Ownership of a Unit within the Project cannot be separated from membership in the Association appurtenant thereto, and any devise, encumbrance, conveyance, or other disposition of such Unit shall automatically constitute a devise, encumbrance, conveyance, or other disposition of the Owner's membership in the Association and rights appurtenant thereto. No person or entity other than an Owner may be a Member of the Association and membership in the Association may not be transferred except in connection with the transfer of a Unit. No Unit shall have more than the number of votes shown on Exhibit A, regardless of the number of persons having an ownership interest in the Unit. The Votes cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be

conclusively presumed to be the votes attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the votes involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists. The Declarant shall have full voting rights with respect to each Unit which it owns.

4. Maintenance of Condominium Building Exteriors. The Association shall maintain all Condominium Building Exteriors as follows: paint, repair, replacement and care of roofs, gutters, down spouts, foundations, window wells, sump pumps, fences, exterior building surfaces, exterior door and other exterior improvements, as well as all trees, shrubs, grass, walks and steps located on or around a Unit. The Manager so engaged shall be an independent contractor and not an agent or employee of the Association, shall be responsible for managing the Project for the benefit of the Association and the Owners, and shall, to the extent permitted by law and by the terms of the agreement with the Association be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself. Any such management agreement executed on or before the termination of Declarant's control of the appointment of the Board of Trustees as described in Section 2 of this Article III may be terminated by the Association without cause at any time after the termination of such control upon thirty (30) days prior notice to the Manager. The above term and termination provisions shall not apply to any other types of service contracts.

The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

C. The Board may fix the annual assessment at an amount not in excess of the maximum.

2. Annual Assessments. Annual assessments shall be computed and assessed against all Units in the Project as follows:

A. Common Expense. Annual assessments shall be based upon advance estimates of the Association's cash requirements to provide for payment of all estimated expenses arising out of or connected with the maintenance and operation of the Common Areas, the Condominium Building Exteriors, and furnishing without limitation, the following: expenses of management, operation and maintenance costs of real property taxes and special assessment on the Common Areas (and the Units until the Units are separately assessed), premiums for all insurance that the Association is required or permitted to maintain hereunder, repairs and maintenance of the Common Areas and Condominium Building Exteriors, landscaping, picnic areas, tot lots, sport courts, wages of Association employees, including fees for a Manager, repairs and replacements of window well sump pumps, utility charges, including charges for utility services to the Condominiums to the extent not separately metered or billed, legal and accounting fees, any deficit remaining from a previous period, creation of an adequate contingency reserve, major maintenance reserve and/or sinking fund, creation of an adequate reserve fund for maintenance repairs, and replacement of those Common Areas and Condominium Building Exteriors that must be replaced on a periodic basis, and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration. Two separate and distinct funds shall be created and maintained hereunder, one for operating expenses and one for capital expenses which together shall constitute the Common Expense Fund.

B. Apportionment. Common Expenses shall be apportioned among and assessed to all Units and their Owners in accordance with the Assessment Percentages for

each Unit, as set forth on Exhibit A, which is attached hereto and incorporated herein by this reference. The Declarant shall be liable for the amount of any assessments against Units owned by it subject to the provisions of Article V, Section 4.

C. Annual Budget. Annual assessments shall be determined on the basis of a fiscal year beginning January 1 and ending December 31 next following, provided the first fiscal year shall begin on the date of the conveyance of the first Unit by Declarant. On or before December 1 of each year thereafter, the Board of Trustees shall prepare and furnish to each Owner, or cause to be prepared and furnished to each Owner, an operating budget for the upcoming fiscal year. The budget shall itemize the estimated expenses of Common Expense for such fiscal year, anticipated receipts (if any) and any deficit or surplus from the prior operating period. The budget shall serve as the supporting document for the annual assessment for the upcoming fiscal year and as the major guideline under which the Project shall be operated during such annual period.

D. Notice and Payment. Except with respect to the first fiscal year, the Board of Trustees shall notify each Owner in writing as to the amount of the annual assessment against his or her Unit on or before December 1 each year for the fiscal year beginning on January 1 next following. Except as otherwise provided by the Board, each annual assessment shall be payable in twelve (12) equal monthly installments, one such installment due on the first day of each calendar month during the fiscal year to which the assessment relates; **provided, however**, the annual assessment for the first fiscal year shall be based upon such portion of the first fiscal year. The Board of Trustees shall also have the right to assess a late fee of up to five percent (5%) of any assessment installment not paid within fifteen (15) days following the due date thereof. In addition, in the event that any installment of the annual assessment is not paid within fifteen (15) days of the date such installment becomes due, the Association may, at its option, and upon fifteen (15) days prior written notice to the Owner, accelerate the due date for all remaining unpaid installments of the annual assessment for the remainder of the fiscal year and all accrued but unpaid interest thereon. Payment of the annual assessment installments so accelerated shall be due at the expiration of said fifteen (15) day notice period and interest shall accrue on the entire sum at the rate established by the Board not to exceed eighteen percent (18%) per annum from such date until paid in full. The failure of the Board of Trustees to give timely notice of any annual assessment as provided herein shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay such assessment or any other assessment.

E. Inadequate Funds. In the event that the Common Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Owner's assessment, the Board of Trustees may, on behalf of the Association, levy additional assessments in accordance with the procedure set forth in Article V Section 3 below.

except that the vote therein specified shall be unnecessary.

3. Special Assessments. In addition to the annual assessments authorized by this Article, the Board of Trustees may, on behalf of the Association, levy, at any time and from time to time, upon the affirmative vote of at least sixty-seven percent (67%) of the voting power of the Association in person or by proxy at a meeting called for such purpose, special assessments, payable over such periods as the Board of Trustees may determine, for the purpose of defraying, in whole or in part, the cost of any conversion, expansion, construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other expenses incurred or to be incurred as provided in this Declaration (including, without limitation, Common Expenses). This Section shall not be construed as an independent source of authority for the Association to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections or Articles hereof. Any amounts assessed pursuant hereto shall be assessed to Owners in accordance with their Assessment Percentages as set forth on Exhibit A. Notice in writing of the amount of each such special assessment and the time for payment thereof shall be given promptly to the Owners. No payment shall be due less than fifteen (15) days after such notice shall have been given. All unpaid portions of any special assessment shall bear interest at the rate established by the Board not to exceed eighteen percent (18%) per annum from the date such portions become due until paid. All funds received from assessments under this Section shall be part of the Common Expense Fund. The provisions of this Section are not intended to preclude or limit the assessment collection or use of annual assessments for the aforesaid purposes.

4. Uniform Rate of Assessment. The amount of any annual or special assessment against each Unit shall be fixed at a uniform rate based on the Assessment Percentages allocated to each Unit, as set forth on Exhibit A, except that Declarant shall not pay any assessments attributable to Units which it owns until the conveyance by Declarant of such Unit to a third-party purchaser. Annual assessments may be collected on a monthly basis and special assessments may be collected as specified by the Board unless otherwise determined by the resolution of the Members of the Association approving the special assessment.

5. Notice and Quorum for Any Action Authorized Under Sections 1 and 3. Written notice of any meeting called for the purpose of taking any action authorized under Sections 1 or 3 of this Article shall be sent to all Members no less than thirty (30) days nor more than sixty (60) days of the meeting. At the first such meeting called, the presence of the Members or of proxies entitled to cast fifty percent (50%) of all the votes (exclusive of suspended voting rights) of Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

6. Lien for Assessments. All sums assessed to Owners of any Unit within the Project pursuant to the provisions of this Article V, together with penalties and interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association. To evidence

a lien for sums assessed pursuant to this Article V, the Board of Trustees may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit and a description of the Unit. Such a notice shall be signed and acknowledged by a duly authorized officer of the Association and may be recorded in the office of the County Recorder of Salt Lake County, State of Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by sale or foreclosure conducted in accordance with the provisions of law applicable to the exercise of powers of sale or judicial foreclosure of deeds of trust or mortgages or in any other manner permitted by law. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, (including reasonable attorney's fees), and such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any assessment against the Unit which shall become due during the period of foreclosure, and all such assessments shall be secured by the lien being foreclosed. The Board of Trustees shall have the right and power in behalf of the Association to bid in at any foreclosure sale and to hold, lease, mortgage, or convey the subject Unit in the name of the Association.

7. Personal Obligation of Owner. The amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner of such Unit to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Unit or by waiving any services or amenities provided for in this Declaration. In the event of any suit to recover a money judgment of unpaid assessment hereunder, the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including reasonable attorney's fees.

8. Personal Liability of Purchaser. The personal obligation of an Owner to pay unpaid assessments against his Unit as described in Section 8 of this Article V shall not pass to successors in title unless expressly assumed by them. Provided, however, a lien to secure unpaid assessments shall not be affected by the sale or transfer of the Unit unless foreclosure by a First Mortgage is involved, in which case the foreclosure will extinguish the lien for any assessments that were payable before the foreclosure sale, but shall not relieve any subsequent Owner from paying further assessments.

9. Reserves and Working Capital. In addition to its day-to-day operating funds, the Association shall establish the following funds:

A. Reserve Fund. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Areas and Condominium Building Exteriors which the Association is obligated to maintain, repair, or replace. The reserve fund shall be maintained out of regular assessments for Common Expenses.

B. Working Capital Fund. The Declarant shall establish and maintain for the

Project a working capital fund equal to at least two (2) monthly installments of the annual assessment of each Unit. Each Unit's share of the working capital fund must be collected and transferred to the Association at the time of the closing of sale of that Unit. The working capital fund must be maintained in a segregated account for the use and benefit of the Association. The purpose of the working capital fund is to ensure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Association. Amounts paid into the working capital fund are not to be considered advance payments of any regular assessment. The working capital fund shall be transferred to the Association for deposit to a segregated fund when control of the Association is transferred to the Owners. The Declarant shall not use the working capital fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association.

10. Evidence of Payment of Annual and Special Assessments. Upon receipt of a written request by a Member or any other person, the Association within a reasonable period of time thereafter shall issue to such Member or other person a written certificate stating (a) that all annual and special assessments (including interest, costs and attorney's fees, if any, provided in Section 2 above) have been paid with respect to any specified Unit as of the date of such certificate, or (b) if all annual and special assessments have not been paid, the amount of such annual and special assessments (including interest, costs and attorney's fees, if any) due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or Mortgagee on, the Unit in question.

ARTICLE VI OPERATION AND MAINTENANCE

1. Maintenance of Condominiums. Each Condominium and Unit shall be maintained by the Owner thereof so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Condominium or Unit. The Association shall have no obligation regarding maintenance or care of Condominiums or Units except as set forth in Section 2 of this Article VI or elsewhere in this Declaration.

2. Operation and Maintenance by Association. The Association shall provide for such maintenance and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Units and to keep them uniform, consistent, clean, functional, attractive, and generally in good condition and repair. The Association shall also provide for the maintenance of all Condominium Building Exteriors as set forth in Article III. The expenses incurred by the Association for such purposes shall be paid for with funds from the Common Expense Fund.

3. Utilities. The Owner shall pay for all utility services furnished to each Unit utility services which are not separately billed or metered to individual Units by the utility or other party furnishing such service. The Association shall pay such bills which are not separately metered and charge an appropriate share to each Unit and Owner as part of the Common Expenses.

4. Insurance. The Association shall at all times maintain in force insurance which is consistent with FNMA's insurance coverage requirements and which meets the following minimum requirements:

A. Hazard Insurance. A "master" or "blanket" type policy of property insurance shall be maintained covering the entire Project, including: Common Areas; all Condominium Buildings including all Condominiums (other than the interior content thereof); fixtures, building service equipment, personal property and supplies comprising a part of the Common Areas or owned by the Association, and which are of a class typically encumbered by Mortgages held by FNMA or other similar institutional Mortgage investors; but excluding land, foundations, excavations, and other items normally not covered by such policies. References herein to a "master" or "blanket" type policy of property insurance are intended to denote single entity insurance coverage. As a minimum, such "master" or "blanket" policy shall afford protection against loss or damage by fire, by other perils normally covered by the standard extended coverage endorsement, and by all other perils which are customarily covered with respect to projects similar to the Project in construction, location, and use, including (without limitation) all perils normally covered by the standard "all risk" endorsement, where such endorsement is available. Such "master" or "blanket" policy shall be in an amount not less than one-hundred percent (100%) of current replacement cost of all elements of the Project covered by such policy, exclusive of land, foundations, excavation, and other items normally excluded from coverage. The insurance policy shall include either of the following endorsement to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement (under which the insurer agrees to replace the insurable property regardless of the cost) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance); or (2) a Replacement Cost Endorsement (under which the insurer agrees to pay up to one-hundred percent (100%) of the property's insurable replacement cost but no more) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance). The maximum deductible amount for such policy covering the Common Areas shall be the lesser of Ten Thousand Dollars (\$10,000) or one percent (1%) of the policy face amount. However, for losses related to individual Condominiums that are covered by such a policy, the deductible related to each individual Condominium shall be One Thousand Dollars (\$1,000). Funds to cover these deductible amounts shall be included in the Association's operating reserve account.

B. Flood Insurance. If any part of the Project is or comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a "master" or "blanket" policy of flood insurance shall be maintained covering the Condominium

Buildings, any machinery and equipment that are not part of a Condominium Building and all Common Areas within the Project (hereinafter "Insurable Property") in an amount deemed appropriate, but not less than the lesser of: (1) the maximum limit of coverage available under the National Flood Insurance Administration Program for all Condominium Buildings and Insurable Property within any portion of the Project located within a designated flood hazard area; or (2) one-hundred percent (100%) of the insurable value of all such facilities. The maximum deductible amount for any such policy shall be the lesser of Five Thousand Dollars (\$5,000) or one percent (1%) of the policy face amount.

(i) The name of the insured under each policy required to be maintained by the foregoing Sections A and B shall be the Association for the use and benefit of the individual Owners. (Said Owners shall be designated by name, if required.) Notwithstanding the requirement of the two immediately foregoing sentences, each such policy may be issued in the name of an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners. Loss payable shall be in favor of the Association (or Insurance Trustee), as a trustee for each Owner and each such Owner's Mortgagee. Each Owner and each such Owner's Mortgagee, if any, shall be beneficiaries of such policy. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

(ii) Each policy required to be maintained by the foregoing Sections A and B shall contain the standard mortgage clause, or equivalent endorsement (without contribution), commonly accepted by private institutional mortgage investors in the area in which the Project is located. If FNMA is a holder of one or more Mortgages on Units within the Project, such mortgage clause shall name FNMA or FNMA's servicer of such Mortgages as Mortgagee. If FNMA's servicer is named as mortgagee in such mortgage clause, such servicer's name shall be followed therein by the phrase "its successors and assigns". In addition, such mortgage clause for another appropriate provision of each such policy shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee which is listed as scheduled holder of a Mortgage in the policy.

(iii) Each policy required to be maintained by the foregoing Sections A and B shall provide, if available, for the following: recognition of any insurance trust agreement; a waiver of the right of subrogation against Owners individually; the insurance is not prejudiced by any act or neglect of individual Owners which is not in the control of such Owners collectively; and the policy is primary in the event the Owner has other insurance covering the same loss.

(iv) Each policy required to be maintained by the foregoing Section A

shall also contain or provide the following: (1) "Inflation Guard Endorsement", if available; (2) "Building Ordinance or Law Endorsement", if the enforcement of any building, zoning, or land use law will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs. (The endorsement must provide for contingent liability from the operation of building laws, demolition costs, and increased costs of reconstruction); and (3) "Steam Boiler and Machinery Coverage Endorsement," if the Project has central heating or cooling, which shall provide that the insurer's minimum liability per accident at least two equals the lesser of Two Million Dollars (\$2,000,000) or the insurable value of the Condominium Building containing the boiler or machinery. In lieu of obtaining this as an endorsement to the commercial package property, the Association may purchase separate stand-alone boiler and machinery coverage.

C. Fidelity Bonds. The Association shall at all times maintain in force and pay the premiums for "blanket" fidelity bonds for all officers, members, and employees of the Association and for all other persons handling or responsible for funds of or administered by the Association whether or not that individual receives compensation for services. Furthermore, where the Association has delegated some or all of the responsibility for handling of funds to a Manager, the Manager shall provide "blanket" fidelity bonds, with coverage identical to such bonds required of the Association, for the Manager's officers, employees, and agents handling or responsible for funds of, or administered on behalf of, the Association. The total amount of fidelity bond coverage required shall be based upon the Association's best business judgment and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association, or the Manager, as the case may be, at any given time during the term of each bond. A lesser amount of fidelity insurance coverage is acceptable for the Project so long as the Association and the Manager adhere to the following financial controls: (1) the Association or the Manager maintains separate bank accounts for the working account and the reserve account, each with appropriate access controls, and the bank in which funds are deposited sends copies of the monthly bank statements directly to the Association; (2) the Manager maintains separate records and bank accounts for each Association that uses its services, and the Manager does not have authority to draw checks on or to transfer funds from the Association's reserve account; or (3) two members of the Board must sign any checks written on the reserve account. Nevertheless, in no event may the amount of such bonds be less than the sum equal to three months' aggregate assessments on all Units. The bonds required shall meet the following additional requirements: (i) the fidelity bonds shall name the Association as obligee; (ii) the bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions; (iii) the premiums on all bonds required herein for the Association (except for premiums on fidelity bonds maintained by the Manager for its officers, employees and agents) shall be paid by the Association as part of the Common Expenses; and (iv) the bonds shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at

least ten (10) days prior written notice to the Association, to any Insurance Trustee, and to each servicer of loans on behalf of FNMA.

D. Liability Insurance. The Association shall maintain in force, and pay the premium for a policy providing comprehensive general liability insurance coverage covering all of the Common Areas, Condominium Building Exteriors, public ways in the Project, including any dedicated trail system(s), all other areas of the Project that are under the Association's supervision, and commercial spaces owned by the Association, if any, whether or not such spaces are leased to some third party. The coverage limits under such policy shall be in amounts generally required by private institutional Mortgage investors for projects similar to the Project in construction, location, and use. Nevertheless, such coverage shall be for at least One Million Dollars (\$1,000,000) for bodily injury, including deaths of person, and property damage arising out of a single occurrence. Coverage under such policy shall include, without limitation, legal liability of the insureds for a property damage, bodily injuries and deaths of person in connection with the operation, maintenance, or use of the Common Areas, and/or Condominium Building Exteriors, and legal liability arising out of lawsuits related to employment contracts of the Association. Additional coverages under such policy shall include protection against such other risks as are customarily covered with respect to projects similar to the Project in construction, location, and use, including but not limited to (where economically feasible and if available), host liquor liability, contractual and all-written contract insurance, employers liability insurance, and comprehensive automobile liability insurance. If such policy does not include "severability of interest" in the terms, the policy shall include a special endorsement to preclude an insurer's denial of any Owner's claim because of negligent acts of the Association or any other Owner. Such policy shall provide that it may not be canceled or substantially modified, by any party, without at least ten (10) days prior written notice to the Association and to each Mortgagee which is listed as a scheduled holder of a Mortgage in such policy.

E. Insurance Trustees and General Requirements Concerning Insurance. Notwithstanding any of the foregoing provisions and requirement relating to property or liability insurance, there may be named as an insured on behalf of the Association, the Association's authorized representative, including any trustee with whom the Association may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance. Each Owner hereby appoints the Association, or any Insurance Trustee or substitute Insurance Trustee designated by the Association, as his or her attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents, and the performance of all other acts as necessary to accomplish such purpose. The Association, or any Insurance Trustee, shall receive, hold, or otherwise properly dispose of any proceeds of insurance in trust for the use and benefit of the Owners and their Mortgagees, as their interest may

appear.

F. Each insurance policy maintained pursuant to the foregoing Sections 4.A, 4.B, 4.C, and 4.D shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a "B" general policy holder's rating or a financial performance index of "6" or better in the Best's Key Rating Guide, or an "A" or better rating from Demotech, Inc., or which is written by Lloyd's of London. No such policy shall be maintained where: (1) under the terms of the carrier's charter, bylaws, or policy, contributions may be required from, or assessments may be made against, an Owner, a Mortgagee, the Board, the Association, FNMA, or the designee of FNMA; (2) by the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's board of directors, policy holders, or members; or (3) the policy includes limiting clauses (other than insurance conditions) which could prevent the party entitled (including without limitation the Board, the Association, an Owner, or FNMA) from collecting insurance proceeds. The provisions of this Section 4(E) and of the foregoing Sections 4(A), (B), (C), and (D) shall not be construed to limit the power or authority of the Association to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Association may deem appropriate from time to time.

G. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board in order to ascertain whether the coverage contained in the policies is sufficient to make any unnecessary repairs or replacement of the Project which may have been damaged or destroyed. In addition, such policies shall be reviewed to determine their compliance with the provisions of this Declaration.

ARTICLE VII DAMAGE OR DESTRUCTION

1. Association as Attorney-in-Fact. All of the Owners irrevocably constitute and appoint the Association their true and lawful attorney-in-fact in their name, place, and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by any grantee of a deed from the Declarant or from any Owner shall constitute an appointment by said Grantee of the Association as his or her attorney-in-fact as herein provided. As attorney-in-fact, the Association shall have full and complete authorization, right and power to make, execute, and deliver any contract, deed, or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted. All insurance proceeds shall be payable to the Association except as otherwise provided in this Declaration.

2. Definition of Repair and Reconstruction. Repair and reconstruction of the improvements as used herein means restoring the Project to substantially the same condition in which it existed prior to the damage or destruction, with each Condominium and the Common Areas having substantially the same vertical and horizontal boundaries as before.

3. Procedure. In the event all or any part of the Project is damaged or destroyed, the Association shall proceed as follows:

A. Notice to First Mortgagees. The Association shall give timely written notice to any holder of any First Mortgage on a Unit or who requests such notice in writing in the event of substantial damage to or destruction of any part of the Common Areas or a Condominium subject to such First Mortgage.

B. Estimate of Costs. As soon as practicable after an event causing damage to or destruction of any part of the Project, the Association shall obtain complete and reliable estimates of the costs to repair and reconstruct the part of the Project damaged or destroyed.

C. Sufficient Insurance. If the proceeds of the insurance maintained by the Association equal or exceed the estimated costs to repair and reconstruct the damaged or destroyed part of the Project, such repair and reconstruction shall be carried out.

D. Insufficient Insurance – Less than Seventy-Five Percent (75%) Destruction. If the proceeds of the insurance maintained by the Association are less than the estimated costs to repair and reconstruct the damaged or destroyed part of the Project, and if less than seventy-five percent (75%) of the Project is damaged or destroyed, such repair and reconstruction shall nevertheless be carried out. The Association shall levy a special assessment sufficient to provide funds to pay the actual costs of such repair and reconstruction to the extent that such insurance proceeds are insufficient to pay such costs. Such special assessment shall be allocated and collected as provided in Article V, Section 3 hereof, except that the vote therein specified shall be unnecessary. Further levies may be made in like manner if the amounts collected (together with the proceeds of insurance) are insufficient to pay actual costs of such repair and reconstruction.

E. Insufficient Insurance – Seventy-Five Percent (75%) or More Destruction. If the proceeds of the insurance maintained by the Association are less than the estimated costs to repair and reconstruct the damaged or destroyed part of the Project, and if seventy-five percent (75%) or more of the Project is damaged or destroyed, such damage or destruction shall be repaired and reconstructed, but only if within one hundred (100) days following the damage or destruction, Owners entitled to vote at least seventy-five percent (75%) of the votes of the Members vote to carry out such repair and reconstruction. If, however, the Owner's do not, within one hundred (100) days after such damage or destruction, elect by a vote of at least seventy-five percent (75%) of the votes of the Members to carry out such repair and reconstruction but rather elect to terminate the Project, and if Eligible Mortgagees who represent at least fifty-one percent (51%) of the votes of Units subject to Mortgages held by Eligible Mortgagees approve such termination, the Association shall record in the office of the County Recorder of Salt Lake County, State of Utah, a notice setting forth such facts. Upon the recording of such

notice, the following shall occur:

- (i) The Project shall be deemed to be owned in common by the Owners;
- (ii) Each Owner shall own an undivided interest in the Project equal to such Owner's Common Expense allocation percentage as set forth on Exhibit A;
- (iii) Any liens affecting any of the Units shall be deemed to be transferred, in accordance with the existing priorities, to the undivided interest of the respective Owner in the Project; and
- (iv) The Project shall be subject to an action for partition at the suit of any Owner, in which event the net proceeds of any sale resulting from such suit for partition, together with the net proceeds of the insurance of the Project, if any, shall be considered as one fund and shall be divided among all Owners after first paying out of the respective share of each Owner, to the extent sufficient for the purposes, all liens on the undivided interest in the Project owned by such Owner. The division of funds shall be based on the fair market values of the Units and Condominiums immediately prior to the damage or destruction, and the Owners shall divide said funds based upon the relative value of the Units and Condominiums prior to the damage or destruction.

F. Priority. In no event shall an Owner of a Unit or any other party have priority over the holder of any First Mortgage on such Unit with respect to the distribution to such Unit of any insurance proceeds.

4. Repair or Reconstruction. If the damage or destruction is to be repaired or reconstructed as provided above, the Association shall, as soon as practicable after receiving the said estimate of costs, commence and diligently pursue to completion the repair and reconstruction of that part of the Project damaged or destroyed. The Association may take all necessary or appropriate action to effect repair and reconstruction, as attorney-in-fact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith, except as otherwise expressly provided herein. The Project shall be restored or repaired to substantially the same condition in which it existed prior to the damage or destruction, with each Condominium and the Common Areas having the same vertical and horizontal boundaries as before. Any restoration or repair of the Project, after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with the Declaration and the original architectural plans and specifications.

5. Disbursement of Funds for Repair and Reconstruction. If repair or reconstruction is to occur, the insurance proceeds held by the Association and any amounts received from assessments made pursuant to Section 3.D of this Article VII shall constitute a fund for the payment of costs of repair and reconstruction after casualty. It shall be deemed that the first

money disbursed in payment for costs of repair and reconstruction shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair and reconstruction, such balance shall be distributed to the Owners equally.

6. Amendment of Article. This Article VII shall not be amended unless, of the Owners entitle to vote, seventy-five percent (75%) of the Owners vote and agree to such amendment and such approval and agreement is reflected in an instrument duly executed by the Board of Trustees of the Association and recorded in accordance with the provisions of this Declaration.

ARTICLE VIII CONDEMNATION

1. Condemnation. If at any time or times all or any part of the Project shall be taken or condemned by any public authority under power of eminent domain, the provisions of this article shall apply. A voluntary sale or conveyance of all or any part of the Project in lieu of condemnation, but under threat of condemnation, shall be deemed to be a taking by power of eminent domain. If any Unit or portion thereof or the Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding, or is otherwise sought to be acquired by a condemning authority, the Board of Trustees shall give prompt written notice of any such proceeding or proposed acquisition to each Owner in the Project and to any First Mortgagee who has requested in writing notice thereof. The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Areas, or any part thereof and each Owner hereby appoints the Association as such Owner's attorney-in-fact for the purposes of such representation.

2. Proceeds. All compensation, damages and other proceeds from any such taking by power of eminent domain (hereinafter "Condemnation Award") shall be made payable to the Association and shall be distributed by the Board of Trustees, on behalf of the Association as herein provided.

3. Complete Taking. In the event the entire Project is taken by power of eminent domain, ownership pursuant hereto shall terminate and the Condemnation Award shall be allocated among and distributed to the Owners and the Owners shall divide the Condemnation Award based upon the relative values of the Units and Condominiums immediately prior to the condemnation. Such distribution shall be made by check payable joint to the respective Owners and their respective Mortgagees, as appropriate.

4. Partial Taking. In the even less than the entire Project is taken by the power of eminent domain, the following shall occur:

A. Allocation of Award. As soon as practicable, the Board of Trustees shall, on behalf of the Association, reasonably and in good faith, apportion the Condemnation

Award between compensation, severance damages or other proceeds and shall allocate such apportioned amounts and pay the same to the Owners as follows:

(i) The total amount apportioned to taking of or injury to the Common Areas shall be allocated among and distributed to all Owners (including Owners whose entire Units have been taken);

(ii) The total amount apportioned to severance damages shall be allocated among and distributed equally to the Owners of those Units that have not been taken;

(iii) The respective amount apportioned to the taking of or injury to a particular Unit shall be allocated and distributed to the Owner of such Unit;

(iv) The total amount apportioned to consequential damages and any other taking or injuries shall be allocated and distributed as the Association determines to be equitable under the circumstances;

(v) If apportionment or allocation is already established by negotiation, judicial decree, statute or otherwise, the Association shall employ such apportionment and allocation to the extent it is relevant and applicable;

(vi) Distribution of allocated proceeds shall be made by check payable jointly to individual Owners and their respective Mortgagees, as their interest may appear; and

(vii) No provision of this Article VIII or any other provision of this Declaration, the Articles, or the Bylaws shall entitle the Owner of a Unit or other party to priority over any First Mortgagee holding such Unit with respect to the distribution to such Unit of the proceeds of any award, settlement or proceeds from any eminent domain or condemnation proceeding.

B. Continuation and Reorganization. If less than the entire Project is taken by power of eminent domain, ownership pursuant hereto shall not terminate but shall continue. In such event the Project shall be reorganized as follows:

(i) If any partial taking results in the taking of an entire Unit, then the Owner thereof shall cease to be a member of the Association and all voting right shall terminate;

(ii) If any partial taking results in the taking of a portion of a Unit, the voting rights appertaining to such Unit shall continue;

(iii) If any partial taking results in the taking of a portion of a Unit and

if there is a determination made by the Board of Trustees, after duly considering any recommendations, proposals, or other input from the Owners, that such taking makes it impractical to use the remaining portion of such Unit, then all voting rights terminate and the remaining portion of such Unit shall thenceforth be part of the Common Areas;

(iv) The Board of Trustees, after duly considering any recommendations, proposals or other input from the Owners, shall have the duty and authority to make all determinations and to take all actions necessary or appropriate to effectuate reorganization of the Project under the provisions of this Section 4.B; **provided, however**, that if any such determination shall have been or such action taken by judicial decree, the Board of Trustees shall defer thereto and proceed in accordance therewith.

C. Repair and Reconstruction. Any repair and reconstruction necessitated by condemnation shall be governed by the provisions specified in Article VII hereof for cases of Damage or Destruction; **provided however**, that the provisions of said article dealing with sufficiency or insufficiency or insurance proceeds shall not be applicable.

ARTICLE IX TERMINATION

1. Required Vote. Except as otherwise provided in Article VII and Article VIII, the Project may be terminated only by agreement of Owners entitled to vote at least sixty-seven percent (67%) of the votes attributable to all Units.

2. Termination Agreement. An agreement to terminate shall be evidenced by the execution or ratification of a termination agreement, in the same manner as a deed, by the requisite number of Owners. Such an agreement to terminate shall also be approved by Eligible Mortgagees who represent at least sixty-seven percent (67%) of the votes of Units subject to First Mortgages held by Eligible Mortgagees. Such approval (and any other approval related to an amendment to this Declaration) shall be deemed given when an Eligible Mortgagee fails to submit a response within thirty (30) days after it received proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested. The termination agreement shall specify a date after which the agreement will be void unless it is recorded before that date. A termination agreement, including all ratifications of such termination agreement, shall be recorded in Salt Lake County, Utah and is effective only on recordation.

3. Sale of Project. A termination agreement may provide that the entire Project shall be sold following termination. If, pursuant to the agreement, any real estate in the Project is to be sold following termination, the termination agreement shall set forth the minimum terms of the sale.

4. Association Duties. The Association, on behalf of the Owners, may contract for the sale of real estate in the Project, but the contract is not binding on the Owners until approved pursuant to Sections 1 and 2 of this Article IX. If any real estate in the Project is to be sold following termination, title to that real estate on termination vests in the Association as trustee for all Owners. Thereafter, the Association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the Association continues in existence with all powers it had before termination. Proceeds of the sale shall be distributed to Owners and Mortgagees as their interest may appear, based on the relative value of each Unit and Condominium. Unless otherwise specified in the termination agreement, as long as the Association holds title to the real estate, each Owner and their successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted their Unit in accordance with the terms of this Declaration. During the period of that occupancy right, each Owner and their successors in interest remain liable for all assessments and other obligations imposed on Owners by this Declaration.

5. Proceeds of Sale. Following termination of the Project, the proceeds of any sale of real estate, together with the assets of the Association, shall be held by the Association as trustee for Owners and Mortgagees as their interest may appear. Following termination, Mortgagees holding Mortgages on the Units which were recorded before termination may enforce those liens in the same manner as any lien holder.

ARTICLE X GENERAL USE RESTRICTIONS

1. Rules and Regulations. The Association shall have authority to promulgate and enforce such reasonable rules, regulations and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that the Property maintained and used in a manner consistent with the interest of the Owners.

2. Use of Common Areas. The Common Areas shall be used only in a manner consistent with their community nature and with the rules, regulations and use restrictions applicable to Units and Condominiums. No admission fees, charges for use, leases, or other income generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas. Provided, however, vending machines and similar devices approved by the Board may be made available within the Common Areas.

4. Exception for Declarant. Notwithstanding the restriction contained in Article X,

for the five (5) year period following the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah, Declarant shall have the right to use any Unit or Condominium owned by it, and any part of the Common Areas reasonably necessary or appropriate, in furtherance of any activities designed to accomplish or facilitate improvement and sale of all Units owned by Declarant. Without limiting the foregoing, Declarant shall have the right to maintain one or more sales offices and model Condominiums. Such offices and model Condominiums may be located in any Unit or Condominium owned or leased by Declarant, or in one or more separate combination of the foregoing. Declarant shall also have the right to maintain a reasonable number of promotional, advertising, or directional signs, banners, or similar devices at any place or places on the Property. Declarant shall have the right from time to time to locate or relocate any of its sales offices, model Condominiums, signs, banners or similar devices.

5. Leases. Any lease agreement between an Owner and a lessee respecting a Unit or Condominium shall be subject in all respects to the provisions of this Declaration, the Articles, and Bylaws, and any failure by the lessee to comply with the terms of such documents shall be a default under the lease. All such lease agreements shall be in writing. An Owner shall be responsible and liable for any damage to the Project caused by its tenant.

6. Easements. Easements for installation and maintenance of utilities are reserved as shown on the Plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities. Easements for the installation and maintenance of utilities are also reserved within each Unit or Condominium. It is contemplated that telephone, gas, electricity and other utilities may originate in one Unit or Condominium and terminate in another Unit or Condominium. A right of access to all such utilities is reserved to the Association and to all utility suppliers.

7. Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate upon the Property and no odors shall be permitted to arise therefrom so as to render any part of the Property unsanitary or unsightly of which would be offensive or detrimental to any other part of the Property or to the occupants thereof. No noise or other nuisance shall be permitted to exist or operate upon any part of the Property so as to be offensive or detrimental to any other part of the Property, or to the occupants thereof. Without limiting the generality of any of the foregoing, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes) shall be located, used or placed on the Property without the prior written approval of the Board.

8. Temporary and Other Structures. No structures of a temporary nature, trailer, basement house, tent, shack, shed, garage, barn or other outbuildings shall be used at any time as a residence either temporarily or permanently, nor shall said structures be permitted on the Property at any time. No old or secondhand structures shall be moved onto any Unit, it being the intention hereof that all Units or Condominiums erected and maintained on Units or within the Property shall be new construction of good quality, workmanship and material.

9. Unsightly Articles. No unsightly articles shall be permitted to remain on or near a Unit so as to be visible from any other Unit or the Common Areas. No lumber, grass, shrub or tree clippings or plant waste, metals, bulk materials or scrap or refuse or trash shall be kept, stored or allowed to accumulate on any Unit except within an enclosed structure or when appropriately screened from view.

10. No Further Subdividing. No Unit or Common Area may be further subdivided, nor may any easement or other interest therein less than the whole be conveyed by the Owner thereof without the prior written approval of the Association; **provided however**, that nothing herein shall be deemed to prevent or require the approval of the Association for the transfer of sale of any Unit or Condominium to more than one person to be held by them as tenants in common, joint tenants, or otherwise.

11. Signs. No sign of any kind shall be displayed to the public view without the approval of the Association, except such signs as may be used by Declarant in connection with the development of the Project and the sale of Condominiums and/or Units and except such signs of customary and reasonable dimensions as may be displayed on a Unit advertising a Unit or Condominium for sale or lease. Display of any "for sale" or "for lease" sign more than three (3) feet by two (2) feet shall require the prior written approval of the Association. A residential identification sign is permitted but should not exceed one (1) square foot in surface area. Numbers on residences shall be located in a position clearly legible from the street, but not more than six (6) feet above main floor level.

12. No Hazardous Activities. No activities shall be conducted on the Property and no improvements constructed on the Property which are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon the Property and no open fires nor incinerators shall be lighted or permitted on the Property except in a contained barbecue until while attended and in use for cooking purposes or within a safe and well-designed interior fireplace.

13. Repair of Buildings. No improvement upon the Property shall be permitted to fall into disrepair, and each such improvement shall at all times be kept in good condition and repair and adequately painted or otherwise finished by the Owner thereof or the Association as applicable.

14. Improvements and Alterations. There shall be no excavation, construction or alteration of any kind which in any way alters the exterior appearance of any Unit or any

improvement within the Property nor removal of any Condominium or other improvement within the Property (other than repairs or rebuilding) without the prior written approval of the Board.

15. Rooftop Antennas. No television, ham radio, citizens band or radio antenna, satellite receiving or other similar electronic receiving or sending device shall be permitted upon the rooftop or side of any unit or elsewhere if exposed to view from any other Unit. Such antennas, if used, must be of the type that are installed within the natural building structure. In no case will any such receiving or sending antenna or other device be allowed to interfere with the peace and quiet enjoyment of any neighboring Unit Owner's premises or home entertainment facilities or equipment. Provided, however, Declarant and the Association reserve the right and option to install cable service lines and antennas as needed throughout the Project in connection with its development.

16. Association Control. The Association shall have absolute control over all exteriors and Common Areas, including but not limited to all stairways, hallways and entrance doors into individual Units, to insure common design, aesthetics and uniformity throughout the Project.

17. Architectural Control. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration of any kind to a Unit be made, unless and until the plans and specifications showing the color, nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing by the Board.

18. General Obligations. Each Owner shall enjoy and be subject to all rights and duties assigned to Owners pursuant to this Declaration. With respect to unsold Units, the Declarant shall enjoy the same rights and assumes the same duties with respect to each unsold Unit.

19. Pets and Animals. No animals or birds of any kind shall be raised, bred or kept in or on any Unit or in the Common Areas, except that small or medium sized domestic dogs and cats, and common household birds, may be kept in or on Units, subject to rules and regulations adopted by the Association and provided that they are not kept, bred, or maintained for any commercial purpose and provided further that any such pet causing or creating a nuisance or disturbance shall be permanently removed from the Project upon ten (10) days written notice from the Association. No large dogs, such as Great Danes or St. Bernards, that exceed 18 inches in height measured at the back hips may be kept in or on a Unit. Any pet allowed by be present on the Common Areas only if on a leash held by a person.

ARTICLE XI MORTGAGEE PROTECTION

1. Notice of Action. Upon written request made to the Association by a First Mortgagee, or an insurer or governmental guarantor of a First Mortgage, which written request

shall identify the name and address of such First Mortgagee, insurer or governmental guarantor and Unit number or address of the Condominium, and such First Mortgage, insurer or governmental guarantor shall be entitled to timely written notice of:

- A. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a First Mortgage held, insured or guaranteed by such First Mortgagee, insurer or governmental guarantor;
- B. Any delinquency in the payment of assessments or charges owed by an Owner, whose Unit is subject to a First Mortgage held, insured or guaranteed by such First Mortgagee, insurer or governmental guarantor, which default remains uncured for a period of sixty (60) days;
- C. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and
- D. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 2 below or elsewhere herein.

2. Matters Requiring Prior Eligible Mortgagee Approval. Except as provided elsewhere in this Declaration, the prior written consent of Owners entitled to vote at least sixty-seven percent (67%) of the votes of the Units in the Association (unless pursuant to a specific provision of this Declaration the consent of Owners entitled to vote a greater percentage of the votes in the Association is required, in which case such specific provisions shall control), and Eligible Mortgagees holding First Mortgages on Units having at least fifty-one percent (51%) of the votes of the Units subject to First Mortgages held by Eligible Mortgagees shall be required to:

- A. Abandon or terminate the legal status of the Project after substantial destruction or condemnation occurs;
- B. Add or amend any material provision of the Declaration, Articles, Bylaws or Plat, which establishes, provides for, governs or regulates any of the following (an addition or amendment to such documents shall not be considered material if it is for the purpose of correcting technical errors or for clarification only):
 - (i) voting rights;
 - (ii) increases in assessment that raise the previously assessed amount by more than 25%, assessment liens, or the priority of assessment liens;
 - (iii) reductions in reserves for maintenance, repair, and replacement of Common Areas;
 - (iv) responsibility for maintenance and repairs;

- (v) reallocation of interest in the Common Areas, or rights to their use;
- (vi) redefinition of any Unit boundaries;
- (vii) convertibility of Units into Common Areas or vice versa;
- (viii) expansion or contraction of the Project, or the addition, annexation, or withdrawal of property to or from the Project;
- (ix) hazard or fidelity insurance requirements;
- (x) imposition of any restrictions on the leasing of Units and Condominiums;
- (xi) imposition of any restrictions on Owner's right to sell or transfer his or her Unit or Condominium;
- (xii) a decision by the Association to establish self-management if professional management had been required previously by the Declaration; or
- (xiii) restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified in the Declaration; or
- (xiv) any provisions that expressly benefit Mortgagees, insurers, or guarantors.

Any Mortgagee, insurer or governmental guarantor, except the Department of Veterans Affairs, who receives a written request from the Association to approve additions or amendments to the constituent documents and who fails to deliver or post to the Association a negative response within thirty (30) days shall be deemed to have approved such request, provided the written request was delivered by certified or registered mail, with a "return receipt" requested.

3. Availability of Project Documents and Financial Statements. The Association shall maintain and have current copies of the Declaration, Articles, Bylaws, and other rules concerning the Project as well as its own books, records, and financial statements available for inspection by Owners or by holders, insurers, and guarantors of First Mortgages that are secured by Units in the Project. Generally, these documents shall be available during normal business hours. The Association shall make the most recent audited financial statement and any unaudited financial statement for the preceding fiscal year (if the Project has been established for a full fiscal year) available to the holder, insurer, or guarantor of any First Mortgage on submission of a written request for it. The audited financial statement shall be made available within one-hundred twenty (120) days of the Association's fiscal year-end.

4. Subordination of Lien. The lien or claim against a Unit for unpaid assessments or charges levied by the Association pursuant to this Declaration shall be subordinate to the First Mortgage affecting such Unit if the First Mortgage was recorded before the delinquent assessment was due, and the First Mortgagee thereunder which comes into possession of or which obtains title to the Unit shall take the same free of such lien or claim for unpaid assessment or charges, but only to the extent of assessments or charges which accrue prior to foreclosure of the First Mortgage, exercise of a power of sale available thereunder, or taking of a deed or assignment in lieu of foreclosure. No assessment, charge, lien, or claim which is described in the preceding sentence as being subordinate to a First Mortgage or as not to burden a First Mortgagee which comes into possession or which obtains title shall be collected or enforced by the Association from or against a First Mortgagee, a successor in title to a First Mortgagee, or the Unit affected or previously affected by the First Mortgage concerned.

5. Payment of Taxes. In the event any taxes or other charges which may or have become a lien on the Common Areas are not timely paid, or in the event the required hazard insurance described in paragraph A of Section 4 of Article VI lapses, is not maintained, or the premiums therefore are not paid when due, any Mortgagee or any combination of Mortgagees may jointly or singly, pay such taxes or premiums or secure such insurance. Any Mortgagee which expends funds for any of such purposes shall be entitled to immediate reimbursement therefore from the Association.

6. Priority. No provision of this Declaration or the articles gives or may give an Owner or any other party priority over any rights of Mortgagees pursuant to their respective Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for loss to or taking of all or any part of the Units or the Common Areas.

ARTICLE XII LEASING RESTRICTIONS

Declarant desires that the Project will be primarily an owner-occupied residential condominium project. Notwithstanding anything in this Declaration, the Articles, or the Bylaws to the contrary, the following restrictions shall apply to the leasing of any Unit to a person or persons who are not the Owner thereof:

1. Limitation on Number of Units that can be Leased. As used herein, a "Third Party Lease" means any lease or rental, whether written or oral and without regard to the term of the lease or any option to purchase contained in the lease of a Unit to a person or to persons who are not the Owners of the Unit being so leased or rented. No more than twenty percent (20%) of the Units may be the subject of any Third Party Lease at any one time. Any Owner who enters into a Third Party Lease shall promptly notify the Manager of the same in writing, including the names of the tenants and the terms of the lease, and shall promptly notify the Manager in writing of the termination of any Third Party Lease. Based on such information, the Manager shall maintain a list of all current Third Party Leases for the purpose of determining compliance with this Article XII. Compliance, and the right of an Owner to enter into a Third Party Lease, shall be on a "first

come, first served" basis, *i.e.*, the right of an Owner to enter into a Third Party Lease shall be determined on the number of existing Third Party Leases, with earlier Third Party Leases having priority over later Third Party Leases. The list maintained by the Manager shall be conclusive as to the priorities of the Third Party Leases and the right of any Owner to enter into a Third Party Lease. If the 20% restriction is filled, Owners may be placed on a waiting list maintained by the Manager until an opening occurs. If the Manager notifies any Owner that a Third Party Lease is in violation of this Article XII, such Owner shall promptly notify the tenant and take all appropriate action to terminate the Third Party Lease. If the Owner fails to terminate a Third Party Lease in violation of this Article XII, the Manager and/or the Association may take all action deemed necessary by them to enforce the terms of this Declaration, including initiating legal action against the Owner seeking specific performance. The prevailing party in such action shall be entitled to recover from the other party all costs and expenses incurred, including reasonable attorney's fees and costs.

2. Lease Terms. Third Party Leases shall not have a term longer than three (3) consecutive years, including all renewal options. At the end of the lease term, the applicable Unit may not be leased or rented again for a period of one (1) year, during which time, the Unit must be occupied by the Owner.

3. Signs. Signs advertising a Unit for lease or rent shall be limited to a sign having dimensions of not more than two (2) by three (3) feet that is placed in the window of the Unit. No signs or advertising may be placed on any Common Area, including the exteriors of any Condominium Building. All signs shall comply with applicable sign ordinances of West Valley City.

4. Enforcement by West Valley City. The provisions of this Article XII were a condition imposed by West Valley City for the development of the Project. West Valley City shall have the right to monitor and enforce the provisions of this Article XII. Upon request, the Manager shall provide West Valley City with a copy of the current list of Third Party Leases, together with information in his possession concerning each Third Party Lease. If West Valley City discovers any violation of this Article XII and notifies the Manager of the same, the Manager shall inform West Valley City of all efforts being made to enforce the terms and condition hereof. West Valley City shall have the right to enforce this Article XII against any Owner in violation thereof by suit seeking injunctive or other relief. The prevailing party in any such action shall be entitled to recover from the other party all costs and expenses of such action, including reasonable attorney's fees and expenses.

5. Enforcement by Owners. If the Manager, Association, and/or West Valley City fail to enforce the terms and conditions of this Article XII, any Owner may bring a suit seeking injunctive relief against another Owner alleged to be in violation of this Article XII. The prevailing party in such action shall be entitled to recover from the other party all costs and expenses of such action, including reasonable attorney's fees and expenses.

6. Amendment. This Article XII may not be amended or modified in any manner

without the written consent of West Valley City in addition to satisfying the requirements of Article XIII, Section 3.

ARTICLE XIII MISCELLANEOUS

1. Notices. Any notice required or permitted to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly furnished if mailed postage prepaid to the person who appears as an Owner, at the latest address for such person, appearing in the records of the Association at the time of mailing.

2. Term. This Declaration shall be effective upon the date of recordation hereof and, as amended from time to time, shall continue in full force and effect for a term of forty (40) years from the date this Declaration is recorded. From and after said date, this Declaration, as amended, shall be automatically extended for successive periods of ten (10) years each, unless there is an affirmative vote to terminate this Declaration by seventy-five percent (75%) of the votes of the Members cast at an election held for such purpose or otherwise approved in writing by such Members within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension.

3. Amendment. Except as provided in Article XII and elsewhere in this Declaration, any amendment to this Declaration shall require the affirmative vote or written approval of at least sixty-seven percent (67%) of the total votes of the Association. Any amendment authorized pursuant to this Section shall be accomplished through the recordation in the office of Salt Lake County Recorded of an instrument executed by the Association. In such instrument an officer or Trustee of the Association shall certify that the vote required by this Section for amendment has occurred. Anything in this Article or Declaration to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of the Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Unit(s) or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of an amendment duly signed by or on behalf of the authorized officers of Declarant with their signatures acknowledged, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such amendment, when recorded, shall be binding upon all of the Project and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of this Sections deletes, diminishes or alters such control, Declarant alone shall have the right to amend this Declaration to restore such control. Within ten

(10) years from the date of recording the Declaration, and so long as the Declarant is the Owner of any Unit in the Project, this Declaration may be amended or terminated only with the written approval of the Declarant. The Declarant alone may amend or terminate this Declaration prior to the closing of a sale of the first Unit to be sold to an Owner.

4. Rights of Action. The Association and any aggrieved Owner shall have a right of action against Owners who fail to comply with the provisions of the Declaration or the decisions of the Association. The prevailing party shall be entitled to an award of its attorney's fees and costs. Owners shall have a similar right of action against the Association.

5. Declarant's Rights Assignable. The rights of Declarant under this Declaration or in any way relating to the Property may be assigned, whereupon the assignee of Declarant shall have all the rights of Declarant hereunder.

6. Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder thereof. This Declaration shall be liberally construed to effect all of its purposes.

7. Covenants to Run With Land. This Declaration and all of the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant, all parties who hereafter acquire any interest in a Unit or in the Common Areas, and their respective grantees, transferees, heirs, devisees, personal representatives, successors and assigns. Each Owner or occupant of a Unit or Condominium shall comply with, and all interests in all Units or in the Common Areas shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments and determinations contemplated by this Declaration. By acquiring any interest in a Unit or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

8. Lists of Owners and Eligible Mortgages. The Board shall maintain up-to-date records showing: (i) the name of each person who is an Owner, the address of such person, and the Unit which is owned by him; (ii) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity and the Unit which is encumbered by the Mortgage held by such person or entity; and (iii) the name of each person or entity who is an insurer or governmental guarantor, the address of such person or entity, and the Unit which is encumbered by the Mortgage insured or guaranteed by such person or entity. In the event of any transfer of a fee or undivided fee interest in a Unit, either the transferor or transferee shall furnish the Board with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, Utah. The Board may for all purposes act and rely on the information concerning

Owners and Unit ownership which is thus acquired by it or, at its option, the Board may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County Recorder of Salt Lake County, Utah. The address of an Owner shall be deemed to be the address of the Unit owned by such person unless the Board is otherwise advised in writing.

9. **Implied Rights.** The Association may exercise any right or privilege given to it expressly by this Declaration or by law, and every other right or privilege reasonably implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

10. **Effective Date.** This Declaration and any amendment or supplement hereto shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.
