a. All parking for any development on or use of the Property shall be located on the Property, and any development of the Property shall include adequate parking facilities.

b. Grantor reserves perpetual easements upon and across the Property for skiers and over-snow vehicles (provided that operation of over-snow vehicles between the hours of 10:00 p.m. and 6:00 a.m. on the Property, but not on adjacent or surrounding lands, shall be limited to exigent circumstances).

c. d. Grantee acknowledges that the Property is located adjacent to Grantor's shop and equipment maintenance areas, expressly agrees that Grantor's equipment repair and maintenance activities in and around Grantor's shop area are reasonable and necessary, waives any claim arising out of or relating to such activities, and agrees to cooperate with Grantor to ensure that no zoning, noise or other ordinances, regulations or covenants are imposed which would limit the operation, repair or maintenance of Grantor's mobile or stationary equipment on any portion of Grantor's ski area or supporting facilities. e. Any proposals to the Town of Alta and any development on the Property during the first eighteen months following the date hereof shall be limited to proposals and construction and operation of a lodge and/or condominiums.

g. No construction or development on the Property shall be permitted which would temporarily or permanently interfere with Grantor's operations or with the free flow of traffic on Highway 210 in any way. No external construction shall be permitted between December 15 and April 15.

h. Grantee agrees, and agrees to cooperate so, that any water available to the Property, but not necessary for actual development of the Property, shall be made available to Grantor and at no additional charge from Grantee.

i. No building on the Property shall be within twenty yards of the west boundary of the Property or any property owned by Grantor that abuts the Property.

The foregoing easements, conditions and restrictions shall be binding on Grantee and on Grantee's successors and assigns as owners of the Property or any interest therein, and may be specifically enforced through injunctive or other equitable relief by Grantor and by Grantor's successors and assigns as owner and/or operator of Grantor's neighboring and surrounding ski area.
