATURE OF EASEMENTS, LICENSES, AND RIGHTS GRANTED

14.1 Easements Appurtenant. Each and all of the easements, licenses, and rights granted or created herein are appurtenances to the affected portions of the Property and none of the easements and rights may be transferred, assigned or encumbered except as an appurtenance to such portions. For the purposes of such easements, licenses, and rights, the particular areas of the Property which are benefitted by such easements shall constitute the dominant estate, and the particular areas of the Property which are burdened by such easements and rights shall constitute the servient estate.

14.2 Nature and Effect of Easements. Each and all of the easements, covenants, restrictions and provisions contained in this Declaration:

a. are made for the direct, mutual and reciprocal benefit of the Owners, Occupants and Permittees of the respective Lots;

- b. create mutual equitable servitudes upon each Lot in favor of the other Lots;
- c. constitute covenants running with the land; and
- d. shall bind every person or entity having any fee, leasehold or other interest in any portion of the Property at any time or from time to time to the extent that such portion is affected or bound by the easement, covenant, restriction or provision is to be performed on such portion.

ARTICLE 15 EXPANSION RIGHTS AND SUBMISSION

15.1 Right to Expand. There is hereby granted unto Declarant, and Declarant hereby reserves, the absolute right and option to expand the Project at any time (within the limits herein prescribed) and from time to time by adding to the Project all or a portion of the Expansion Property. The Buildings on the Expansion Property are required to be substantially similar to those constructed upon the Property.

15.2 Annexation without Approval and Pursuant to General Plan. All or any part of the Expansion Property may be annexed to and become subject to this Declaration and subject to the jurisdiction of the Association without the approval, consent or vote of the Association or its Members or any other persons or parties, provided that a Supplementary Declaration covering the portion of said Expansion Property may be annexed to and become subject to this Declaration and subject to the jurisdiction of the Association without the approval, consent or vote of the Association or its Members or any other persons or parties, provided that a Supplementary Declaration covering the portion of said Expansion Property sought to be annexed, shall be executed by the then Owner or Owners thereof, consented to by Declarant, and recorded; provided, however, no Supplementary Declaration shall be so executed and recorded pursuant to this Section subsequent to the Turnover Date. The recordation of said Supplementary Declaration shall constitute and effectuate the annexation of the said real property described therein, making said real property subject to this Declaration and subject to the functions, powers and jurisdiction of the Association, and thereafter said annexed real property shall be part of the Property and all of the Owners of Lots in said annexed real property shall automatically be Members of the Association.

15.3 Supplementary Declaration. The annexations authorized under section 18.2 may be made by recording a Supplementary Declaration of Protective Covenants, Conditions and Restrictions, or similar instrument, with respect to the Expansion Property which shall extend the plan of this Declaration to such property. Such Supplementary Declaration contemplated above may contain such complementary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the annexed property and as are not inconsistent with the plan of this Declaration. In no event, however, shall any such Supplementary Declaration revoke, modify or add to the covenants established by this Declaration within the existing property unless such Supplementary Declaration is approved in the manner required herein for an amendment to this Declaration.

15.4 No Obligation to Expand. This Declaration is not intended, and shall not be construed so as to impose upon Declarant an obligation to expand the Project or any other obligation respecting or restricting Declarant in any way with regard to any addition to the Project or any of the Expansion Property.

15.5 Owners' Obligations Concerning Expansion of Project. Each Owner, by acquiring his interest in the Project, agrees not to inhibit or oppose Declarant's future development of the Expansion Property (whether or not added to the Project) and the obtaining of necessary approvals therefore. Without limiting the scope of the immediately foregoing sentence, no Owner, directly or indirectly, shall oppose such development in public meetings, by petition, or by legal actions.

ARTICLE 16 AMENDMENTS

16.1 Manner of Amending. This Declaration may be amended as follows:

a. At all times on or prior to the Turnover Date, this Declaration may be amended, altered or modified by a Supplementary Declaration or by another amending document approved and signed by the Declarant. No other Members will be required to approve such amendment.

b. After the Turnover Date, this Declaration may be amended by the affirmative vote or written consent, or any combination thereof, of voting Members representing sixty-seven percent (67%) of the total votes of the Association. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

16.2 Consent to Amend. If an Owner consents to the Amendment of this Declaration or the Association bylaws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

16.3 Mortgagee's Rights. No amendment may impair the validity or priority of the lien of any Mortgage held by any Mortgagee or impair the rights granted to Mortgagees herein without the prior written consent of such Mortgagees.

16.4 Acceptance of Deed. By acceptance of a deed of conveyance to a Lot each Owner thereby gives its full, irrevocable and unqualified consent on behalf of itself, its mortgagees, and its successors-in-title to the amendment of this Declaration in the manner provided in this Article.

16.5 Certain Amendments Requiring Consent. No amendment of this Declaration changing the allocation of assessments with regard to Declarant or Declarant Related Entities shall be valid without the consent of the Declarant.

ARTICLE 17
ASSOCIATION LITIGATION

17.1 Certain Litigation Requiring Consent. In recognition of the expenses and disruption associated with litigation, except as otherwise provided by this Article, the Association shall not commence a judicial or administrative proceeding without the approval of the Declarant for so long as the Members govern the Association and thereafter only upon the approval of Owners representing at least 75% of the total vote of the Association.

17.2 Actions Arising Out of an Alleged Defect. Neither the Association nor any Owner shall institute an action against any person which arises out of an alleged defect in the development of the Subdivision until: (i) Declarant and the person(s) who physically constructed the portion of the subdivision in which the alleged defect exists have been notified and given a reasonable time and opportunity in which to inspect, assess, correct, or redesign any alleged defect or other portions of the Subdivision (provided, however, that the terms of this Article shall not create an obligation of any person to effect a repair of an alleged defect); (ii) the Association or Owner(s) have pursued their remedies under any express warranty covering all or any portion of the alleged defect; (iii) the Declarant and the affected contractor(s) have been given the opportunity to be heard at a meeting of the Association regarding the alleged defect; and (iv) all proposed parties to the action have been given a reasonable opportunity to mediate any dispute or disagreement relating to the alleged defect, and have either participated or refused to participate in such mediation.

17.3 Compensation of Legal Counsel. No action affected by this Article shall be conducted utilizing legal counsel who are compensated on a contingency fee or similar means of compensation in which litigation costs and attorneys' fees are not paid on a current basis or are paid out of the settlement or judgment amount recovered by the Association in such action.

17.4 Application and Amendment of this Article. This Article shall not apply to: (i) actions brought by the Association to enforce the Governing Documents (including, without limitation, the foreclosure of liens); (ii) the collection of assessments; (iii) proceedings involving challenges to ad valorem taxation; (iv) counterclaims brought by the Association in proceedings instituted against it; or, (v) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of an express contract with the Association or its manager for services or supplies. This Article shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

17.5 Relationship to Applicable Law. The rights and provisions of this Article shall be in addition to and, unless conflicting, are not intended to supersede any other rights and provisions regarding association litigation against a declarant provided in the Community Association Act or in any other applicable body of law.

17.6 Amendment Requires Consent of Declarant. Notwithstanding any other provision of this Declaration, this Article and its subsections may not be amended except with the prior written consent of the Declarant.

ARTICLE 18 GENERAL PROVISIONS

18.1 Enforcement. Either the Association or any Owner shall have the right to enforce by proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration or any amendment hereto, including the right to prevent the violation of any such restrictions, conditions, covenants, or reservations, and the right to recover damages for such violation; provided, however, that the Association shall have the exclusive right to enforce assessment liens. The Association or any Member shall also have the right to enforce by proceedings at law or in equity the provisions of the Articles, Bylaws, or Association Rules, and any amendments thereto. Failure by the Association, Declarant, or by any Member to enforce any covenant, condition, or restriction herein contained, or the Articles and the Bylaws, in any certain instance or on any particular occasion, shall not be deemed a waiver of such right on any such future breach of the same covenant, condition or restriction.

18.2 Not a Public Dedication. Nothing contained in this Agreement shall, or shall be deemed to, constitute a gift or dedication of any portion of the property to the general public or for the benefit of the general public or for any public purpose whatsoever, it being the intention of the parties that this Agreement will be strictly limited to and for the purposes expressed herein.

18.3 Severability. Notwithstanding invalidation of any one of these covenants, conditions or restrictions by judgment or court order, all other provisions hereof shall remain in full force and effect.

18.4 Construction. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of residential Lots and Residences on the Property and for the maintenance of the Property and the Common Areas and Facilities. The Article and Section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction.

18.5 Singular Includes Plural. Whenever the context of this Declaration requires, the singular shall include the plural, the plural shall include the singular, and the masculine shall include the feminine and neuter.

18.6 Nuisance. The result of every act or omission, whereby any provision, condition, restriction, covenants, easement, or reservation contained in this Declaration is violated in whole or in part, is hereby declared to be and constitutes a nuisance, and every remedy allowed by law or equity against a nuisance, either public or private, shall be applicable against every such result, and may be exercised by the Association or any Member. Such remedy shall be deemed cumulative and not exclusive.

18.7 Attorneys' Fees. In addition to the recovery of costs and attorney fees as provided herein, the Association shall be entitled to recover all reasonable attorney fees and costs incurred as a result of an Owner breach of the Governing Documents, including meetings, research, memoranda, monitoring and other legal work incurred in response to an Owner breach or violation

of the Governing Documents. These fees may be collected by special or individual assessment against the subject Owner(s) or Lot(s).

18.8 Notices. Any notice to be given to an Owner, Sub-Association, or Mortgagee or mortgage servicing contractor under the provisions of this Declaration shall be in writing and may be delivered as follows:

a. Notice to an Owner or Sub-Association shall be deemed to have been properly delivered when delivered personally, sent by fax or email, or placed in the first class United States mail, postage prepaid, to the most recent address furnished by such Owner or Sub-Association in writing to the Association for the purpose of giving notice or, if no such address shall have been furnished, then to the street address of such Owner's Lot (where applicable). Any notice sent by fax or email shall be deemed delivered the earlier of twenty-four (24) hours after being sent or confirmed receipt. Any notice deposited in the mail shall be deemed delivered the earlier of forty-eight (48) hours after such deposit or upon confirmed receipt. In the case of co-Owners, any such notice may be delivered or sent to any one of the co-Owners, on behalf of all co-Owners, and shall be deemed delivered on all such co-Owners.

b. Notice to a Mortgagee or its mortgage servicing contractor shall be deemed to have been properly delivered when placed in the first class United States mail, postage prepaid, to the address furnished to the Association by such Mortgagee or such contractor for the purposes of notice.

18.9 Effect of Declaration. This Declaration is made with the intent to establish a general scheme for the use, occupancy and enjoyment of the Property and each and every Lot and portion thereof. Declarant makes no warranties or representations, express or implied, as to the binding effect or enforceability of all or any portion of this Declaration, or as to the compliance of any of these provisions with public laws, ordinances and regulations applicable thereto.

18.10 Personal Covenant. To the extent the acceptance of a conveyance of a Lot creates a personal covenant between the Owner of such Lot and the Association or other Owners, such personal covenant shall terminate and be of no further force or effect from and after the date when a person or entity ceases to be an Owner except to the extent this Declaration may provide otherwise with respect to the payment of money to the Association.

18.11 Non-liability of Officials. To the fullest extent permitted by law, neither the Declarant, the Board, nor any other committee of the Association or any member of such Board or committee shall be liable to any Member or the Association for any damage, loss or prejudice suffered or claimed on account of any decision, approval or disapproval of plans or specifications (whether or not defective), course of action, act, omission, error, negligence or the like made in good faith within which such Board, committees or persons reasonably believed to be the scope of their duties.
