a. Appointment or Election of Members. Until such time as the Developer shall transfer control of the ARC to the Owners (the "Period of Developer's Control"), the Developer shall have the exclusive right to appoint the members of the ARC. Thereafter, the ARC shall be comprised of three (3) Owners, the majority of which shall constitute a quorum. The concurrence of the majority of the members of the ARC shall be necessary to carry out the provisions applicable

to this Committee. In the event of death or resignation of any of the members of the Committee, the surviving members of the ARC shall have full authority to appoint another person to fill said vacancy. Except for the members appointed to the ARC by the Developer, all members of the ARC must be Owners and residents of the subdivision at the time of their appointment. Should any member move his residence outside of the subdivision he shall be disqualified to serve and the ARC shall declare a vacancy.

b. **Remuneration, Limitation of Liability and Indemnity.** It is understood that the ARC members shall serve without pay, and are to give of their time as a public service to the Subdivision. Therefore, neither the ARC nor any member thereof shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications. any liability incurred due to an oversight or implied mistake that might arise due to the action of the ARC or any of its members while carrying out the functions of the ARC will be exempt from any and all civil claims brought by Owners or residents. Therefore, each Owner (or all of the Owners acting as a group according to this Declaration) shall save, indemnify and hold harmless from any such action the ARC and its members, including without limitation all defense costs and attorney fees, as a result of any claims, demands, costs, awards or judgments arising out of their review or approval of architectural designs, plans and specifications; and they shall be exempt from any civil recourse either intended or implied to any of the ARC members while serving in the capacity of the ARC, or for the decisions, acts, omissions, judgements and the like which they may take or render during the course of their service, including negligent acts or omissions.

c. **No Waiver of Future Approvals.** The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

d. **Variance.** The ARC may authorize variances from compliance with any of the architectural guidelines when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with its duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (1) be effective unless in writing, (2) be contrary to the restrictions set forth in the body of this Declaration, or (3) estop the ARC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit or the terms of financing shall not be considered a hardship warranting a variance.

e. **Enforcement.** Any construction, alteration, or other work done in violation of this Declaration shall be deemed to be nonconforming. Upon written request from the Developer or ARC, Owners shall, at their own cost and expense, remove such non-conforming construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior

to the non-conforming construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the Developer, ARC or Management Committee, or their designee, shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work, without being deemed to be a trespasser. All costs incurred, together with the interest at the fixed rate of 1.5% per month, shall be treated as an Assessment.

#### 6. Committee Procedure and Grant of Authority

a. The ARC shall consider, approve and/or reject the following items; provided, however, during the Period of Developer's Control, with only his written approval and consent the ARC can accept or reject:

- 1) Preliminary Plans of proposed residences.
- 2) Planning problems or complaints by Owners.

b. That ARC shall act within thirty (30) days on any of the above, and place its action in writing to be held as a permanent record, with copies to parties concerned and on file.

c. The final plans shall be delivered to the ARC, which shall accept or reject them for review within thirty (30) days, and so notify the Owner in writing.

d. An Owner whose plans are rejected shall meet with the ARC at the ARC's invitation where he shall be informed of the nature of the cause of the action so that he can take the steps necessary toward obtaining approval of his plans.

e. Finally, the ARC has the authority to judge Dwellings, construction materials, fences, planting, landscaping and other improvements in the Subdivision, on whatever basis available to it with the aim of preserving what it feels are the best interests of the property owners represented. These shall include, but not be limited to aesthetics, reasonable protections of view, quality of construction, quality of materials and the like. All decisions of the ARC shall be conclusive, binding and final.

f. In the event the ARC fails to approve or disapprove such proposed design and location within thirty (30) days after such plans and specifications have been submitted to it in writing, then this covenant will be deemed to have been complied with, provided the said structure shall conform to and be in harmony with existing structures in the tract and with the other provisions herein contained.

g. The ARC shall have, and is hereby granted, the following authority and powers:

- 1) The power and authority to enter into or upon any Lot.
- 2) The authority, without the vote or consent of the Owners, mortgagees, insurers or guarantors of any mortgage, or of any other person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across, and

through the Subdivision for utilities, roads, and other purposes reasonably necessary or useful for the operation or regulation of the Subdivision.

3) The authority to execute and record, on behalf of all Owners, any amendment to the Declaration or Plat Map which has been approved by at least 67% of the Owners in writing.

4) The power to sue and be sued.

5) The authority to enter into contracts which in any way concern the Subdivision, so long as any vote or consent necessitated by the subject matter of the agreement has been obtained.

6) The authority to promulgate such reasonable design guidelines, administrative rules, regulations and procedures as may be necessary or desirable to aid the ARC in carrying out any of its functions.

7) The authority to conduct meetings.

8) The authority to issue citations, levy fines and make Assessments.

9) The authority to interpret and enforce this Declaration.

10) The power and authority to perform any and all other acts, and to enter into any other transactions which may be reasonably necessary for the ARC to perform its functions on behalf of the Owners.

h. By the acceptance of a deed to a lot or any other document of conveyance, each owner expressly agrees that individual assessments may be levied against him and his lot by the ARC to pay, compensate or reimburse the ARC for: (1) late fees, (2) default interest on amounts due at 1.5% per month (unless otherwise determined by the ARC), (3) fines levied for violations of these covenants; (4) costs and expenses incurred by the ARC in interpreting and/or enforcing these restrictions; and (5) reasonable attorney's fees, default interest, late fees, and other charges relating thereto.

i. Each Assessment is a debt of the Owner at the time the Assessment is made and is collectible as such. If any Owner fails or refuses to make any payment of the debt when due, that amount constitutes a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the ARC is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the lot in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

j. If any Assessments remain unpaid, the ARC may institute suit to collect the amounts due and/or commence procedures to foreclose the lien.

k. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the ARC or its agents the right and power to bring all actions against him personally for the

collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

l. No Owner may waive or otherwise exempt himself from liability for the payment of any Assessments provided for herein by the abandonment of his Lot.

m. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the ARC to take some action or perform some function required to be taken or performed by the ARC under this Declaration or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

n. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the ARC. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for his home during the pendency of the foreclosure action. The ARC in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The ARC may bid for the lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

o. If the ARC elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the ARC, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

p. Each Owner by accepting a deed or other document of conveyance to a Lot hereby irrevocably appoints the ARC as his attorney in fact to collect rent from any person renting his Lot, if the Lot is rented and owner is delinquent in the payment of his assessments. Rent due shall be paid directly to the ARC upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the renter, against rent due, for the amount of money paid to the ARC.

q. No fine shall be valid or enforceable until the Owner has received written notice of the ARC's intent to fine and an opportunity to be heard.

7. Preliminary Architectural Drawings, Plans and Specifications. The ARC may require, as a minimum, the following:

a. Plot plan to scale of entire site with buildings located and elevation of floors shown above or below a designated point on the street.

b. Floor plans of each floor level to scale.

- c. Elevations to scale of all sides of the Dwelling.
  - d. One major section through Dwelling.
  - e. A perspective (optional).
  - f. Specifications of all outside materials to be used on the exterior of the Dwelling.
8. Final Plans and Specifications and Working Drawings. The ARC may require, as a minimum, the following:
- a. Plot plans to scale showing the entire site, building, garages, walks, drives, fence, carriage lights, retaining walls, with elevations of the existing and finished grade and contours including those at the outside corners of the buildings and at adjacent property lines and street fronts, and elevations of floors from a designated point on the street.
  - b. Detailed floor plans.
  - c. Detailed elevations, indicating all materials and showing existing and finished grades.
  - d. Detailed sections, cross and longitudinal.
  - e. Details of cornices, porches, windows, doors, garages, garden walls, steps, patios, fences, carriage lights, etc. Specifications shall give complete description of materials to be used with supplements, addendums or riders noting the colors of all materials to be used on the exterior of the Dwelling.
9. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.
10. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Owners, all other signatories hereto, all parties who hereafter acquire any interest in a Lot, the Subdivision or the Property, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Lot shall comply with, and all interests in all Lots shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

11. Enforcement and Right to Recover Attorney's Fees. Should the ARC or an aggrieved Owner be required to take action to enforce or construe the Declaration or any rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, including a claim for injunctive relief or damages, whether such remedy is pursued by filing suit or otherwise, the non-defaulting party shall be entitled to recover his reasonable attorney's fees, costs and expenses which may arise or accrue.

12. Amendments. This Declaration may be amended upon the affirmative written approval of at least a majority of the Owners of the Lots and shall be valid immediately upon recording of the document amending the Declaration in the office of the County Recorder of Salt Lake County, Utah; provided, however, so long as the Developer shall own at least one (1) Lot in the Subdivision, no amendment shall be valid or enforceable without Developer's prior written consent.

13. Duration. The covenants and restrictions of this Declaration shall endure for a term of twenty (20) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years.

Dated the day and year first above written.
