

# SURVEYORS AFFIDAVIT

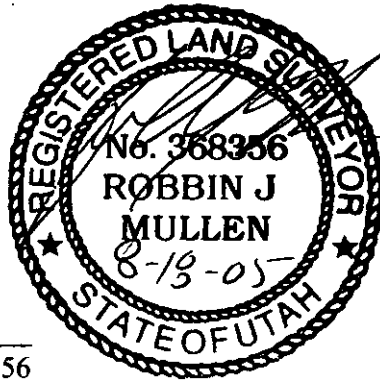

August 18, 2005

To Whom It May Concern,

I, Robbin J. Mullen, am a Professional Land Surveyor, licensed in the State of Utah with license number 368356. I reviewed and approved the original subdivision plat for The Berkshires Subdivision, Plats J and K. This affidavit is to clarify the Public Utility Easements on the front of each of the lots along each private drive for the above mentioned plats. All of the said front Public Utility Easements on all lots will be 10 feet.

I certify that the above information is correct.
