**FIRST AMENDMENT TO THE
DECLARATION OF COVENANTS CONDITIONS AND RESTRICTIONS OF
HIDDEN VALLEY HEIGHTS**

THIS AMENDMENT TO the Declaration of Covenants Conditions and Restrictions of Hidden Valley Heights is made and executed this 7th day of April, 2005.

The Declaration of Covenants Conditions and Restrictions of Hidden Valley Heights (hereafter "Declaration"), was recorded on the 17th day of August, 2004, as Entry No. 00895718, in Book 1663, at pages 0223-0250 in the records of the Washington County Recorder, and affects the following described property:

See Exhibit A attached hereto and incorporated herein by this reference

This Amendment is made pursuant to Article 13, which gives the Declarant unilateral authority to amend the Declaration. Pursuant to its authority, Declarant amends the Declaration as follows:

AMENDMENTS

Article 4, Section 4.2 of the Declaration is hereby amended to provide as follows:

4.2 Creation of Lien and Personal Obligation of Assessments. Excepting Declarant, each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association all assessments authorized in the Governing Documents, including but not limited to: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided; (3) additional assessments; (4) emergency assessments; (5) any other amount or assessment levied or charged by the Association or Board of Directors pursuant to this Declaration; and (6) interest, costs of collection and reasonable attorney fees, as hereinafter provided.

All such amounts shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment or amount is charged. Such assessments and other amounts shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment became due. No Owner may exempt himself from liability for assessments by non-use of Common Area, abandonment of his Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making or repairs or improvements, or from any other action it takes, or from any failure to deliver any services advertised or expected during any period of expansion as provided in Article 12.

It being necessary to clarify Declarant's original intent and to correct an error in the amount of the assessment authorized in the Declaration, which was intended to require a maximum assessment of \$160.00 monthly rather than annually, **Article 4, Section 4.4 of the Declaration is hereby amended to provide as follows:**

4.4 Maximum Annual Assessment. Until January 1 following recording of this Declaration, the maximum annual assessment shall be One Thousand Nine Hundred Twenty Dollars (\$1,920.00) per Lot (\$160.00 monthly). This amount shall be the basis of calculation for future maximum annual assessments.

- (a) From and after the date referred to above the maximum annual assessment shall be increased each year by five percent (5%) above the maximum assessment for the previous year, without a vote of the membership.
- (b) The Association may change the basis and maximum of the assessments fixed by this Section prospectively for any annual period provided that such change may be made by the Board if there is Class B membership and if there is no Class B membership, any such change shall have the assent of sixty-seven percent (67%) of the votes of the Entire Membership, voting in person or by proxy, at a meeting duly called for this purpose.

The actual annual assessment need not increase annually. The Board shall set the actual annual assessment on an annual basis. Notice shall be given to each Owner as provided in Section 4.8. The Board must set the actual annual assessment to be an amount at or less than the Maximum Annual Assessment.

Article 4, Section 4.11 of the Declaration is hereby amended to provide as follows:

4.11 Effect of Non-Payment of Assessment - Remedies of the Association. Any assessment or installment thereof not paid within ten (10) days after the due date therefor shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Directors shall determine appropriate) until paid. In the event any assessment or installment becomes delinquent, the Directors may, in the name of the Association, take any or all of the following actions:

- (a) Assess a late fee for each delinquent installment which shall not exceed ten percent (10%) of the installment;
- (b) Bring an action at law against the Owner personally obligated to pay any such delinquent assessment without waiving the lien of assessment;
- (c) Foreclose the lien against the Lot in accordance with the laws of the State of Utah applicable to the exercise of powers of sale in deeds of trust or to the foreclosure of mortgages, or in any other manner permitted by law;
- (d) Restrict, limit, or totally terminate any or all services performed by the Association on behalf of the delinquent Member and/or any and all rights such Member has to the use and enjoyment of the Common Area and facilities; and/or

- (e) Accelerate all assessment installments that will become due within the subsequent twelve (12) months so that all such assessments for that period become due and payable at once. This acceleration provision may only be invoked against an Owner who has been delinquent in paying any assessment or installment two (2) or more times within a twelve (12) month period.

4.11.1. There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and reasonable attorney fees, together with an account for the reasonable rental for the Lot from time to time of commencement of the foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of the other security.

4.11.2. A power of sale is hereby conferred upon the Association which it may exercise. Under the power of sale the Lot of an Owner may be sold in the manner provided by Utah law pertaining to deeds of trust as if said Association were beneficiary under a deed of trust. The Association may designate any person or entity qualified by law to serve as trustee for purposes of power of sale foreclosure.

Article 9, Section 9.5 of the Declaration is hereby amended to provide as follows:

9.5 Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said Lots, except that an Owner may keep no more than one dog, cat, or other household pet in his/her Unit, provided that such pet is not kept, bred or maintained for any commercial purpose. Notwithstanding the foregoing, no animals or fowl may be kept on the Property which result in an annoyance or are obnoxious, by noise, smell or otherwise, to Lot Owners. All pets must be kept on the Lots of their owners or on a leash when in the Common Areas. This provision may be made more restrictive by Rule of the Association.
