GRANT:

NOW THEREFORE, in consideration of the covenants contained herein and other valuable consideration, Grantor makes the following grants, agreements, covenants and restrictions:

1. **Easement.** Grantor hereby Grants to Grantee a perpetual non-exclusive easement to use the Burdened Parcel as "open space" (as that term is defined in Section 2 hereof) for the benefit of Grantee, its successors and assigns as the owners from time to time of all or any part of the Park West Condominium (the "Benefitted Parcel") according to the official plat thereof on file with the office of the Summit County Recorder which will be benefited by the easement herein granted (which persons or entities are sometimes collectively called the "Owners").

2. **Definition of "Open Space."** In the event that Summit County shall adopt an ordinance which contains a definition of the term "open space" and which makes such definition applicable to the Burdened Parcel, that definition shall be incorporated into this easement by reference. In the absence of such a definition, the term "open space" shall mean land on which improvements and activities shall be permitted and prohibited as designated in subsections 2.1 and 2.2, respectively.

2.1. **Permitted.** The following improvements and activities shall be permitted: landscaping, ponds, swimming pools, hot tubs, pedestrian, bicycle, skate board and roller skate paths (whether paved or not), and outdoor recreational facilities including but not limited to tennis, badminton, volleyball, soccer, rugby, baseball, softball, archery, fishing, barbecuing, and picnicking.

2.2. **Prohibited.** The following improvements and activities shall be prohibited: temporary or permanent buildings or building-type structures of any kind, impermanent structures other than those used only for activities permitted by Subsection 2.1 hereof, operation, parking or storage of motorized vehicles of any kind except those used for landscaping maintenance, machinery which is affixed to the property and which can be seen or heard from adjacent property, noxious or offensive activities of any kind, any activity which is or which may become a nuisance, allowing any animal other than a wild animal to be present on the Parcel, and dumping or storage of refuse, garbage or other waste.

3. **Unimpeded Access.** Grantee agrees that neither it nor the Owners will do anything to prohibit or discourage free and uninterrupted pedestrian travel throughout the Burdened Parcel.

4. **Easements Appurtenant.** Each and all of the easements and rights granted or created herein are appurtenances to the Benefitted Parcel and none of the easements and rights may be transferred, assigned or encumbered except as an appurtenance to such Benefitted Parcel. The Benefitted Parcel shall constitute the dominant estate, and the Burdened Parcel shall constitute the servient estate. Each and all of the easements, covenants, restrictions and provisions contained in this Agreement create equitable servitudes upon, and constitute covenants running with, the land. The easements shall bind every person or entity having any fee, leasehold or other interest in any portion of the Burdened Parcel at any time or from time to time.

5. **Transfer of Title.** The acceptance of any transfer or conveyance of title from any of the Owners or their respective heirs, representatives, successors or assigns of all or any part of their interest in the Burdened Parcel, or any part thereof, shall be deemed to constitute the agreement of the prospective grantee to agree not to use, occupy or allow any lessee or occupant to use or occupy the Parcel, or any part thereof, in any manner which would constitute a violation or breach of any of the easements and covenants contained herein.

6. **Duration.** The easements, covenants, restrictions and other provisions of this Agreement shall be of perpetual duration.

7. **Amendment.** This Agreement, or any easement, covenant, restriction or undertaking contained herein, may be terminated or amended only by the recording of the appropriate document in the Office of the County Recorder of Summit County, Utah, which document must be executed by Grantee and all of the Owners as of the date of such document.

00421227 8:0857 P00333

8. **Indemnification.** By acceptance of this easement, Grantee agrees to indemnify and hold harmless Grantor (and its successors and assigns which may hold legal title to the Burdened Parcel) from and against all liabilities, claims, judgments, attorneys' fees, etc., which may arise solely by virtue of their ownership of legal title to the Parcel.

9. **Attorney's Fees.** In the event any action is instituted by a party to enforce any of the provisions contained herein, the prevailing party in such action shall be entitled to reasonable attorney's fees, costs and expenses.

10. **Entire Agreement.** This Agreement constitutes the entire understanding and agreement of the parties and any and all prior agreements or understandings with regard to the subject matter hereof are canceled in their entirety and are of no force and effect.

11. **Captions.** The captions appearing in this Agreement are for convenience in reference only. Should there be any conflict between any caption and the section with which it appears, the section and not the caption shall control.

12. **Waiver.** The waiver by any party to this agreement of a breach of any provision of this Agreement shall not be deemed a continuing waiver or waiver of any subsequent breach.

13. **No Partnership.** Nothing in this Agreement shall be deemed or construed to create the relationship of principal and agent or partnership or joint venture or of any other similar association between the parties hereto.
